ARTICLE 1
UNION AND MANAGEMENT

1.1 Recognition

The Board hereby recognizes the Union as the sole and the exclusive bargaining agent for all Secretaries/Specialists and Para-Professionals employed by the District in job classifications set forth in the appendix attached, excluding Secretary to the Superintendent of Schools, Secretary to Assistant Superintendent for Business Services, Secretary to Associate Superintendent for Instructional Services, Secretary to Assistant Superintendent for Human Resources and Student Services, Secretaries to Principals and any other employee excluded under the definition of Education Employee in Section 2(b) of the Educational Labor Relations Act. Should the parties agree that other titles appropriately belong in an AFSCME-represented bargaining unit, they shall jointly stipulate to an amendment or clarification of the unit. Such stipulation shall be filed with the Labor Relations Board in accordance with its procedure.

1.2 Management Rights

It is agreed that the Union and the employees will cooperate with the Board to liberally construe this Agreement to facilitate the District's efficient, flexible and uninterrupted operations. The Union recognizes that all management rights, functions, powers, and responsibilities belong solely to and are exclusively vested in the Board except only as they may be subject to a specific and express obligation of this Agreement. Among these rights, powers, and responsibilities, but not wholly inclusive, are all matters concerning or related to full and exclusive control of the management of the District and the administration thereof, and the direction of the working forces, including (but not limited to) the right to hire, or suspend, discipline, or discharge for just cause; to lay off for lack of work or for any other legitimate reason; to classify, transfer and assign work, promote, or recall, to make and enforce reasonable rules and regulations; to maintain order and efficiency; to schedule the hours of work; to determine the services, processes, and personnel of the District's operation, the types and quantities of machinery, equipment and materials to be used, the nature, extent, duration, character and method of operation, including (but not limited to) the right to contract out or subcontract; the right to determine the number, utilization and kind of personnel and how they shall be employed, and the quality and quantity of workmanship and work required to establish and enforce fair production standards; and to determine the size, number and location of its departments and facilities. All of the provisions of this Article are vested exclusively in the Board, except as expressly abridged by a specific provision of this Agreement.

1.3 Subcontracting

The Board will attempt to have employees continue to perform bargaining unit work where practicable; however, the Board reserves the right to contract out work for reasons of efficiency or economy. Prior to subcontracting bargaining unit work, the Board shall give reasonable notice to the Union and, upon request, meet with the Union to discuss said action. Clerical substitutes shall be paid at the base rate of the job title which they are performing. Summer help will be paid at their regular rate of pay if they are regular employees during the school term.

1.4 Representation

The Board shall not negotiate with employees to change the employee's wages, hours or working conditions set forth in this Agreement, except if the Union agrees. The Board shall not meet, discuss, subsidize or negotiate with any other employee organization or its representatives on matters pertaining to wages, hours or working conditions of the employees covered by this Agreement.

1.5 Pay For Meetings

Employees may be allowed time off at their regular straight-time rate of pay to attend meetings if agreed to by the District, scheduled by the District, or mandated by this Agreement, and if such attendance does not unreasonably interfere with the normal operation of the District.

1.6 Bulletin Boards

The Board shall provide bulletin boards or space on bulletin boards at each District physical site, the number, size and location to be mutually agreed to by the Board and the Union. The said bulletin boards or space shall be for the sole and exclusive use of the Union for Union business. Posted material shall not be partisanly political, defamatory or personal in nature and shall be signed and dated prior to posting.

1.7 Personnel Transactions and Seniority Rosters

The District shall notify the Union as to the following personnel transactions involving unit employees as soon as the change is received in the Office of the Assistant Superintendent for Human Resources and Student Services: promotions, reclassifications, layoffs, transfers from buildings, leaves, returns from leaves, reemployment, reinstatements, suspensions, discharges and other terminations.

Each February and one other time per year as requested, the District shall furnish the Union with a seniority roster which shall include each employee's date of hire, job title, and work location.

The District shall provide the President and Treasurer of the local with a current dues and fee payers list each pay period.

1.8 Non Discrimination

- A. Neither the Board nor the Union shall discriminate against any employee covered by this Agreement in a manner which would violate any applicable law because of race, creed, color, handicap, national origin, age, sex, or marital status.
- B. Neither the Board nor the Union shall interfere with the right of employees covered by this Agreement to become or not become members of the Union and there shall be no discrimination against any such employees because of lawful Union membership or non-membership activity or status.

