- All other courses (unweighted):
- A = 5, B = 4, C = 3, D = 2, F = 1

Weighted and unweighted grade point averages are calculated for each student every semester. All courses are included in these averages except for pass/fail and audit courses.

All courses are included in these averages, except for pass/fail and audit courses. For the class of 2018, the highest student GPA after junior year (6th semester) was:
