Three Glenbard bands heading to major music festival

Symphonic bands from Glenbard East, Glenbard South and Glenbard West high schools have been selected to participate in the 2006 Illinois Superstate Festival, to be held Friday and Saturday, May 5 and 6, at the University of Illinois at Urbana-Champaign.

It is highly unusual for three schools from the same district to have their bands advance to Superstate.

Glenbard students will be among outstanding middle, junior and senior high school concert bands from across the state performing in the Krannert Center for the Performing Arts at the University of Illinois at Urbana-Champaign.

University Bands and the School of Music sponsor the Superstate Festival.
