Glenbard East financial aid seminar to offer tips, answers

Glenbard East High School parents can learn more about the college financial aid process by attending Glenbard East's financial aid seminar.

The evening will begin at 7 p.m. Wednesday, Jan. 11, in the cafeteria, 1014 S. Main St. in Lombard.

Gary Rold, former Elmhurst College financial aid director and current director of admissions, will provide an overview of financial aid. In his presentation, Rold will discuss the kinds of financial aid available, how to apply for aid, financial need, and major sources of financial aid.

Rold allows plenty of time for parents' questions, and he will stay until the last question is answered.

Further information is available by calling (630) 627-9250.
