Glenbard Technology Showcase slated for April 18

Check out how schools use technology to prepare students for the workplace of the future by attending the Glenbard Technology Showcase on Tuesday, April 18. Come see students demonstrate a variety of applications they use and meet some of their teachers.

On April 18, students from area schools will demonstrate their use of technology in the classroom. The 2006 Glenbard Technology Showcase will take place from 5 to 7 p.m. at Glenn Westlake Middle School, 1514 S. Main St. in Lombard. Districts presenting include Marquardt School District 15, Queen Bee School District 16, Glen Ellyn School District 41, Lombard Elementary School District 44, Glenbard Township High School District 87, Community Consolidated School District 89, and Community Consolidated School District 93.

Parents and other community members will discover the role of new and innovative technologies in the educational process.

Don't miss this exceptional opportunity to learn about the diverse uses of technology in our schools.
