## **Football players will canvass neighborhoods for food drive**

Glenbard West High School football players will go door-to-door on Thursday, Oct. 20, collecting food for the Glen Ellyn Food Pantry.

Players will walk the neighborhoods of Glen Ellyn from 5:30 to 7 p.m. Oct. 20. Donations also may be made to Jeremy Cordell in the dean's office, 670 Crescent Blvd. in Glen Ellyn. Cordell is the head sophomore football coach.

This food drive "blitz" is the culmination of a character curriculum for freshmen and sophomore football players.

Each Monday, the football coaches present a lesson for freshmen and sophomore players. Some of the lessons have focused on responsibility, self-control and loyalty, topics that are important for sports and school, alike. The players discuss a topic such as loyalty and how it relates to their lives.

According to Cordell, the players have responded well to the program.

Any donation of nonperishable food would be greatly appreciated.
