When functioning as a teacher, DCs enjoy the full protection of the collective bargaining agreement.

Every teacher covered by this Agreement shall have the right to present grievances in accordance with these procedures.

7.02.02 Discipline/Reprisal Consequences

A teacher who participates in these grievance procedures shall not be subjected to discipline or reprisal because of such participation. In turn, the Administration or immediate Supervisor should not be subjected to reprisal or harassment as a result of a grievance decision or hearing.

7.02.03 Hearing & Conference Scheduling

Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, requested to be present. Hearings and conferences will be held, insofar as possible, after regular school hours or during non-teaching time of personnel involved. When the Administration chooses to hold such hearings and conferences during school hours, all employees whose presence is required, shall be excused, with pay, for that purpose. Investigation or processing of any grievance by the grieving teacher shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program.

7.02.04 Failure to Follow Time Limits

The failure of either party to act within the prescribed time limits shall be interpreted as concession and forfeiture of the case to the opposing party without prejudice.

7.02.05 Grieving Teacher Attendance

The grieving teacher shall be present at every grievance hearing. Illness, other incapacity, or professional absence of either party shall be grounds for any necessary extension of grievance procedure time limits.

7.02.06 Class Grievance/District Administrator Grievance Procedure

Class grievances involving one (1) or more teachers or one (1) or more Supervisors, and grievances involving an Administrator above the Building level may be initially filed by the Glenbard Education Association at Step Three (3).

7.02.10 Grievance Withdrawal

7.02.12 Teacher Rights Under State & Federal Constitution & Laws

Nothing contained herein shall deny to any teacher his/her rights under State or Federal Constitution and Laws.

7.03 **Procedure**

7.03.01 Step One (1)

The parties hereto acknowledge that it is most desirable for a teacher and his/her immediately involved Supervisor to resolve problems through free and informal discussion. Thus, an attempt shall be made to resolve any grievance between grievant and his/her immediate Supervisor of the activity involved. If at any time the grievance is resolved, such resolution shall not be inconsistent with the terms of this Agreement and the Glenbard Education Association will be afforded the opportunity to be present when the resolution is presented.

7.03.02 Step Two (2)

7.03.02.A If a grievance cannot be resolved at the first (1st) step, the teacher may present the grievance in writing to the Supervisor involved who shall arrange a meeting that shall take place with the Building Principal within five (5) days after receipt of the grievance. The grieving teacher and the immediate Supervisor involved shall be present at the meeting. When requested by the teacher, a member of the Glenbard Education Association may represent the teacher to assist in the resolution of the grievance.

7.03.02.B The "Statement of Grievance" shall name the teacher involved, shall state the facts giving rise to the grievance, shall identify by appropriate reference all the provisions of this Agreement alleged to be violated, shall state the contention of the teacher with respect to those provisions, and shall indicate the specific relief requested. Copies of the "Statement of Grievance" shall be forwarded to the Office of the Superintendent and to the Glenbard Education Association President.

7.03.02.C The filing of any grievance must be within thirty (30) days after the grievant had knowledge or should have had knowledge of the asserted violation of the Agreement giving rise to the grievance.

7.03.02.D Within five (5) days after the meeting, the Building Principal shall communicate his/her answer, including reasons, in writing to the grievant. Copies of the answer shall be forwarded to the Office of the Superintendent and to the Glenbard Education Association President.

7.03.03 Step Three (3)

7.03.03.A If the grievance is not resolved to the satisfaction of the aggrieved at the second (2nd) step, the aggrieved may file an appeal to the Superintendent within five (5) days of receipt of the Building Principal's decision.

7.03.03.B Within ten (10) days of receiving the appeal, the Superintendent shall arrange and hold a meeting between those present at the previous step and the Superintendent or his/her designee in an attempt to resolve the grievance.

7.03.03.C Within five (5) days of said meeting, the Superintendent shall file a written decision, including reasons, on the grievance and communicate it to the aggrieved, the Building Principal, and the Glenbard Education Association President.

7.03.04 Step Four (4)

- 7.03.04.A Within the (10) days after the decision of the Superintendent, an appeal of his/her decision may be made to the Board of Education. It shall be in writing and accompanied by a copy of all previous decisions made at Steps One (1), Two (2), and Three (3).
- 7.03.04.B Within fifteen (15) days after receiving the appeal, the Board of Education shall hold a hearing on the grievance at a meeting open to the public at the request of either party.
- 7.03.04.C Within five (5) days of the hearing, the Board of Education shall communicate to the Glenbard Education Association and the aggrieved its decision, in a written statement which shall include reasons for its decision.

7.03.05 Step Five (5)

- 7.03.05.A If the grievance is not settled at Step Four (4), the Glenbard Education Association (but not the teacher) may submit the grievance to binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association (AAA), which shall act as the Administrator of the proceedings, provided there is an Illinois statute obligating the Board of Education to make binding arbitration the terminal step of any grievance procedure. If the request for arbitration is not filed within thirty (30) days of the Board of Education's decision, the grievance shall be deemed withdrawn.
- 7.03.05.B Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitrator and the AAA shall be divided equally between the parties.
- 7.03.05.C If either party requests a transcript of the proceedings, that party shall bear full costs for the transcript. If both parties order a transcript, the cost of the two (2) transcripts shall be divided equally between the parties.
- 7.03.05.D Powers of the Arbitrator: It shall be the function of the arbitrator – and he/she shall be empowered, except as his/her powers are limited by law, after due investigation – to make a recommendation in cases of alleged violations of the specific Articles and Sections of this Agreement.
 - 7.03.05.D.1 Neither the Board of Education nor the Glenbard Education Association shall be permitted to assert any grounds or evidence before the arbitrator which was not previously disclosed to the other party.
 - 7.03.05.D.2 The arbitrator shall have no power to alter or add to the terms of this Agreement. His/her authority shall be strictly limited to deciding only the issue presented to him/her in writing by the Board of Education, the Glenbard Education Association, or the grievant.

