## **Glenbard North pair wins 1<sup>st</sup> place in national culinary event**

Glenbard North High School students Jenny Henske and Sean Finnen won 1<sup>st</sup> place at the national ProStart Student Invitational competition held April 30 to May 2 in Charlotte, NC.

Henske and Finnen, who are enrolled in the culinary program at the Technology Center of DuPage, also placed 4<sup>th</sup> in the nation in the area of Culinary Management.

The national student invitational attracts top high school students from around the country who are enrolled in the ProStart restaurant and foodservice management program.

Students who participated in the culinary competition prepared a three-course meal in an hour in front of judges from colleges and universities who rated their performance.

Teams participating in the management competition were tested on their communication skills and ability to apply their knowledge of the restaurant and foodservice industry to practical situations. They also competed in a quiz bowl, which is a question and answer "Jeopardy"-style event.