1.9 Labor/Management Committee Meetings

The Board's designated representative and the Union Committee from each school and the District Office shall meet every month to discuss and attempt to solve problems of mutual concern. The Superintendent and/or designee, and an administrative building representative shall meet once every three (3) months with the Union Committee for the same purpose. By mutual agreement, the parties may meet more or less frequently.

Meetings shall be scheduled at a time, place and date mutually agreed upon. Each party shall submit a proposed written agenda to the other party at least one (1) week prior to the scheduled meeting. Minutes shall be taken by the Union and forwarded to the District for review. The District shall notify the Union of any differences concerning the accuracy of the Union's minutes.

These meetings shall be attended by a reasonable number of representatives from each party, the number of which shall be mutually agreed to by the Union and the District.

1.10 Meeting Rooms

The Board shall make available meeting rooms for Union meetings, provided that such meetings in no way interfere with the normal operation of the District and provided further that such meetings entail no additional maintenance or custodial expense. All requests to use such District facilities shall be made to the Building Principal or his/her designated representative or the Assistant Superintendent for Human Resources.

1.11 Right of Access

Duly authorized officials of the Union will be permitted reasonable access to District facilities during normal working hours after notification to the District. The Union will not abuse this privilege and shall conduct themselves in a manner that does not unreasonably interfere with the normal operation of the District. By mutual agreement with the Superintendent or Assistant Superintendent for Human Resources, in emergency situations, Union staff representatives may call a meeting during work hours to prevent, resolve or clarify a problem. The Board may change or set rules of access, provided that any change in current practices must be reasonable.

1.12 Time Off for Union Activities

Local union representatives will be allowed ten (10) days paid leave per year for union meetings and State and International Conventions, provided that such activity shall not unreasonably interfere with the operating needs of the District and the employee gives reasonable notice to her/his immediate supervisor of such absence. For special circumstances beyond ten (10) days, requests for paid leave shall be made to the Assistant Superintendent for Human Resources by the Union President. Local union representatives will be allowed time off without pay for union meetings and State and International Conventions, provided that such activity shall not exceed a reasonable period of time, unreasonably interfere with the operating needs of the District and the employee gives reasonable notice to her/his immediate supervisor of such absence. Union meetings shall be attended by a reasonable number of representatives, the number of which shall be mutually agreed to by the parties. The employee may utilize any accumulated time (personal leave or vacation days) in lieu of taking such time without pay. The Union agrees that all such meetings will be scheduled to provide a minimum of interference with the normal operation of the District.

1.13 Distribution of Literature

Distribution of Union literature shall be permitted during the non-working time of the employee who is distributing the literature. Such distribution shall be done so as to not disrupt the work of other employees. The regular District inter-school mail service and employees' mail boxes shall be available to the Union for the purpose of communication. All communications shall be identified by the Union and copies of Union-authorized materials so distributed shall be furnished to the Building Principal prior to distribution. Only Union officers may authorize and identify these communications. The Union agrees to hold the District harmless for any and all use by the Union of the District's mail system.

ARTICLE 2 **HOURS OF WORK AND OVERTIME**

2.1 Work schedules currently established shall remain in effect. Prior to changing a work schedule, the District shall give the Union reasonable advance notice and, upon request, shall meet with the Union to discuss the change. This Article is intended only to provide a basis for calculation of overtime and is not to be construed as a guarantee of hours of work per day or week.

2.2 Employees who work overtime (more than 40 hours per week) shall be granted, at their option, compensatory time off or monetary payment, with supervisor approval. In both cases, the hourly rate is multiplied by 1.5 times the number of overtime hours worked. Work performed on Sunday or holidays shall be paid double the regular rate of pay. The District may require employees to work a reasonable amount of overtime. The District will work to accommodate the employees' personal commitments to the extent possible while still reserving the right to assign overtime. If at all possible, the District will give two (2) days prior notification of the need to work overtime. Overtime and/or premium pay shall not be paid twice for the same hours worked. Overtime shall be calculated at an hourly rate.

Overtime worked that is booked as compensatory time off may be accumulated to a maximum of twenty-four (24) hours. Any hours earned after the maximum is reached will be paid as overtime in the next pay period.

Employees who have more than twenty-four (24) hours of compensatory time booked at the end of the 2007-2008 school year will be paid on their last paycheck in June 2008 for all time over twenty-four (24) hours at the overtime rate of one and one-half their hourly rate.

2.3 Employees will be granted a one hour lunch with no loss of pay when there is no full line food service for students or no students present.

