Glenbard West hurricane relief efforts continue

Glenbard West High School students and staff members have raised more than \$3,200 for Hurricane Katrina survivors and are making a long-term commitment to helping those whose lives have been devastated by the tragedy. Proceeds from Glenbard West's ongoing fund-raising efforts will be donated to the American Red Cross.

Student Jeff Eisenger spearheaded a fund-raising effort at two home football games that raised more than \$1,500. Other students assisted Eisenger, as well.

Students raised \$1,700 in the collection drives held in their classrooms.

A portion of the proceeds from homecoming dance tickets will be donated to the relief efforts.

Gulf coast residents who lost everything in the hurricane will be assisted by a creative effort under way with Glenbard West's girls cross country team. The team is collecting shoes to be donated to hurricane survivors. Shoes may be dropped off at the school bookstore through Friday, Sept. 30. The school is located at 670 Crescent Blvd. in Glen Ellyn.

Key Club members showed their commitment to relief efforts by hosting a car wash the weekend of Sept. 17.
