Glenbard North students helping others this holiday season

As the holiday season gets into full swing, Glenbard North High School students are in the giving spirit.

The Glenbard North Skill Olympics annual Christmas sharing food drive is under way. The food drive continues through Friday, Dec. 8. Food collected from this drive will help more than 250 families in the Carol Stream area.

Please drop off nonperishable food items in the school office, 990 N. Kuhn Road in Carol Stream.

Also, Glenbard North's student council is collecting toys for the Humanitarian Service Project. The toy drive begins Friday, Dec. 1, and continues through Thursday, Dec. 14.
