## **Community members to join Glenbard committees**

Seven community members will offer their perspective and valuable input when they join committees of the Glenbard Township High School District 87 Board of Education later this month.

On Monday, July 11, the board will make the following appointments to its standing committees: Finance/Facility Committee: Dan Roos and Steve Vondrak; Curriculum Committee: Maria Depa and Marilyn Jones; Policy Committee: Bill Burke; and Legislative/Communication Committee: Joan Ebersole and Lynnda Nelson. The volunteers' terms will expire in April.

Board president David Brown said he appreciates the willingness of these volunteers to share their time and talents with Glenbard.
