Glenbard announces Illinois State Scholar finalists

The Illinois Student Assistance Commission has announced the 2006/07 Illinois State Scholars. Hundreds of Glenbard Township High School District 87 students are among the honorees.

The Illinois State Scholar Program recognizes high school students for outstanding academic achievement. About 10 percent of Illinois' top ranking high school seniors are designated State Scholars and receive a certificate of achievement for the accomplishment. Rankings are based on a combination of ACT and/or SAT I test score results and class rank at the end of the sixth semester in high school. While the program does not provide a monetary award, the designation as an Illinois State Scholar can be listed on applications for college admission and scholarships.
