Glenbard Technology Showcase to feature diverse projects

The public is invited to discover how schools integrate technology to engage students in learning by attending the Glenbard Technology Showcase.

This event features 50 innovative student projects from the following schools and school districts: St. Petronille School in Glen Ellyn, Queen Bee District 16, Glen Ellyn District 41, Lombard District 44, Glenbard District 87, Community Consolidated School District 89 and Community Consolidated School District 93.

The showcase will be presented from 5 to 7 p.m. Monday, April 30, at Glenbard North High School, 990 N. Kuhn Road in Carol Stream.

Come see students from kindergarten to 12th grade demonstrate and present a variety of technology projects they use and meet some of their teachers.

Community members are invited to attend and discover the role of new and pioneering technologies in the educational process.

This is a wonderful opportunity to learn about the diverse uses of technology in schools.

Further information is available by calling Linda Resser at (630) 653-7000 Ext. 3705.
