Glenbard teachers earn top professional credential

Congratulations to Glenbard South High School music teacher Tom Bowling and Glenbard East High School English teacher Debra Bobinsky on becoming National Board certified teachers. These teachers have received the teaching profession's top recognition by achieving National Board Certification.

Certification is achieved through a performance-based assessment that takes anywhere from one to three years to complete and measures what teachers should know and be able to do. Teachers who complete the process must demonstrate how their activities, both inside and outside of the classroom, improve student achievement.

A complete list of National Board certified teachers is available under the "About us" tab on Glenbard's Web site, www.glenbard.net.