8.02.02.A Improving the academic performance of students is continuous job-embedded learning for teachers in a collaborative structure or a Professional Learning Community (PLC). Teachers will participate in PLCs and develop an interdependent culture focused on learning, collaboration and results. These collaborative teams also will use data, professional experience and best practice to ensure the success of all students.

8.02.02.A.1 PLCs will operate under the fundamental assumption that it is critical to maintain a culture of continuous improvement as well as an open and transparent team environment. The Board of Education will ensure that teachers are given an opportunity to collaborate within the traditional school schedule.

8.02.02.A.2 Results rather than intentions drive the work of the PLC. Feedback on the effectiveness of implementation and results are expected by each PLC. The GEA representatives will be designated by the GEA Executive Board.

8.02.02.A.3 PLCs will focus on Four Critical Questions

8.02.02.A.3.a What do students need to know and be able to do?

8.02.02.A.3.b How will we know when they have learned it?

8.02.02.A.3.c What will we do when they haven't learned it?

8.02.02.A.3.d What will we do when they already know it?

8.02.02.A.4 Support and training are important aspects of successful PLCs. The Board is committed to providing these resources.

8.02.03 Resource Period

8.02.03.A The resource period offers opportunities for both students and teachers to create a more complete educational intervention for students with failing grades. The resource period will provide the time for teachers to meet the specific needs of the Glenbard student. It will also provide time for teachers to work on Response to Intervention (Rtl), Professional Learning Communities (PLC), Mastery Manager and other key instructional items. All teachers will be scheduled for two (2) periods of resource duty each week with students.

For periods not occurring during a lunch period: (Currently, periods 1, 2, 3 & 8)

- 8.02.03.A.1 The resource period is primarily a time for students to interact with teachers on an informal basis.
- 8.02.03.A.2 Teachers and department chairs will collaborate to determine specific locations and days for resource period assignments.
- 8.02.03.A.3 Teacher availability and location by period will be provided to all staff in order to keep students informed about resource assignments.
- 8.02.03.A.4 Administration will provide weekly lists of students with failing grades and their study hall assignments for the teaching staff.
- 8.02.03.A.5 Teachers will identify which students will attend resource. The administration will schedule the students into resource in an equitable manner. Failing students will be systematically sent to all available resource rooms in any given period and all resource teachers will share equally the student workload.
- 8.02.03.A.6 Daily attendance will be kept and student progress will be monitored.
- 8.02.03.A.7 The resource period shall not be considered as another preparation for the teacher. Administration will assign students to the resource room. Teachers will work with three (3) students. A teacher may voluntarily agree to assist additional students. The Principal will initiate such requests through the GEA Building Chair.

For periods concurrent with Lunch periods the following system will be in place: (Currently, periods 4, 5, 6, & 7)

- 8.02.03.A.8 The resource period is primarily a time for students to interact with teachers on an informal basis.
- 8.02.03.A.9 The administration will determine specific locations that will create "Resource Centers" that meet the needs and limitations of each individual building. Teachers and Department Chairs will collaborate to determine the days for resource period assignments. A primary consideration will be to ensure student needs are met equitably.
- 8.02.03.A.10 Teacher availability and location by period will be provided to all staff in order to keep students informed about resource assignments during the lunch periods.
- 8.02.03.A.11 During Lunch periods the administration will not assign failing students to any given resource center or teacher. All students in both Lunch and Study Hall will have equal access to resource rooms and teachers. If demand exceeds space and/or staff availability according to the GEA building chair and the building administration, they will limit admission to resource areas. Therefore, there is no strict limit of 3 students per teacher during lunch resource, but admission to a resource area may be limited when necessary. If the GEA building chair and the building

administration cannot reach agreement on this issue, it will be forwarded to the GEA President and Assistant Superintendent for Human Resources, or designee(s), for resolution.

8.02.03.12 Daily attendance will be kept and the student progress will be monitored. The administration will work with the GEA to develop an attendance system that also incorporates the ability for students to develop self-agency and schedule appointments. There shall be no required pre-approval of an appointment.

8.02.03.A.13 Students in Study Halls who are failing and do not take advantage of the Resource Center of their own volition may be assigned to an alternative intervention during the lunch period as long as that intervention is not staffed by teachers as part of their Resource assignment.

8.02.03.A.14 The lunch resource period shall be not considered another preparation for the teacher.

Appropriate activities for the student contact resource periods (direct student involvement) include:

8.02.03.A.15 Student make-up work

8.02.03.A.16 Tutorial work

8.02.03.A.17 Student – teacher conferences

8.02.03.A.18 Extra lab work.

8.02.03.B A Resource Committee comprised of administrative and GEA representatives will monitor the resource program regularly. Evaluation, guidance and support for the program will occur through consultation and collaboration with the GEA and administration. Changes may be considered only when recommended by the Resource Committee and approved by the Board of Education and the GEA, except as may be required by law.