ARTICLE 3
HOLIDAYS

3.1 Full-time, 12 month non-probationary employees shall be entitled to the following holidays with no reduction in their regular salary provided the employee works the full scheduled workday immediately preceding and the full scheduled workday immediately following such holiday unless the employee's failure to work on such day is for a reason the District finds to be valid:

1. Labor Day
2. Columbus Day
3. Veteran's Day
4. Thanksgiving Day
5. Friday after Thanksgiving Day
6. Christmas Eve
7. Christmas Day
8. New Year's Eve

10. Presidents Day
11. Good Friday
12. Memorial Day
13. Independence Day
14. Martin Luther King's Birthday
15. Casimir Pulaski's Birthday

The above listed paid holidays will not decrease below the current number fifteen (15) and should one of those listed holidays not be celebrated by the District, the employee shall be given a "floating holiday" in its place. Requests to use "floating holidays" shall not be unreasonably denied.

3.2 Upon completion of the probationary period, holiday pay will be granted retroactive to the original date of employment. Deductions made because of holidays during the probationary period shall be reimbursed to the employee; to the extent they are eligible, in the next pay period following completion of the probationary period.

3.3 Christmas Day and New Year's Day which fall on Saturday will be observed the Friday before; where Christmas Day and New Year's Day fall on a Sunday, they will be observed on the Monday following.

3.4 If any employee is on authorized sick leave when a holiday is observed, that holiday or those holidays shall not be counted as paid sick leave.

3.5 Ten month employees will be granted two (2) paid holidays.

ARTICLE 4

4.2 Twelve (12) month employees and employees who convert to twelve (12) month employment shall be entitled to vacation in accordance with the following schedule:

<u>Years of Continuous Service on June 30</u>	<u>Annual Vacation Available To Be Taken After July 1</u>

Twelve (12) month employees may elect to work up to one-half of their earned vacation and receive regular pay in addition to their vacation pay for the hours worked with the approval of the immediate supervisor.

Continuous service for employees who convert to twelve (12) month employment shall include all years of continuous service prior to the conversion. The working year shall be defined as July 1st through June 30th.

4.3 All vacation requests shall be submitted in writing to the Building Principal or designee or, in the case of the District office employees, the Assistant Superintendent for Human Resources or his/her designee. In all cases, except unforeseen and unavoidable circumstances, eligible employees shall submit their request(s) for paid vacation time off of less than five (5) days during the school term at least five (5) days in advance and employees requesting five (5) days or more paid vacation time off during the school term shall submit their request(s) at least two (2) weeks in advance. Employees who have submitted timely requests shall be informed in a timely fashion whether their request has been granted.

4.4 The District shall schedule vacations so as to cause a minimum of interference with District operation. Consistent with causing a minimum of interference with District operation, employees, where possible, will be given preference as to the time of their vacation on the basis of seniority.

4.5 Employees shall receive their regular straight-time salary as vacation pay in effect at the time the scheduled vacation is taken.

4.6 Upon separation of employment, vacation time earned but not used shall be paid at the employee's regular straight-time rate of pay in effect on the date of termination. Employees shall not earn vacation credit for any period during which they are on layoff or leave of absence without pay or engaged in conduct in violation of Article 22 of this Agreement. Vacation days may not be accumulated, in whole or in part, from one year to the next. Vacation not taken shall be forfeited, unless such failure to take vacation is caused by: a) the District, whereupon said employee shall, at her/his option, be paid any vacation pay due or schedule said vacation at a future date mutually agreed to by the parties or, b) the employee's illness or injury preventing the use of vacation whereupon the vacation days will be converted to sick days.

4.7 If a holiday falls within a vacation period, the District shall have the option of granting the employee an extra days' pay or an extra day of vacation at a time mutually agreed upon, providing the employee works the full scheduled workday immediately preceding and following such vacation period, unless such absence is for a reason the District finds to be valid.

4.8 At the District's discretion, employees may be allowed additional days off with or without a loss of pay.

4.9 Twelve month employees will receive an additional three (3) paid release days during Winter Break and two (2) paid release days during Spring Break. These days are in addition to any paid holidays which occur during Winter and Spring Breaks.

ARTICLE 5
SICK LEAVE

5.1 Non-probationary employees shall be entitled to sick leave in accordance with the following schedule:

Twelve (12) month employees	15 days annually
Ten (10) month & less employees	15 days annually

The year shall be considered July 1 to June 30. Sick leave shall be pro-rated for employees who begin employment after July 1.

