Cafeteria staff shares giving spirit with school families

Several Glenbard North High School families will have a bountiful Thanksgiving dinner, thanks to the school's cafeteria staff.

Members of the Sodexo staff donated their own money to purchase food for holiday dinners for about 15 Glenbard North families in need. The holiday food donations were delivered on Nov. 19.

The cafeteria staff provided turkeys and all the trimmings for these families. The Sodexo staff's thoughtful actions reflect the generous, family spirit at the school.
