## **Two more Glenbard East students achieve ACT perfection**

Glenbard East High School appears to be perfection central. Two more Glenbard East students have achieved perfect composite scores on the ACT.

David Luedtke and Michael Foley, both of Lombard, are among only 30 Illinois students who earned the perfect composite scores when taking the college entrance exam as part of the Prairie State Achievement Exam in April, according to ACT.

Justin Quam of Lombard, who will be a senior at Glenbard East in fall, also scored a perfect composite score of 36 on the ACT exam taken in April. Justin took the test on the national test date.

The ACT consists of tests in math, English, science and reading. The composite score is the average of the four test scores.