8.03 Work Schedule & Teaching Assignment

8.03.01 Daily Full-Time Teaching Assignment

The daily full-time teaching assignment in a Glenbard Township High School District #87 high school will be a maximum of five (5) student teaching periods/two hundred forty-one (241) minutes and a minimum of one (1) preparation period and one (1) resource period. The preparation period and resource period each shall be no less than a full class period in length. No teacher shall be assigned to teach more than three (3) consecutive classes or be assigned a split preparation period for two (2) consecutive years without consultation with, and approval of, the teacher involved for the second (2nd) year. A teacher who is assigned to two (2) attendance centers shall be provided adequate daily travel time other than his/her preparation period. Any allegation that there has not been provided adequate travel time to any said teacher shall be resolved by the Superintendent or his designee.

8.03.02 2013/2014 School Day

Beginning in the 2013/2014 school year and forward; the school day schedule will add twenty-three (23) minutes to each lunch period. The schedule will consist of seven (7)

forty-eight (48) minute periods and one (1) forty nine (49) minute period. The schedule is in Appendix H.

8.03.02.A Teacher school day will start ten (10) minutes before the first (1st) period and end five (5) minutes after the last period.

8.03.02.B An intervention for students with failing grades will be scheduled during each lunch period. Support staff will supervise the intervention.

8.03.03 Energy Emergency Days

If the State Superintendent of Education mandates an energy emergency as set forth in the Illinois School Code, teachers will not be required to make up classroom contact time, preparation time, resource period or daily one-half (½) period assignment time lost due to abbreviated schedules used during the emergency period, except to the extent the daily schedules have been lengthened as a result thereof.

8.03.04 Lunch Period

All teachers whose duties require attendance at a school for four (4) or more clock hours shall be entitled to a duty-free lunch period not less than thirty (30) minutes in length. Beginning in the 2013/2014 school year and forward; the duty-free lunch period will increase to forty-eight (48) minutes in length.

8.03.05 Principal Determined Daily Assignments

The Board of Education and the Glenbard Education Association agree that teachers will assume the responsibility for a one-half (½) period daily assignment as determined by the Building Principal. This assignment may include, but not be limited to, the following: supervision; preparation; student conferences; club sponsorship; participation on curriculum, personnel, in-service, or other professional studies committees necessary to the educational program of Glenbard Township High School District #87. This assignment may not include supervision of the cafeteria during student lunch periods. On a voluntary basis, instead of being assigned a Supervisory post during the twenty five (25) minute time before or after school, at the request of the tenured teacher and upon the approval of the Building Principal, a tenured teacher could have a twenty five (25) minute assignment during his/her Resource Period. The Building Principal will determine appropriate Resource Period assignment needs.

8.03.06 Course Preparations

No teacher shall be required to take more than three (3) different preparations per semester without notification and consultation with the teacher before the previous semester ends. If a teacher is assigned more than three (3) preparations, upon request, the teacher may be assigned as a resource teacher for that teacher's one-half (½) period daily Supervisory assignment.

8.03.07 Extra Teaching Assignments

If a teacher shall teach more than the normal teaching assignment, the teacher shall receive additional compensation as follows:

8.03.07.A One (1) additional class for a semester; ten percent (10%) of the teacher's base salary.

8.03.07.B One (1) additional class for a school term; twenty percent (20%) of the teacher's base salary.

8.03.08 Teacher Availability to Students

All teachers shall be available to the students ten (10) minutes prior to and five (5) minutes subsequent to the teacher's class schedule.

8.03.09 Extracurricular Duty Assignments

The Glenbard Education Association and the Board of Education agree that the assignments beyond regular classroom duties and departmental service are essential to the successful operation of a total school program. Individuals will be sought for these extracurricular duties. If there is no volunteer for any one (1) of these necessary duties, teachers on a rotating basis will be appointed by the Building Principal or his/her designee to fill the position.

8.03.10 Preparation Period

During the preparation period, a teacher will have no other assignment except in an emergency situation. It is recognized that the preparation period is a scheduled part of the teacher's work day and the teacher is expected to be in his/her respective Building. If the teacher must leave the Building during his/her preparation and/or lunch period, he/she must notify the Building switchboard operator.

8.03.11 Class Size Limits

The Board of Education agrees to observe reasonable class size limits subject to space availability, budgetary limitations, and availability of teachers or necessary funds. Classes of the same subject in a given Building during the same period should be of substantially the same size. All decisions on class size will be made in the best interests of pupils, teachers, and community-at-large.

8.03.11.A The Guidelines, Department Class Size, February, 1989, as adopted by the Board of Education will not be changed in any way which affects the work load of teachers without prior consultation with the Glenbard Education Association. Effective October 1st, and February 15th, of any year, any teacher may request in writing relief from his or her Building Principal, if on either of those dates, or thereafter until the end of the semester, the Superintendent had determined that:

8.03.11.A.1 It was necessary to exceed said Guidelines, and

8.03.11.A.2 As a result thereof, the teacher affected has had a substantial increase in student load, and

8.03.11.A.3 The teacher affected has not been afforded relief from said increase.

8.03.11.B The Building Principal, in consultation with the Superintendent, shall attempt to afford relief to said teacher within the Board of Education's then current ability to do so, such as by providing the assistance of a special education aide; relief from Supervisory duties; creation of additional possible relief in the event the above relief does not resolve the teacher's request.

8.03.11.C In addition, the Board of Education shall create up to thirty two (32) additional semester sections per year to be available as additional possible relief. These sections may be used to provide relief in classes where student load is at the maximum in available sections or in instances where an unavoidable imbalance has resulted in excessive teacher load.

8.03.11.C.1 The teacher shall present his/her showing of need for an additional section to the Building Principal. If the Building Principal denies said request, his/her decision may be appealed within five (5) school days to the Superintendent or designee for his/her final decision. The Superintendent

will issue a decision within ten (10) school days of the appeal.

