Three Glenbard East teachers earn top professional recognition

Congratulations to Glenbard East High School teachers Connie Cain, Kevin Cooper, and Chris Pietsch, who have achieved National Board for Professional Teaching Standards Certification.

These teachers have received the teaching profession's top recognition by achieving National Board Certification, an accomplishment that promises to improve student learning.

Certification is achieved through a rigorous, performance-based assessment that typically takes more than a year to complete and measures what teachers should know and be able to do. Teachers were required to demonstrate how their activities, both inside and outside of the classroom, improve student achievement.

Glenbard commends these teachers for their determination, endurance, and commitment.
