Beautiful, fun-filled baskets will benefit scholarship fund

Glenbard West High School is working on a new initiative to raise money for scholarships.

The Glenbard family (the Glenbard Education Association West, building administration team, AFSCME and the Glenbard business community) has created beautiful baskets to be raffled at several upcoming events.

The large baskets, most of which are valued at more than \$100, will be displayed and people can purchase tickets for \$5 each or 5 for \$20. All proceeds will go to the GEAW Scholarship Fund.

The baskets have a wonderful variety of themes: the relaxation basket includes luxurious lotions and a gift certificate to a local water massage salon, and Cubs fans will want to win the fun in the sun basket, which has two tickets to the Cubs' '70s night. Other baskets include a wine tasting gift certificate, Graham's chocolate, and a HealthTrack Sports Wellness one-month gift certificate. There is even a large laundry basket that includes luxury bath towels and everything a college student will need in the dorm.

Glenbard West's honors night, Wednesday, May 10, will kick off the fund-raising extravaganza. The student recognition ceremony will begin at 7:30 p.m. May 10 in the auditorium.
