Glenbard invites public to Scholarship Committee meeting

Do you have ideas about creating a scholarship fund for Glenbard families? If so, Glenbard officials invite you to attend a meeting at 7:30 p.m. Thursday, May 26, to discuss ideas and an approach to making Glenbard programs affordable to all families.

The meeting will be held in the Glenbard Township High School District 87 administration center, 596 Crescent Blvd. in Glen Ellyn.

Glenbard's Board of Education is forming a Scholarship Committee to explore a variety of options that can make it possible for more students to have an opportunity to participate in Glenbard's numerous programs. The committee will be made up mainly of community members.

In response to public feedback about the availability of co-curricular and athletic programs for next school year, the board has implemented fees for all students. The Scholarship Committee will look into the feasibility of lowering these fees and pursuing additional options.
