## **Glenbard East teens collecting donations for hurricane victims**

Glenbard East High School students are raising funds to help those who lost everything when Hurricane Katrina ravaged the Gulf Coast.

The Glenbard East Student Council is asking students, faculty and staff to open their hearts and wallets and contribute as much as they can to a fund that will be donated to the American Red Cross relief efforts. For the next week, Student Council members will collect money during all lunch periods.

Donations also will be collected at the Friday, Sept. 9, home football game and at open house the evening of Wednesday, Sept. 14. Checks should be made payable to the American Red Cross.

Student Council members hope to contribute more than \$1, 000 to victim relief.