8.03.11.C.2 However, the final decisions in connection with the interpretation of this Section shall be within the discretion of the Board of Education and claimed violations of this Section shall be subject only to the first four (4) steps of Article 7, Grievance Procedure.

8.03.11.C.3 The Superintendent shall notify the Glenbard Education Association of the creation of any relief section granted and shall provide the reasons for doing so. He/she shall also report to the Glenbard Education Association any denials of such relief and shall provide the reasons for doing so.

8.03.12 Teacher Assignment Notification

Each teacher will be able to review in the student management database his/her first (1st) semester class assignments prior to the last day of school. In general, the class and extracurricular assignments of any teacher in Glenbard Township High School District #87 will not be altered after the last day of school in June, except in the case of emergencies caused by resignation, illness, death, or course enrollment fluctuations. In such cases when it becomes necessary to change these assignments, the Building Principal and/or Department Chair will consult with any teacher involved. If this contact is not possible, the teacher will be notified by certified mail, using the teacher's summer mailing address. Notifications will also be sent to the Building Glenbard Education Association President.

8.03.13 Teacher's Preparation Period

A teacher's preparation period is considered to be a part of the normal school workday, and as such, a teacher should be able to devote this time to lesson preparation, professional conferences and other functions leading to more effective teaching. Therefore, no regularly assigned teacher shall be used as a substitute teacher unless it is a scheduled part of the total teaching hours, except when a failure of a substitute to arrive on schedule or the inability of the Administration to secure a substitute occurs. In such cases when a regular teacher has been assigned to substitute during a preparation period, the teacher shall be compensated as specified in Appendix A. Each teacher will substitute during his/her preparation period on the first two (2) occasions requested without compensation.

8.03.14 Evening Meetings

8.03.14.A Each Building will have a Parents' Open House evening meeting during the first (1st) semester of the school year.

8.03.14.B When all teachers in a particular Building are required to return to the Building for an evening meeting, release time will be granted. The Building Administration, with input from the teachers, will choose a method for teacher release time from the following options:

8.03.14.B.1 Option One (1) - There will be an early dismissal of students after five (5) instructional clock hours and release time will be granted on the same day as the evening meeting.

8.03.14.B.2 Option Two (2) - On another day during the same week as the evening meeting, there will be an early dismissal of

students after five (5) instructional clock hours and release time will be granted. There will not be an early dismissal of students or release time granted on the day of the evening meeting.

8.03.14.B.3 Option Three (3) - A late arrival day for students and teachers will be scheduled for the day after the evening meeting. There will not be an early dismissal of students or release time granted on the day of the evening meeting. There will be five (5) clock hours of instruction on the day of the late arrival.

8.03.14.C No teacher shall be required to attend an evening meeting called by the Administration on any day preceding a school holiday or school recess.

8.03.15 Driver Education Instruction

Teachers who are assigned by the Building Principal for instruction in driver education beyond the normal working hours for teachers shall be compensated as specified in Appendix A.

8.04 Suspension

No teacher shall be suspended without just cause.

8.05 Supervision

8.05.01 Student Teachers

8.05.01.A No teacher will be required to accept the responsibility of supervising student teachers; it is believed that professionally interested teachers will volunteer to do so from time to time.

8.05.01.B No more than one (1) full-time student teacher or two (2) part-time student teachers will be the responsibility of any teacher in one (1) school year.

8.05.01.C Applications for the supervision and training of student teachers will be accepted if, in the judgment of the Superintendent, such supervision and training will not be detrimental to Glenbard Township High School District #87's educational program. Glenbard Township High School District #87 will accept qualified student teachers without regard to race, color, creed, national origin, or sex.

8.05.01.D Any payments or tuition waivers accruing for the services of the supervising teacher shall be paid or assigned to that teacher.

8.05.02 Part-Time Teachers

8.05.02.A Part-time teachers will be hired as needed with the approval of the Board of Education. Recommendations for this employment will only be made when it is deemed to be in the best interest, educationally, for Glenbard Township High School District #87.

8.05.02.B Group insurance programs and other economic fringe benefits shall apply only to teachers who are employed no less than a fifty five percent (55%) multiplier for part-time employees. If a teacher drops below the fifty five percent (55%) multiplier for the second (2nd) semester, group insurance programs and economic fringe benefits shall continue to apply during the second (2nd) semester.

8.05.02.C The following schedule will be used to determine salary multiplier.

8.05.02.E The parties agree that by amending Section 8.05.02, there is no intent by the Board of Education to give tenure to part-time teachers and no admission by the Glenbard Education Association that the Board of Education may refuse to give tenure to part-time teachers

8.05.02.F All part-time staff must report a minimum of fifteen (15) minutes prior to their first instructional period and be available fifteen (15) minutes after their last instructional period.

8.05.03 Summer School Employment

8.05.03.A Summer school employment is recognized as separate and independent from the one hundred and eighty five (185) day regular school term.

8.05.03.B Priority for employment shall be given to Glenbard Township High School District #87 teachers when the applicants have equal qualifications and ability in the judgment of the Administration. Qualifications shall be based upon educational training and teaching experience in the subject area. Teacher selection for summer school courses shall be made by the Superintendent based upon the recommendations of the Department Chair after consultation with department members.