5.2 Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness or death in the immediate family or household. In cases of suspected abuse or where otherwise deemed necessary, the Board may require a physician's certificate or if the treatment is by prayer or spiritual means, that of a spiritual advisor or practitioner of such person's faith as a basis for pay during leave after an absence of three (3) work days for personal illness, or as it may deem necessary in other cases. For purposes of this Article, immediate family shall be defined as parents, spouse, brothers, sisters, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians.

New employees shall not be required to use leave of any type to get a routine employment physical examination as required by the District. Such time shall be granted at the employee's regular rate of pay.

Sick leave shall be used in increments of no less than one (1) hour. Unused sick leave shall accumulate as indicated below:

Twelve (12) month employees	261 days
Ten (10) month & less employees	184 days

These days are at full pay, including the leave of the current year.

Prior to August 1 of each year, all twelve (12) month employees shall be given a statement of all accumulated sick leave time. Less than twelve (12) month employees will receive such statement upon return to work. Sick leave shall be used in increments of no less than one (1) hour of the employee's regular work schedule.

5.3 Sick leave is applicable to all regular employees. Sick leave shall not be given during probationary period, however, sick leave benefits will be granted retroactive to the original date of employment and any deductions made because of sickness during the probationary period shall be reimbursed to the employee to the extent they are eligible, in the employee's next pay period.

An employee on an unpaid leave of absence shall neither be eligible for nor accumulate sick leave.

5.4 A sick leave bank plan will be established to provide extended sick leave to employees. The sick leave bank will be subject to the following guidelines:

- A. All employees will participate in the sick leave bank.
- B. The Superintendent or his/her designee will administer the sick leave bank.
- C. Each employee covered by the Agreement shall contribute yearly two irredeemable days to the sick leave bank. The Board shall contribute 200 days yearly to the sick leave bank. If the bank contains 1500 or more days at the beginning of the fiscal year, employees' and Board contributions for the year shall not be made.
- D. No employee will be able to withdraw day(s) from the sick leave bank until her/his own accrued sick leave, vacation, and personal days, and compensatory time have been depleted and a request has been presented for sick leave bank withdrawal accompanied by a doctor's written verification of the employee's illness. Upon approval of the Superintendent, or his/her designee, the grant for sick leave bank withdrawal will be effective as of the date of eligibility as indicated on the request and verification. Recurring absences due to the same illness or disability, indicated by a doctor's written verification, do not have to be consecutive.
- E. Each employee will be eligible to withdraw a maximum of fifty (50) working days in any twelve (12) month period commencing with the date of the first withdrawal. Employees participating in the sick leave bank shall continue to receive insurance benefits and earn vacation.
- F. Any days remaining in the bank at the end of a year will be placed in the next year's bank.
- G. In the event the sick leave bank is depleted of benefits before the end of the year, the bank will cease to furnish benefits for the remainder of that year.
- H. The bank shall be applicable only to employee illness or accident and is not to be used for maternity leave or any other leave of absence. Further, the bank may be used for illness defined as pregnancy-related disability as required by Federal law.
- I. When an employee files an application for disability payments with the Illinois Municipal Retirement Fund, Social Security Administration, Veteran's Administration, or from workers' compensation, such application shall be deemed notice to the Board of relinquishment of all future participation in the sick bank with respect to such illness or disability, effective with the implementation of such payments.
- J. Employees who are disciplined for sick leave abuse by receiving a written reprimand or greater discipline will not be eligible to access the sick leave bank for twelve (12) months from the date of the discipline.

ARTICLE 6
PERSONAL LEAVE

6.1 Employees shall be entitled to personal leave with pay in accordance with the following schedule:

Employees up to 16 hours (2 workdays).

All employees shall receive pro-rated personal leave based upon the number of hours worked during the employee's regularly schedule workday. Personal leave shall be taken in increments of not less than one (1) hour. Up to one (1) unused personal leave day may be carried over into the next school year; however, in no case shall personal leave accumulate to more than three (3) days. All other unused personal leave days shall be added to the individual's sick leave.

6.2 Personal leave may be used for business which cannot be conducted during a time other than working hours according to the following provisions:

- A. Personal leave, in all cases except unforeseen and unavoidable circumstances, requires at least two (2) days advance notice to the Building Principal or his/her designated representative.
- B. Requests for personal leave must be submitted in writing on a preprinted form. Said form must be signed by both the employee and Building Principal or his/her designated representative. Personal leave is to be used for sound, pressing, and unavoidable reasons. The employee requesting such

leave is not required to state the reason for such leave because her/his signature on the request form shall attest that the leave is being requested pursuant to the conditions set forth in this Article.

