Classes canceled at Glenbard South because of power outage

Classes are canceled at Glenbard South High School Sept. 6, because of a power outage.

Also, in the early hours of Sept. 6 a very small fire broke out on the roof of Glenbard South's maintenance garage. Firefighters responded quickly.

The fire was limited to the maintenance garage roof and *no* instructional space was affected.

Please check this Web site later today for updates, as they become available.