8.05.03.C Interested District 87 teachers must submit their applications for Summer School by May 1st at 4:00 p.m. Glenbard teachers will be considered first to fill any summer school teacher vacancy. 8.06 Retirement Plans

8.06.01 Early Retirement Plan

- 8.06.01.A Prior to reaching age sixty (60), teachers may elect to participate in the Early Retirement Plan. The Board of Education may limit the number of teachers retiring under the Teachers' Retirement System's Early Retirement Option to 10% of ERO eligible teachers. If there are more than 10% of ERO eligible teachers who wish to retire under the ERO, the opportunity to retire will be awarded to teachers with the greatest total continuous years of service in Glenbard Township High School District #87. For the purposes of determining ERO eligibility, sabbatical leaves and medical leaves shall be counted in determining years of employment but other leaves shall not be counted. To be eligible, an individual must have completed at least ten (10) consecutive years of teaching full-time or part-time in District #87 immediately preceding his/her retirement under the provisions of the Illinois Teachers' Retirement Act, the Teachers' Retirement System and this section.
- 8.06.01.B There may be instances where teachers under the age of 60 have sufficient years of service credit in TRS to retire without an ERO penalty. In these instances and, conditioned upon there being no Board penalty of any kind, the Board agrees to allow these teachers the retirement benefits of the Professional Agreement. Further, the Board agrees not to count these teachers as part of the 10% limitation.
- 8.06.01.C Should this Early Retirement Plan be terminated, individuals already on the Early Retirement Plan and those who, during the year, have been approved for the Plan will be allowed to continue despite the termination of the Plan with respect to all other individuals.
- 8.06.01.D Should the requirements for retirement as established by the Illinois Legislature and/or Board of the Illinois Teachers' Retirement System change to allow for full retirement benefits without discount as early as age fifty-five (55), Section 8.06 of the Agreement shall be deleted.

- 8.06.01.E If a teacher retires under the state's ERO program, he/she will have options based on whether a penalty incurs. If no penalty incurs, the teacher may participate in the District's group insurance programs as delineated in 8.06.02. If a teacher retires under the state's ERO program and a penalty incurs, the teachers may, at his/her option receive the 6% severance increases as described in 8.06.03.A.1 or participate in the District's group insurance programs as delineated in 8.06.02.
- 8.06.01.F Calculation of part-time teaching used toward the ten (10) year eligibility will be as follows:
- 8.06.01.F.1 Only time served on a teaching contract initially approved by the School Board of Education on or before the first (1st) day of teacher attendance for that school year. Substitute or non-contractual teaching will not be counted.
- 8.06.01.F.2 All part-time, full-year teaching that is substantiated by a contract in the School District's files counted as one-third (1/3) of an equivalent year.
- 8.06.01.F.3 Part-year teaching whether on a full-time or part-time schedule will not be counted towards the ten (10) consecutive eligibility years. Starting to teach after the first (1st) teacher attendance day of the school year or failing to teach through the last attendance day of the school year is part-year teaching.
- 8.06.01.G July 1st through June 30th shall be considered to be the Early Retirement Plan year.
- 8.06.01.H Individuals desiring to participate in the Plan shall complete the Irrevocable Notice of Retirement Application which must be completed in the Human Resources Office between April 1st and June 1st with appropriate notice. Those applicants who were approved for early retirement shall be bound by their decision to participate in the Plan. All retirements end at the completion of a semester or at the completion of the school year.
- 8.06.01.I Individuals desiring to retire at the end of first (1st) semester during their final year of employment, under the Early Retirement Plan, shall have completed the Irrevocable Notice of Retirement Application between April 1st and June 1st. Individuals who retire at the end of the first (1st) semester are required to give 1 1/2, 2 1/2 or 3 1/2 years of notice as appropriate.

8.06.02 Retiree Insurance

Teachers who submit their Irrevocable Notice of Retirement shall not have the option of continuing coverage on the District 87 group insurance programs. They will only have the option of participating in the State of Illinois Teachers' Retirement Insurance Program (TRIP)/Teachers' Choice Health Plan (THCP) instead of participating in the Glenbard Township High School District #87 Group Insurance Program. For retirees who elect to participate in TRIP/TCHP Insurance the Board of Education shall pay the full cost of the TRIP/TCHP Insurance program for the retired teacher and half of the cost of the same program for the eligible dependents of the retired teacher until the individual becomes eligible for Medicare.

8.06.02.A If the State of Illinois TRIP/TCHP program ceases to exist and no comparable plan replaces it, retirees will go back to the district insurance plan.

8.06.03 Regular Retirement Plan

8.06.03.A To be eligible, an individual must have completed at least ten (10) consecutive years of teaching full-time or part-time in Glenbard Township High School District #87 immediately preceding his/her retirement under the provisions of the Illinois Teachers' Retirement Act, the Teachers' Retirement System and this section. The individual must also have 35 years in Teachers' Retirement System or be 60 years old within six months of the last day of school so that there is no retirement penalty for the Board.

8.06.03.A.1 Retirement Benefit: An eligible teacher who submits a timely letter of resignation will be paid a salary increase in each of his/her last year(s) of service equal to but never to exceed six percent (6%) of the amount otherwise due and owing to the teacher above the previous year's TRS creditable earnings (defined as all compensation paid to the teacher, including payment of extracurricular activities, stipends and retirement benefits), inclusive of step and lane movement, for a maximum of four (4) years prior to retirement, as the case may be. To be eligible for continued payment for extracurricular activities or stipends during this period, the teacher must continue to work such activity or stipend.

8.06.03.A.2 Limitations on Participation: The District will not, under any circumstances, be responsible for any employee penalties or costs associated with retirement benefits granted under this Agreement. The parties agree that if legislation is enacted or administrative rules adopted during the life of this agreement that adversely affects the Board's obligations or employee rights under any of the benefits set forth in this Article, then the provisions relating to such benefits are null and void, and the parties agree to meet within thirty days of the passage of the legislation to renegotiate the provision and the impact on any and all employees. The parties further agree that if legislation is enacted or administrative rules adopted during the life of this agreement to amend Section 16-158(f) of the Illinois Pension Code [40 ILCS 5/16-158(f)] (i.e., "6% penalty" provision), the parties agree to meet within thirty (30) days of the passage of the legislation to negotiate the impact of such legislation.

