## **Little Raider preschool starts Oct. 12**

Little Raider Preschool at Glenbard South High School is accepting applications for children ages 3 to 5 ½ for preschool.

Children may turn 3 during the session, or may be in afternoon kindergarten and attend the spring Little Raider Preschool session.

High school students prepare new and creative learning activities, with the guidance of an instructor. The four areas of development – social, emotional, physical, and intellectual – are constantly being enhanced in a positive learning environment.

The fall session runs from Oct. 12<sup>th</sup> through Dec. 18<sup>th</sup> (7 weeks). It meets from 9:35 a.m. to 11:20 a.m. Wednesdays, Thursdays, and Fridays in Room 110 of Glenbard South, 23W200 Butterfield Road in Glen Ellyn. The cost is \$110.

This is a rewarding experience for the young children and high school students alike. The teen-agers learn about early childhood education while youngsters learn about science, music, math, and more.

For additional information, contact Jody Hungerford, family and consumer sciences department chairman, at (630) 942-6608.