- C. Except in unforeseen circumstances, personal leave days shall not be requested on days immediately before or after a holiday, vacation or during the first or last week of the school year.
- D. Improper use of personal leave will result in the loss of salary for the day or days in questions and/or other disciplinary action.

ARTICLE 7

OTHER LEAVES OF ABSENCE

7.1 General Leave

Employees who have completed their initial probationary periods may apply in writing for general leaves of absence without pay. If good and sufficient cause is shown, the District may approve such leave of absence for a period of up to forty-five (45) consecutive calendar days in any twelve (12) month period. General leaves of absence may be extended by the District for additional periods of forty-five (45) days provided the employee wishing to have such an extension applies for it in writing and shows good and sufficient cause for the extension.

7.2 Maternity Leave

- A. An employee may, in writing, request a maternity leave of absence for such time as deemed necessary up to one (1) year. Such request should be made to the Personnel Office a minimum of sixty (60) days prior to the requested date for leaving the position, except in cases of emergency.
- B. An employee may continue to work as late into her pregnancy as she is able to perform her required functions and her physician has informed the Personnel Office, in writing, that her physical condition warrants continued duty.
- C. An employee may use her available sick leave for any medical disability due to pregnancy prior to the effective date of the maternity leave.

7.3 On the Job Injury or Illness Leave

When an employee is absent from work because of an injury or illness incurred while in the course of employment, the employee may be entitled to receive worker's compensation benefits. When the employee receives such benefits, the District shall combine her/his accumulated sick leave with worker's compensation payments in order to make up the difference between the worker's compensation payments and her/his regular salary. The employee's sick leave shall be reduced based on actual time used.

If an employee's worker's compensation payments cease, she/he shall utilize accumulated sick leave until such sick time is exhausted, and thereafter, may apply to use the sick leave bank in accordance with Article 5. During this time period, the employee shall continue to be covered by the District's health and life insurance plans, subject to the provisions of the insurance carrier.

All injuries, however slight, must be reported to the employee's supervisor immediately.

7.4 Unpaid Medical Leave

In the event of a non-occupational injury or illness, a non-probationary employee who has utilized all her/his accumulated sick leave days, sick bank days, and other available paid time off, may request, by written application, a medical leave of absence. Such application must be accompanied by a doctor's certificate which shall include the nature of the disability and approximate length of time necessary for leave. In such case the District shall grant a leave of absence up to three months, provided such leave may be renewable for like three-month periods, for a total leave of absence not to exceed one year or a period equal to the employee's seniority with the District, whichever is shorter. All extension requests must be in writing and must be accompanied by a doctor's certificate.

The Board reserves the right to verify an employee's claim of injury or illness by having such employee examined, at its expense, by a doctor chosen by the District. If the opinion of the Board's appointed doctor conflicts with the opinion of the employee's doctor, the employee, if unwilling to return to work, shall seek at her/his cost, an independent third opinion within ten (10) days after the result of the examination by the Board appointed doctor is made known. The independent third opinion shall be from a doctor selected by agreement of the two doctors whose opinions conflict. The opinion of such third doctor shall be final and binding on the employee involved, the Board and the Union.

7.5 Jury Duty /Subpoena Leave

An employee who serves on a jury or is subject to a proper subpoena (except if the employee is a party to non-work related litigation) shall be granted a special leave with pay, provided that the employee deposits his/her jury duty pay (with the exception of expenses for mileage) with the Assistant Superintendent for Human Resources.

7.6 Leaves in General

An employee on an unpaid leave of absence shall not receive nor accrue any benefits. She/he shall retain her/his prior seniority, but shall not accumulate seniority during the period of the leave. However, she/he may continue to participate in the District's insurance programs by paying the full cost of the premiums.

An employee shall continue to accumulate seniority while on an on-the-job injury leave for up to six months. After six months, an employee shall retain, but not accumulate seniority. Said employee shall not accrue vacation or personal leave days during said leave.

An employee who returns from an authorized leave of absence shall return to her/his former position if vacant or temporarily occupied. If the former position has been permanently filled, the employee will be placed in a comparable position if available. If no such position is available, the employees shall be placed on a list for reinstatement. All employees who return from leaves of absence shall, as a condition of their return, have the present ability to perform the required work without further training after a reasonable amount of orientation.

