Power outage cancels Glenbard West classes May 10 and 11

Due to a power outage, classes at Glenbard West High School are cancelled for Thursday and Friday, May 10 and 11. The power outage was caused by a transformer fire outside of West.

Just before 3 p.m. May 9 a transformer outside of Glenbard West caught on fire, causing an electrical fire.

All students and staff were evacuated. There were no injuries.

After school activities scheduled for outdoors or inside Biester gymnasium, which is separate from Glenbard West, will continue as scheduled.

Advanced Placement testing for German language, English literature and U.S. history will continue at the administration center, 596 Crescent Blvd. in Glen Ellyn.

Prairie State Achievement Exam makeup testing will be held in the Glen Ellyn Boathouse.

Buses will be provided for students taking the above tests. The regular morning routes will be in effect, and a bus will take students home at noon after the testing.

Bus runs will begin at 1:30 p.m. for students who are part of the athletics/extracurricular program. The activity bus will run its regular routes on Thursday and Friday.

Phone service at Glenbard West is temporarily unavailable. Parents and students are encouraged to check Glenbard West's Web site for further information about events and activities at Glenbard West. The school's Web site is:

The Great America field trip on May 11 will go on as scheduled. Students are responsible for their own transportation to Glenbard West for this trip. Students coming for AP tests and going on the field trip should bring a bag lunch.

The variety show scheduled for May 11 is canceled.

Glenbard East, Glenbard North and Glenbard South high schools are open as usual.
