## **Glenbard South raising money to help hurricane victims**

Glenbard South High School students and staff members once again are showing their dedication to helping others. Students are digging into their pockets to do their part to help the victims of Hurricane Katrina.

The Key Club is conducting a loose change drive this week. Last week, the senior class collected loose change, and at the Sept. 2 home football game, the cheerleading squad sponsored a collection jar.

As donations continue to come in, Glenbard South is considering several reliable organizations to donate to.

Glenbard South students, staff, and sponsors Lisa Helle, Ginny Roney, and Erica Andrews have shown great compassion for those whose lives have been turned upside down by this disaster.
