## **Board adjusts student fees for 2006-07**

The Glenbard District 87 Board of Education has followed through on its commitment to review student fees and adjust appropriately. On May 8, the board approved student fees for the 2006-07 school year, including a reduced registration fee.

The board approved a \$125 registration fee, an optional \$25 activity pass, a \$200 parking fee and \$10 per semester music course fee.

The \$125 registration fee reflects a significant reduction from this year's registration fee. Also, students will have the *option* to purchase an activity pass in 2006-07. The parking fee and music course fee apply to those students who park at school or enroll in a performance music class, respectively.

The board also approved course fees for next year. Some adjustments were made to these fees in order to standardize the fees across all four Glenbard high schools. Course fees will be outlined in your teen-ager's mail-in registration materials.

The athletic fee of \$140 per sport will remain the same during 2006-07.
