School calendar adjusted for emergency days

In the wake of snow days this winter, adjustments have been made to the 2006-07 calendar to account for the mandatory 176 student attendance days. Because of two emergency days, we are currently scheduled for 174 days.

The May final exam schedule will be modified. The new schedule is as follows:

Tuesday, May 29	Regular school day
Wednesday, May 30	Regular school day
Thursday, May 31	1st day of exams
Friday, June 1	2nd day of exams
Monday, June 4	3rd day of exams
Tuesday, June 5	4th day of exams (last day of school)

Graduation will be held as originally planned in each of the four schools.