Notwithstanding other leave provisions in this Article and Section, leaves of absence shall be granted consistent with the Family and Medical Leave Act. Sick leave, personal days and vacation days may be used concurrently for certain types of leaves of absence consistent with the Family and Medical Leave Act.

ARTICLE 8

RETIREMENT PAYMENT

8.1 All employees having a minimum of ten (10) consecutive full-time years of service with the District immediately preceding retirement under the Illinois Municipal Retirement Fund Program, will receive a stipend equal to twenty percent (20%) above the employee's base wages for the preceding year including any wage scale increase. The twenty percent (20%) stipend will be spread equally over the last year of service.

8.2 An *Irrevocable Notice of Retirement* must be given between May 1st and July 1st of the year prior to retirement to be eligible for this stipend. The employee's retirement will be effective at the end of a semester or at the end of a school year. Twelve (12) month employees also may choose retirement effective on June 30th.

8.3 Employees who give an Irrevocable Notice of Retirement as stipulated in 8.2 and who have reached the maximum number of accumulated sick days allowed in 5.2 of the contract, will be granted an additional day of sick leave for every day they drop below the maximum allowed accumulation up to a maximum of 15 days for a 12 month employee or 15 days for a 10 month employee. It will be the retiring employee's responsibility to notify the Human Resources Coordinator in the District Office immediately upon return from sick leave usage.

ARTICLE 9
INSURANCE (HEALTH, DENTAL AND LIFE)

9.1 The Board shall provide a comprehensive insurance program of hospitalization, surgical and medical coverage for each employee in accordance with the following:

The Board will pay the following health insurance premium for each successive year of the contract for eligible employees who elect to participate in the group health insurance program of the District:

2008-2009 school year ninety percent (90%) of the single insurance premium and sixty percent (60%) of the dependent insurance premium. Ten (10) month employees will contribute the full premium cost for one month of summer coverage for their elected coverage which will be deducted over a twelve (12) month period.

2009-2010 school year ninety percent (90%) of the single insurance premium and sixty percent (60%) of the dependent insurance premium for both ten and twelve month employees.

2010-2011 school year eighty-nine percent (89%) of the single insurance premium and fifty-nine percent (59%) of the dependent insurance premium for both ten and twelve month employees.

2011-2012 school year eighty-eight percent (88%) of the single insurance premium and fifty-eight percent (58%) of the dependent insurance premium for both ten and twelve month employees.

2011-2012 school year eighty-seven percent (87%) of the single insurance premium and fifty-seven percent (57%) of the dependent insurance premium for both ten and twelve month employees.

For employees beginning work on or after July 1, 1995, working less than four (4) hours per day, the Board shall make no payments.

9.2 Employees shall be entitled to participate in a group life insurance program (\$60,000 face value). The cost of such insurance shall be paid by the Board.

9.3 The Board of Education will pay the single premium for dental coverage for eligible employees who elect coverage.

9.4 The extent of the District's obligation under this Article shall be limited to the payment of the cost of the premiums, where applicable, for the group insurance program, and those covered shall be entitled to benefits only in accordance with and governed by the conditions of the insurance agreements and policies issued thereunder. Neither the Board, nor the Union shall be obligated to pay any insurance benefits directly.

ARTICLE 11
GRIEVANCE PROCEDURE

11.1 Disputes and differences concerning a violation, misinterpretation or misapplication of the specific provisions of this Agreement between the Board on the one hand, and the Union or any of its members on the other hand, shall be exclusively settled in the following manner and there shall be no interruption of operation.

11.2 It is agreed that the time limitations set forth herein must be strictly adhered to, unless said time limitations are extended by mutual agreement of both parties to this Agreement. Failure of the grievant or Union to meet any time limit shall bar any further processing of the grievance. Grievances may be withdrawn at any step of the grievance procedure without establishing precedent. Failure of the Board or administration to act in a timely manner shall permit the grievance to be referred to the succeeding step of the procedure.

The grievance procedure shall be as follows:

STEP 1 The aggrieved employee must first present the grievance to his/her supervisor. The time limit for the filing of a grievance shall be ten (10) working days after the employee could reasonably have had knowledge of the event which gave rise to the grievance. The aggrieved employee's supervisor shall give an answer to the grievance within three (3) working days, except for grievances where more time is needed to fully investigate and/or gather information concerning the grievance.

