Glenbard South open house rescheduled to Sept. 19

Glenbard South High School's open house has been rescheduled to 6:45 p.m. Wednesday, Sept. 19.

School officials are aware that this conflicts with the College of DuPage's college night. Given the fact that the rescheduled open house was added to an already full calendar, there was no other evening that would work. We appreciate families' understanding and flexibility as the reasons for this change were beyond our control.

Open house is being rescheduled after a power outage forced the cancellation of the Sept. 5 event.
