Glenbard West student earns perfect ACT composite score

Another Glenbard District 87 student has aced the ACT.

Glenbard West High School senior Sean McGee received a perfect composite score of 36 on the ACT assessment administered on Sept. 16, the national test date.

The national average ACT composite score for 2006 was 21.1.

This national college admission and placement exam evaluates high school students' general educational development and ability to complete college-level work, according to the ACT.