STEP 2 A. If the matter is not settled at Step 1, the Union may, within five (5) working days following receipt of the answer at Step 1 reduce the grievance to writing and file a written appeal to the Building Principal, or his authorized representative, who shall give a written answer to said appeal within three (3) working days of receipt.

B. Notwithstanding that a grievance shall be pending, employees shall carry out instructions incident to the proper and efficient conduct of the business of the District. The compliance with an order or instruction shall not waive the employee's right to grieve. However, an employee does not have to perform work which is immediately dangerous to the safety or health of the employee. "Immediately dangerous" shall mean performing work which could cause death or serious physical harm to the employee. Where an employee has good and sufficient reason to believe that the work is immediately dangerous, the matter immediately may be taken up with the employee's supervisor and the Union steward or representative. If the District determines that the work is not immediately dangerous, the employee's refusal to perform the work may result in discipline. If the Union disagrees with such a determination by the District, it may file an advanced grievance at Step 3 of the grievance procedure pursuant to this Article.

STEP 3 A. If the grievance is not settled in Step 2, the Union may appeal in writing to the Superintendent within five (5) working days of receipt of the Principal's or his/her authorized representative's decision.

B. A Union grievance may be filed at Step 3 in writing to the Superintendent or his/her designee within ten (10) working days after the Union could reasonably have had knowledge of the event which gave rise to the grievance.

- C. The Superintendent, at his/her option, may call a meeting of all parties concerned to attempt to resolve the grievance.
- D. Within ten (10) working days of receiving the appeal, the Superintendent shall give a written answer.

- STEP 4
- A. If the grievance is not settled in Step 3, the Union may appeal in writing to the Board within ten (10) working days of receipt of the Superintendent's decision.
 - B. The Board will render a written decision no later than twenty (20) calendar days after receiving the appeal. The Board, at its option, may meet with all parties concerned to attempt to resolve the grievance.
 - C. Any settlement at any step shall be binding upon the Board, Union and the aggrieved employee or employees.
 - D. The appropriate Union official and Superintendent may, by mutual agreement, allow certain grievances to be filed at an agreed upon advanced step of the grievance procedure.

STEP 5 If the matter is not settled at Step 4, the Union, but not an individual employee or employees, may submit the dispute to arbitration by serving a written request to arbitrate, setting forth the facts and specific relief requested, within ten (10) calendar days after the answer is given at Step 4 hereof. If the parties are unable to agree on the selection of an arbitrator, the parties shall submit a joint request to the American Arbitration Association for a list of the names of seven (7) arbitrators. Following receipt of such a list, the parties may agree upon the selection of one (1) of the seven (7) names or, in the event of disagreement, the parties will alternatively strike names from the list and the remaining name shall be the arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of arbitrators. The Union shall strike first. All arbitrators shall advise the parties of their fees and expenses prior to selection and will be expected to charge such fees and expenses. The fees and expenses of the arbitrator shall be borne equally between the Union and the District.

Each party shall be responsible for compensating its own representatives and witnesses. The cost of a transcript shall be shared if the necessity of a transcript is mutually agreed upon between the parties. Arbitrators shall select a date for arbitration within thirty (30) days of notice that a grievance is ready for arbitration and submit their decision within thirty (30) days following such hearing. The parties may agree to submit more than one (1) grievance to a selected arbitrator. Both parties shall attempt to enter into a joint stipulation of the facts and issues to be submitted to the arbitrator.

An arbitrable matter must involve the meaning and application or interpretation of a specific provision of this Agreement. The provisions of this Agreement shall be the sole source of any rights which either party may assert in arbitration.

Management rights and prerogatives not specifically and expressly abridged by this Agreement are not subject to arbitration. The arbitrator shall have no power to amend, add to, subtract from, or change the terms of this Agreement, and shall be authorized only to interpret the existing provisions of this Agreement and apply them to the specific facts of the grievance or dispute. The decision of the arbitrator shall be based wholly on the evidence and arguments presented to him by the parties in the presence of each other. No arbitration hearing shall be held unless both parties are present. The decision of the arbitrator shall be final and binding on all parties to the dispute, including the employee or employees involved.

11.3 Union stewards will be permitted a reasonable amount of time without loss of pay during working hours to investigate and process grievances where this does not unreasonably interfere with the operation of the District. The steward shall inform his/her immediate supervisor of her/his request for permission to handle grievances on work time, it being understood that the operation of the District takes precedence unless there is an emergency. Such requests shall not be unreasonably denied.

