Community invited to meet new Glenbard North principal

Glenbard North High School cordially invites the community to meet our new principal, Mr. John Mensik, between 7 and 9 p.m. Tuesday, Aug. 8.

Please join us as we welcome Mr. Mensik to the Glenbard North family. This is a wonderful opportunity for community members to get to know the new principal and hear about his goals and priorities during this informal reception.

The reception will be held in the attendance office foyer near door # 1, 990 N. Kuhn Road in Carol Stream.

Please join us for refreshments and conversation.
