Math students hosting tasty fund-raiser

The Glenbard North High School Mathletes, Mu Alpha Theta and math honors students are taking orders for pies from Market Day for scholarship fundraising through Tuesday, April 18.

It is easy to support this great cause by purchasing delicious pies. The only difficulty is deciding among the eight tasty choices.

Contact the math department at (630) 653-7000 Ext. 3233 or Ext. 3766.
