Glenbard District 87 receives meritorious budget award

The Association of School Business Officials International has presented Glenbard Township High School District 87 with a meritorious budget award for excellence in preparing and issuing the 2006-07 annual budget.

The awards review team said, "The discussion of the budget, including the policies, procedures and development, is excellent. It is easy to understand and informative." The team went on to say, "The district is to be congratulated on a great budget document. It is evident the district put a great amount of time and focus into this document."

The meritorious budget awards program was designed by ASBO International and school business management professionals to enable school business administrators to achieve excellence in budget presentation. The program helps school districts build a solid foundation in the skills of developing, analyzing and presenting a budget.

The award only is presented to school systems that meet or exceed the Meritorious Budget Award program criteria.
