Teen stuttering group to meet March 22

The National Stuttering Association's Teens Who Stutter group will meet at 6:30 p.m. Thursday, March 22, at Glenbard North High School, 990 N. Kuhn Road in Carol Stream.

The group is open to teens from across the Chicago metropolitan area. National Stuttering Association officer Paul Bittorf, who stutters, leads the student group.

A concurrent parent session also will be offered, and snacks will be provided.

If you know a teen who stutters, please let him or her know about this event. This group is a great place for teen-agers to find out they are not alone and feel more comfortable with their stuttering.

The group's final meeting of the school year will be held Friday, April 27, at Glenbard North.

For further information, please call Bev Vosicky at (630) 681-3286 or Paul Bittorf at (630) 728-0549 or send an e-mail to beverly_vosicky@glenbard.org.
