Update

2017-18
Target

Student Achievement

86%

District-wide students who pass all their 1st Semester classes

84%

We provide students with a rigorous curriculum to prepare them to be college-ready and global work force ready upon graduation.

94%

ACT: 62%
SAT: 59%

Students who earn college-ready score on SAT or ACT

ACT: 70%
SAT: 59%

A score of 1030 on the SAT exam (ACT 20) is considered the threshold for students pursuing college. We want college to be an option for every Glenbard graduate.

75%

39%

Juniors enrolled in Algebra 2 with Trigonometry (or higher math)

75%

A college-ready course sequence that includes Algebra 2 with Trigonometry or a higher level math course. Encouraging students to take rigorous courses will prepare them for college and the global workforce.

80%

42%

Juniors enrolled in Physics (or higher science)

80%

Students who take higher level science courses have more doors open to them after graduation.

80%

39%

Seniors who pass 1 or more AP exams during their four years

44%

Advanced Placement courses challenge students to demonstrate skills needed to enter college or the global workforce. Students who want to attend college need to demonstrate a deep interest and work ethic in a content area.

60%

Student Engagement

67%

Students who participate in athletics or activities

71%

Engaging students beyond the classroom encourages them to stay involved in school and is connected to greater academic success.

80%

Partnership

In Progress

Family and community engagement

In Progress

Parent and community attendance at open house, parent-teacher conferences or Glenbard Parent Series events

100%

Fiscal Stewardship

189 days

Cash on hand each fiscal year (minimum)

185 days

Glenbard exceeds the bar that the Illinois State Board of Education sets for school districts -- 180 days cash on hand. We strive to stay financially stable to provide high quality education to students.