11.4 The definition of "working days" shall be defined as any day that the District Office is open except that the days during Christmas and spring break shall not be considered working days for the purpose of this Article.

ARTICLE 12 **SENIORITY**

12.1 It is agreed that a new employee shall be considered on probation for a period of the first ninety (90) calendar days of employment, during which time the Board shall have the sole and absolute right to discipline, discharge or retain the employee at its own discretion. After said ninety (90) days, the employee shall be placed on the regular seniority list and his/her seniority shall date from the employee's date of hire. 12.3 A. Where there is an impending layoff with respect to any employee in the bargaining unit, the Board shall notify the Union and employees to be laid off not later than fourteen (14) days prior to such layoff, except in emergencies beyond the control of the Board, in which event, such notice shall be given as soon as reasonably possible. Where there is an impending layoff at the end of the school term or end of the school year, the Board shall notify the Union and employee to be laid off not later than sixty (60) days prior to the end of the school term. The Board shall negotiate with the Union over the impact of said layoff(s). Prior to any layoff, the Union may submit, in writing, for the Board's consideration, alternative suggestions laying off unit employees. In the event the District recalls employees after a layoff, the employees will be recalled in the reverse order of that in which they were laid off, provided the employee recalled has the present ability to immediately perform the available work. Recalled employees shall have their prior seniority restored.

Laid off employees shall be placed on a layoff list for a period not to exceed one (1) year. Employees who fail to return to active employment within said one (1) year or who refuse recall shall lose seniority and other rights in accordance with Article 12.2.

21.2 Liability Insurance

The Board shall provide liability insurance to protect and indemnify all employees in accordance with provisions of Section 10-22.3 of the School Code.

ARTICLE 22 **NO STRIKES—NO LOCKOUT**

22.1 The Union agrees that during the life of this Agreement, there shall be no strikes (including, but not limited to sympathy strikes and strikes to protect union or third party conduct), work stoppages, slowdowns, picketing against or because of any dispute, disagreement or issue involving any District 87 school, the Board or any administrative office of the Board, delays of work or interference with work of any kind, for any purpose whatsoever, whether or not in protest of matters or actions covered by this Agreement.

22.2 The Union agrees that it will use its best efforts to prevent any acts forbidden in this Article and that in the event any such acts take place or are engaged in by any employee or group of employees, the Union further agrees it will use its best efforts to cause an immediate cessation thereof. If the Union immediately takes all necessary steps in good faith to end any stoppages, strikes, picketing, intentional slowdown or suspension of work, including (a) publicly disclaiming such action as not called or sanctioned by the Union, and (b) posting notices in conspicuous places which notify involved employees that the action was not called or sanctioned by the Union, in addition to instructing employees to immediately cease such activity, the Board agrees that it will not bring action against the Union to establish responsibility for such authorized conduct.

22.3 The Board may terminate the employment of or otherwise discipline any employee or employees who have been found to have engaged in any act forbidden in this Article.

22.4 The Board will not lock out bargaining unit employees during the term of this Agreement.

ARTICLE 23 **COMPLETE AGREEMENT**

The parties acknowledge that during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining. The understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement supersedes and cancels

all prior practices and agreements whether written or oral, unless expressly stated to the contrary herein. However, prior to changing any past practice, the Board shall give the Union reasonable advance notice and, upon request, shall meet with the Union to discuss the change. Except as may be stated in this Agreement, each party voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement. Should any part of this Agreement or any provision herein be determined to be contrary to law, all other provisions shall remain in full force and effect. Upon request of either party, the parties shall attempt to renegotiate the invalidated provision(s) or parts thereof, within a reasonable period of time.

ARTICLE 24
TERMINATION

This Agreement shall be effective as of July 1, 2008, and shall remain in full force and effect from said date to June 30, 2013, both inclusive. Thereafter, it shall automatically renew itself from year to year unless at least sixty (60) days and not more than ninety (90) days prior to the termination date or anniversary thereof, either party gives written notice to the other by Certified Mail, return receipt requested, of a desire to amend, add to, subtract from, or terminate this Agreement.

In the event such notice of a desire to amend, add to, or subtract from the terms of this Agreement is given, the parties shall, within a reasonable time thereafter, enter into negotiations concerning the request.

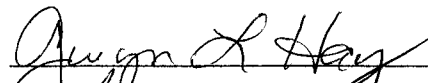

This Agreement is signed this 9th day of June, 2008.