8.06.03.A.3 Calculation of part-time teaching used toward the ten (10) year eligibility will be as follows:

8.06.03.A.3.a Only time served on a teaching contract initially approved by the School Board of Education on or before the first (1st) day of teacher attendance for that school year.

Substitute and/or non-contractual teaching will not be counted.

8.06.03.A.4 The Regular Retirement Plan shall be available to an eligible teacher upon completion of the Irrevocable Notice of Retirement which must be completed in the Human Resources Office between April 1st and June 1st at least one year prior to retirement.

8.06.03.B Upon the death of the individual during the Agreement year, the unpaid portion of the Agreement shall be due and payable to the individual's designated beneficiary.

8.07 Activities

8.07.01 Professional Growth

Teachers are expected to follow a plan, formal or informal, for professional growth. This may be accomplished through additional formal training, travel experience relating to their teaching field, volunteer service or work related to their teaching field, or other activities which improve their job effectiveness.

8.07.02 Tutoring

8.07.02.A No teacher may tutor, for compensation, a student enrolled in his/her classes. (The only exception would be when a teacher assumes, at the request of the Building Principal or his/her assistant, the instruction of a student on homebound teaching.)

8.07.02.B No tutoring for which a teacher receives a fee will be conducted in a Glenbard Township High School District #87 school Building.

- 8.08.01.B Teachers with a Bachelor's Degree who join the staff of Glenbard High School for the first time beginning 1966-1967 contract year and any year thereafter may not advance on the salary schedule beyond the sixth (6th) step of the B.A. degree column or the seventh (7th) step of the B.A.+15 column.
- 8.08.01.C When a teacher, as described above, has been frozen at a particular step on the salary schedule and earns sufficient graduate credit hours to advance to the next salary lane, the teacher will recover the year(s) experience that he/she was held back on the salary schedule, but he/she may not recover the money withheld.
- 8.08.01.D In the event the Board of Education experiences a scarcity of candidates for certain teaching positions, it reserves the right to pay a salary above the basic schedule. The schedule is a minimum salary Agreement with teachers. The Glenbard Education Association shall be informed of each instance where a teacher is paid above the basic schedule.

Clerical assistance may be provided during this time, at the discretion of the Building Principal. If clerical time is provided, the Nurse's hours shall be reduced by the number of clerical hours used.
- 8.08.02.D Each Building's bank of hours will be determined by dividing the number of incoming students by one hundred (100). The quotient will then be multiplied by eight (8) hours (100 students=8 hours).
- 8.08.02.E Nurses will be compensated for their summer work at the current summer curriculum rate of pay, (\$30.00 per hour).

8.08.03 Extended Contracts

- 8.08.03.A Each Building will have a bank of days which shall be used for extended contracts for Counselors, Head Librarians, and Department Chairs.
- 8.08.03.B The total number of days in each Building's bank will be determined by multiplying the number of full-time equivalent Counselors in each Building by five (5), plus ten (10) for each Head Librarian, and two (2) days for each Department Chair. The Building Principal and Guidance

Department Chair will jointly determine extended contract allotment for Counselors based upon need and priority.

8.08.03.C Each teacher may be called upon to work up to five (5) extra days each year for special projects. Teachers will be called in appropriate departmental groups or subgroups only. Prior notification will be given (January 20th notification for both June and August extended days). The first two (2) days will be paid at the base salary per diem rate. 8.08.04.B The Building Principal shall assign release periods based on this formula.

8.08.04.C Each Assistant Athletic Director shall be guaranteed a minimum of one (1) release period. The actual assignment of the release periods shall be determined by the Building Principal after collaboration with the Assistant Principal for Athletics and Assistant Athletic Director.

8.08.04.D Department Chairs and Assistant Athletic Directors shall not be assigned a one-half period daily assignment.

8.08.04.E An increment will be paid a Department Chair based upon the number of full-time equivalent teachers in the department in line with the following schedule:

2022-2023 Salary Schedule (funded from the 2021 Levy)

The 2022-2023 salary schedule base will be increased by 85% of the CPI for the 2020 calendar year that is used for the Tax Cap Act purposes and become the 2022-2023 salary schedule. The 2020 CPI is TBD. The factor on the base will be TBD.

Provided however, if the State enacts a property tax freeze that negatively impacts the 2021 levy for the 2022-2023 school year, there will be no increase in the base for the 2022-2023 salary schedule. Available step movement and lane changes will take place.

If, along with a property tax freeze, the State provides additional money to mitigate the loss of property tax revenue, the base will increase by the proportionate percentage of dollars provided in mitigation. "Additional money" shall include any public dollars from the State, including Federal dollars sent to the State, for which supplantive allocation to teachers' salaries is not prohibited. The phrase "for which supplantive allocation to teachers' salaries is not prohibited" means that the District will not be forced to apply monies to all teachers' salaries if the application of said monies would cause the District to lose them.

Example: CPI is 2%, a property tax freeze reduces revenue by \$2,300,000 and the State provides \$460,000 in additional General State Aide in mitigation. The \$460,000 increase is 20% of the lost \$2,300,000. The base increase would be 20% of the 2% CPI = 0.4%. The base would increase 0.4%.

The 2022-2023 Salary Schedule Matrix will be published by May 1, 2022.

