I. Approval of minutes

The committee approved minutes of the Jan. 21, 2020 meeting of the Communication, Legislation and Partnerships Committee.

II. 2020-21 committee meeting schedule

Committee members reviewed the 2020-21 schedule of meetings.

III. Community Relations Update

Community Relations Coordinator Peg Mannion discussed giving a presentation about our Profile of a Graduate during the National School Public Relations Association's (NSPRA) annual seminar in July. The seminar was conducted virtually and the recording of Mannion's presentation is available to NSPRA members for a year. This empowers school districts nationwide to learn from our Profile of a Graduate experience. Also, our Profile of a Graduate logo earned awards from NSPRA and the Illinois chapter of NSPRA.

Mannion also provided an infographic with data about four communication vehicles: Glenbard News, Twitter, Instagram and press releases.

Mannion also reviewed crisis communication that she has coordinated since the COVID-19 pandemic began.

IV. Illinois Association of School Boards Update

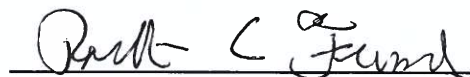

Bob Friend said the IASB DuPage division will have an online panel discussion of stress in November. He also reported that the Joint Annual Conference will be held online, due to the pandemic.

V. Partnership for Educational Progress Update

Bob Friend reported on the following ways the Partnership for Educational Progress (PEP) is supporting students and families:

- PEP awarded 15 scholarships to high school students.
- PEP supported students in need in June 2020.
- PEP awarded grants for early childhood programs.

Respectfully submitted,

Glenbard District 87 Board Member
Communication, Legislation and Partnerships Committee Chair
