

# Glenbard Township High School District 87

Administration Center ▲ 596 Crescent Boulevard ▲ Glen Ellyn, Illinois 60137-4297 ▲ Phone: (630) 469-9100 ▲ Fax: (630) 469-9107

## **West classes canceled May 14; see AP testing news below**

Because of a continued power outage, Glenbard West High School classes are canceled for Monday, May 14. School officials anticipate that classes will resume on Tuesday, May 15. If that is not possible, a school cancellation decision would be made Monday evening, May 14, and announced on Glenbard West's web site, [www.glenbard.net/glenbard\\_west](http://www.glenbard.net/glenbard_west), as well as through local radio and TV stations and an automated phone message to families and staff members.

In the wake of a May 9 electrical fire, Glenbard District 87 is working closely with construction crews, as well as restoration and environmental experts, taking every measure to maintain a safe and orderly learning environment.

Teachers and support staff are asked to report to Biester gymnasium at 7:20 a.m. Monday for an organizational meeting.

A large generator that will power the school is expected to go online Monday afternoon or evening.

After school on Friday, May 18, two new transformers will be permanently connected, and power is expected to be restored Saturday night, May 19.

Classrooms, hallways and offices are being thoroughly cleaned and ceiling tiles replaced. Soot that remains on an exterior wall of the school will be cleaned soon. Initial air quality testing indicated no airborne contaminants. Additional air quality monitoring continues. The water supply also was tested and deemed to be good.

The DuPage County Regional Office of Education and Glen Ellyn Fire Company will inspect Glenbard West early Monday morning, May 14, to determine occupancy. Students and staff will return only after authorities deem the building ready for occupancy.

Glenbard West will host a forum at 7 p.m. Monday, May 15, in Biester gymnasium to discuss the above information.

## **IMPORTANT ADVANCED PLACEMENT TESTING INFORMATION:**

All Glenbard West Advanced Placement testing scheduled for May 14 to 17 will be held at the District 87 administration center, 596 Crescent Blvd. in Glen Ellyn. Students

taking the morning tests should report to the administration center at 7:15 a.m. Students taking the afternoon tests should report to the building at 11:30 a.m.

Students and parents with questions regarding AP testing should email Audris Griffith, Assistant Principal for Instruction, at [audris\\_griffith@glenbard.org](mailto:audris_griffith@glenbard.org).