2023-2024 Salary Schedule (funded from the 2022 Levy)

The 2022-2024 salary schedule base will be increased by 85% of the CPI for the 2021 calendar year that is used for the Tax Cap Act purposes and become the 2023-2024 salary schedule. The 2022 CPI is TBD. The factor on the base will be TBD.

MEMORANDUM OF UNDERSTANDING
Between
BOARD OF EDUCATION OF GLENBARD TOWNSHIP
HIGH SCHOOL DISTRICT 87
And
GLENBARD EDUCATION ASSOCIATION

The Board of Education and the Glenbard Education Association (GEA) realize there may be times when it is beneficial to allow members of a department, including multiple members, to work in a part-time capacity. This arrangement will be allowed under the following conditions:

1. Teachers may only be assigned an FTE values that exists in section 8.05.02.C of the collective bargaining agreement.
2. Individuals desiring consideration for part-time employment must make application, in writing, on forms provided by Glenbard Township High School District #87 by February 1 of the year prior to the requested part-time year.
3. If an offer of part-time employment is extended to several teachers in the same department, the teachers have three workdays to accept the offer, return to full-time, or take a leave of absence. If any of the teachers choose to return to full-time employment, the remaining teachers' offers may be rescinded and a new offer may be extended to them. If the assignment is no longer feasible, the teachers will have three days to decide whether to return to full-time status or take a leave of absence.
4. If the assignment exists in special education, the teachers involved must be assigned a resource period and a caseload commensurate with department parameters. The FTE for these resource periods will not have a negative impact on the existing FTE allocation.
5. The assignment must be voluntary for each of the teachers involved.
6. Part-time assignments are not guaranteed from year to year. There is no expectation or promise of renewal on an annual basis.
7. This arrangement may be canceled on the annual day of the draft by either party.

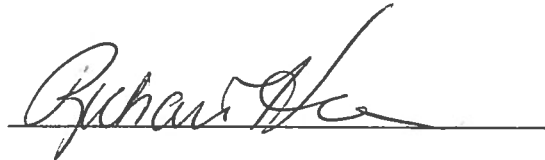

Agreed to this 12 day of February, 2018.

MEMORANDUM OF UNDERSTANDING
Between
BOARD OF EDUCATION OF GLENBARD TOWNSHIP
HIGH SCHOOL DISTRICT 87
And
GLENBARD EDUCATION ASSOCIATION

The Board of Education (Board) and Glenbard Education Association (GEA) recognize that we must collaborate in order to foster an optimal learning environment for our students during the COVID-19 pandemic. The parties have agreed to the following working conditions adjustments that will be effective until we enter Phase Five of the Restore Illinois Plan or until both parties agree to revert to the working conditions outlined in the 2020-2024 Collective Bargaining Agreement (CBA) between the two parties.

The Board and GEA agree to the following items:

1. Initiation of Negotiations. If the State of Illinois alters operational requirements for Illinois public schools, either of the parties may initiate negotiations on the impact of the new requirements.
2. Fully-Remote Learning Instructional Expectations. Educators will be accessible to students throughout the workday for whole-class instruction, small-group work, and one-on-one instruction.
 - A. During remote learning, educators may work on-site or from an alternative location. Educators working off-site will strive to create a professional, distraction-free environment during live instruction. However, brief, unexpected interruptions may not be completely avoidable and will not serve as a basis for discipline. Should repeated interruptions occur which make the delivery of instruction untenable, the district may require a member to work on-site.
 - B. During hybrid instruction, educators may be asked to work with the students who are in-person and live stream to students who are working remotely. The parties recognize that managing and instructing these two groups of students is a challenging task and expect educators to make a reasonable effort to do so.
 - C. Recording of live streaming during classes is prohibited.
 - D. All contractual planning time and duty-free lunch time will continue to be provided.
 - E. All staff members will have a duty-free lunch moved after the instructional day ends until 1:30pm on the block days of the week.
 - F. Resource period may look different in remote than in hybrid, and in hybrid than when we return to full in-person instruction. The GEA and administration will develop a committee to examine how to effectively meet the needs of students in our resource program.
 - G. Members may be asked to assist with supervision and subbing during their scheduled lunch period while students are present. Members will be paid the internal sub rate. Each building will form a committee of three administrators and three GEA members to monitor this.
3. Safety Procedures. The parties will work to keep worksites as safe as possible.

- A. Anyone who plans to enter one of our campuses must complete a COVID-19 self-screening assessment prior to receiving entry whether or not they are represented by the GEA.
- B. In addition, entrants will be subject to a temperature check performed by thermal camera or school personnel.
- C. Anyone who enters the school must wear a mask for the entirety of their visit unless that person is alone in a room with a closed door.

4. Accommodations

- A. Employees who are requesting an accommodation because of a health condition or are requesting special arrangements because of the health of a family member must submit the request to the human resources office in a timely manner for review. If an accommodation to teach remotely is approved, the teacher will be expected to provide daily instruction to students and all other essential duties. The district will provide an in-person supervisor who will be responsible for maintaining classroom management but will not be expected to provide instruction.

5. Illnesses

The following is the federal guidance of the Families First Coronavirus Response Act (FFCRA) and expanded Family and Medical Leave Act (FMLA).

Categories

- I. Subject to a federal, state or local quarantine/isolation order related to COVID-19;
- II. Advised by a health care provider to self-quarantine due to COVID-19 concerns;
- III. Experiencing symptoms of COVID-19 and seeking medical diagnosis;
- IV. Caring for an individual who is subject to a quarantine order or advised by a health care provider to self-quarantine due to concerns related to COVID-19;
- V. Caring for a son or daughter if the child's school or place of care has been closed or the child's care provider is unavailable due to a COVID-19 related reason.

