Glenbard South coming to aid of earthquake victims

Glenbard South High School students and staff, moved by the devastation of the earthquake in Pakistan and India, are collecting money to help earthquake victims.

The collection drive, which continues through Friday, Oct. 28, is sponsored by H2O - Honor to Ourselves. If you would like to donate, please make a check payable to Glenbard South High School and note "earthquake relief" in the memo field. Glenbard South is located at 23W200 Butterfield Road in Glen Ellyn.

Donations will benefit the International Federation of Red Cross and Red Crescent Societies. The federation promotes the humanitarian activities of 181 National Red Cross and Red Crescent Societies.
