## **Glenbard District 87's ACT scores exceed state average**

Each of Glenbard Township High School District 87's four schools continues to outpace the state average when it comes to ACT scores, and each school's composite score rose from the previous year.

Glenbard District 87's composite score from the graduating class of 2006 was 22.1, which exceeds the state average of 20.5.

The following are composite scores by school:

Glenbard East 21.0  
Glenbard North 21.3  
Glenbard South 24.1  
Glenbard West 23.2

The ACT consists of tests in English, math, science and reading.

Some key numbers from more than 1.2 million students who took the test:

- The average national composite score was 21.1, up from 20.9 in the past two years.
- First time for ACT writing test results, taken by 36 percent of ACT-tested graduates, average score is 7.7 on a scale of 2 to 12.
- Scores were higher for both males and females and for students across virtually all racial/ethnic groups.