- A. Employees may need to request time off due to health concerns as provided in categories I-IV of the Families First Coronavirus Response Act (FFCRA). GEA members will be paid at their normal daily rate for this time.
- B. Employees may need to request a leave of absence due to issues with childcare as provided in category V of the Families First Coronavirus Response Act (FFCRA). Sick leave can be used to cover the difference between the maximum dollar amount covered under the act and the educator's daily rate of pay. For intermittent leave, teachers will still be responsible for lesson planning and grading during this time. The district will provide a substitute to provide in-person instruction.
- C. Employees who have been able to teach remotely without leave during Full Remote Operations may have leave requests for the weekly all-remote day each week denied by the district. The district will consider changes in circumstance that impact these scenarios.
- D. GEA members who must quarantine because of COVID-19 will receive up to 15 paid administrative days to use for this purpose for each instance in which they must quarantine. This is not in addition to any paid time based on FFCRA.

6. Leaves

- A. Bargaining unit members may submit a request for short-term or long-term unpaid leave while we are under public health emergency based on issues related to COVID-19. These leaves will be reviewed by the human resources office on an individual basis. Paperwork should be submitted to administration as soon as possible.

7. Committee Formation

- A. The Administration and GEA shall form a committee to problem-solve the plethora of issues that will arise related to effectively and safely educating our students during the COVID-19 pandemic. The district-level committee will look at items affecting the district as a whole, and building-level committees will be formed to examine building-specific issues related to safely educating our students. The committees will have at least as many GEA representatives as administrators.
- B. Decisions to move from remote instruction to hybrid instruction and from hybrid instruction to remote instruction will be made following the guidelines for learning phase transitions (see attached). The administration will notify the GEA of transitions in a timely fashion.

8. Monetary Compensation

The parties recognize that maintaining robust curricular and extracurricular programs is vital to the education of the whole student and that this maintenance requires additional commitments from the parties involved in the programs. To that end, GEA members will be compensated for additional work which they undertake to engage students both during and outside of the traditional school day.

A. Substitute Pay

- I. 70-minute blocks will be compensated at a rate of \$60.
- II. 40-48 minute periods will be compensated at a rate of \$35.
- III. Long-term substituting assignments will be compensated at a rate of 10% of the teacher's per-diem rate or \$60 per period, whichever is higher. The teacher will be compensated for the number of school days there are in each given week in which he/she subs.

B. Driver Education

Due to the dramatic increase in the volume of students who will need in-person driving instruction outside the regular school day, in order to meet the need and attract additional staff the rate for driver education will be increased to the rates as follows:

- I. 0-2 years of experience-\$32.50/hour
- II. 3-5 years of experience-\$35/hour
- III. 6-8 years of experience-\$38/hour
- IV. 9+ years of experience-\$42/hour

Paid driving will occur outside of the school day or during a duty-free lunch.

C. Extracurricular Activities

- I. All extracurricular sports and activities whose seasons occur during the 2020-21 fiscal year will be paid as usual per the amounts outlined in schedule B of the CBA between the parties.
- II. All extracurricular sports and activities whose seasons do not occur but whose teams/clubs meet on a regular basis will be paid 50% of the amount outlined in schedule B of the CBA. Coaches/sponsors must keep records of all interactions with students and provide them to the APA/APSS upon request. If a coach/sponsor does not meet on a regular basis, has a season cancelled fully, or does not provide proof of activities, the district will not provide any stipend payment.
- III. GEA members who intend to sign a retirement letter during the 2020-2021 school year and who engage in schedule B assignments that do not occur during the 2020-2021 school year will have that full salary amount credited toward their retirement. The member will work with building administrators to identify alternative duties commensurate in value to the dollar value of the original assignment. These alternative duties can be spread out over multiple years. The member will be paid the full amount outlined in the retirement agreement, unless the member does not complete the alternative duties. If a member does not complete the alternative duties then the member's retirement incentive will be reduced.

9. Technology Stipends

The parties recognize the need for increased internet speed and technology in teachers' homes. The Board will pay each GEA member a technology stipend of \$60 for each month in which the district operates fully-remotely. That amount will be added to the first paycheck of the following month. Teachers who receive an accommodation to teach from home will not receive the technology stipend if the district is operating under the hybrid model.

Memorandum of Agreement
Between
Glenbard Educators Association
and

The Board of Education, Glenbard Township High School District 87

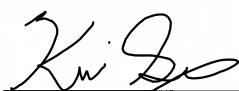

When the schools return to in-person hybrid learning, the Board will require surveillance screening via saliva samples for all in-person staff. The parties have reached the following agreement on the impact upon bargaining unit employees of this requirement:

1. Bargaining unit employees will be given the opportunity to be tested at another location and the test results must be furnished at the same time that results are received from employees tested on campus. This employee choice will be at no cost to the District.

2. Upon a bargaining unit employee's first refusal to test, the Administration will contact a union representative and will arrange a virtual meeting to discuss with the employee the importance of testing and any alternative options. After this meeting, a continued refusal to test will result in discipline.

3. Once the pandemic is over, the district will provide 50% of the total number of days deducted from the bank for long-term illness as a direct result of infection with COVID-19. Sick bank deductions for COVID related illness incurred after the Vaccine has been made available to employees will not be included in this calculation.

4. The collective bargaining agreement shall be extended for 1 year through June 30, 2025. The 2024-2025 Salary Schedule will be created just as the 2023-2024 Salary Schedule is created. The new 2024-2025 Salary Schedule will be added to Appendix E after the 2023-2024 Salary Schedule.
