Public invited to meet new superintendent, administrators

The community is invited to an open house to meet Glenbard High School District 87's new superintendent, Mike Meissen, and his leadership team: Associate Superintendent for Educational Services Pam Zimmermann, Assistant Superintendent for Business Services Paul O'Malley, and Assistant Superintendent for Human Resources Rod Molek.

The open house will be held from 6 to 8 p.m. Thursday, Aug. 10, at the Lilacia Park pavilion, 150 S. Park Ave. in Lombard. Refreshments will be served.

Please take advantage of this wonderful opportunity to meet Glenbard District 87's new administrators in an informal setting. Dr. Meissen is eager to meet community members and hear residents' thoughts about their school district.
