School Counseling Department

The School Counseling Department offers services designed to assist students to develop their talents and to benefit from Glenbard South's educational program. In addition to the school counselors, the department includes the services from the school psychologist, the social worker, and the speech and language pathologist.

Glenbard South school counselors are professional educators with a mental health perspective who understand and respond to the challenges presented by today's diverse student population. School counselors do not work in isolation; rather they are integral to the total educational program. They provide proactive leadership that engages all stakeholders in the delivery of programs and services to help students achieve success in school. School counselors align and work with the school's mission to support the academic achievement of all students as they prepare for the ever-changing world of the 21st century. This mission is accomplished through the design, development, implementation and evaluation of a comprehensive, developmental and systematic school-counseling program. The ASCA National Model: A Framework For School Counseling Programs, with its data-driven and results-based focus, serves as a guide for Glenbard South's School Counselors.

AP- Advanced Placement Courses

It is the expectation that students enrolled in AP courses take the College Board AP exam in the spring. Students who elect NOT to take the College Board AP exam will take the final exams according to course guidelines. This may include second semester seniors who are passing the course with an A(5), B(4), or C(3).

Advance Placement (AP) Fee Process & One Free Test

Glenbard charges the AP exam fee through the registration process in the summer, along with the other student fees. The AP exam is \$95 each; AP Seminar & AP Research exams are \$143 each. Our School Board has made the investment to pay for the cost of the first AP exam for every student, so families will only be responsible for paying the AP exam fee for their student's additional exams each year. Families will have the opportunity to 'opt out' of the exam and fee by October 14, 2021 or February 14, 2022 for 2nd semester only AP courses. After the dates, families will be responsible for a \$40 unused/canceled exam fee. More information regarding the AP courses and exams can be located in the "Parents" section of our website under "AP Testing". If you are in need of financial assistance for AP Exam Fees, please contact your building APSS.

Homework Club

Homework Club is an after school program designed to provide a structured environment where students can complete homework assignments, write papers, study for tests, and receive academic support and/ tutoring as needed. The mission of ASAP is to improve academic achievement for students who have failed or are in danger of failing courses and promote individual responsibility. Students are referred by their counselor to this program.

Final Exams for Seniors

Seniors are required to fulfill all course requirements during the first semester, which will include taking a final exam.

Second semester seniors who are receiving a grade of F(1) or D(2) in a course may be required to take a final exam. Teachers will administer finals. Any questions regarding final exams should be first directed to the individual course teacher. Further questions should be directed to the course department chairperson. Any questions or whether or not a class is needed for graduation should be directed to the student's counselor.

Freshman Focus

Freshman Focus assists new students with learning the Glenbard South fight song and learning about all the sports and activities available to them at school. It is important that our Freshman students are acclimated with all of the expectations and resources available to them and our Freshman Focus program was designed for that very reason.

NHS Tutors

Students who need help in academic courses may request a peer tutor that will work with students one-on-one. Request forms are available in the School Counseling department. Please be aware that there are a limited number of peer tutors available. School counselors have lists of additional tutoring resources available for hire in addition to our many in school academic resources.

Posters

The Assistant Principal for Student Services must approve all signs and posters. Bring posters and signs to Ms. Cooper in the Main Office. Once they are approved they will be given to Ms. Ewing in the HUB and they will be hung in the appropriate locations. If you are making multiple copies of the same sign please make copies AFTER it has been approved.

Resource

The resource period offers opportunities for both students and teachers to create a more complete educational intervention for students with failing grades. The resource period will provide the time for teachers to meet the specific needs of the Glenbard Student. Students can access help from teachers for resource assistance during lunch periods, or can be assigned during study hall periods 1-3 & 8.

Student Grades

A student's progress can be viewed online through PowerSchool. PowerSchool hosts the official grades, not Schoology. Grades are posted by the student's teacher. Semester grades are available online and a report card will be emailed home after final grades have been posted; report cards are no longer mailed to the student's home. Student performance should be reviewed often.

Study Hall

Some students may choose to take study hall during the regular school day. All rules and regulations regarding attendance, tardiness and student behavior that apply to academic classes also apply to study hall. Students in study hall are expected to bring materials necessary to spend the period working quietly.

TCD- Technology Center of DuPage

Students who have enrolled in classes at TCD are expected to follow the rules and regulations regarding attendance, tardiness and student behavior that apply to other academic classes. These expectations apply at TCD and traveling to and from TCD. All students will be transported to and from TCD on school buses. No student may drive to TCD without permission from the Dean's Office acquired at least 24 hours in advance. A student who drives to TCD without permission may have their vehicle towed and will be subject to discipline in the Dean's Office.

Technology Device Training and Support

To support our students when they receive their iPad over the summer through the mail, each student is required to take part in a virtual training course through Schoology. This training is led by a teacher and focuses on basic functions and setup, appropriate use, G-mail, PowerSchool, and accessing textbook applications.

If students encounter a problem with their District-leased iPad, they should report to the Tech Help Desk in the Library. Depending on the issue, it may be resolved at that time, or moved to one of our technicians for additional support. In all cases of loss or theft, the District requires that a police report be filed and a copy of the report be submitted along with the insurance deductible, if applicable, before a replacement device will be issued. In some cases a device will be issued after a school technician evaluates the problem.

Learning Resource Center and Studio South

The library has books, electronic materials, and A/V equipment for students to check-out. To ensure the availability of these materials to all students and to promote a study-oriented atmosphere, certain procedures must be followed. The library is open from 7:00am - 3:30pm on most school days and students can choose to come to the library from their lunch or study hall period. However, students cannot be guaranteed regular access to the library during their study hall or lunch period, because there is a limited amount of space. When it is necessary to close the library or have limited student access, a sign will be posted outside the library noting the period and availability.

Student Responsibilities

- The library is a shared open space between classes, teachers and students. During lunch/ study hall, we ask that students work at a reasonable volume and respect their peers and staff members.
- When using the library, students are expected to conduct themselves in a manner consistent with the guidelines described in the “School Discipline and Conduct”.
- Designed quiet study areas and group work areas should be respected.

Signing In and Out

During the school day and after school, all students must sign-in at the library’s check-in desk located near its main entrance. Any student leaving the library or Studio South during a class period must stop at the library’s entrance desk to receive a hall pass or to show the hall pass written by a classroom teacher whose class is meeting in the library.

Student Attendance from Study Hall

- There are a limited number of study hall to library passes for each period. All students must attend study hall prior to being released to the library. Students should be prepared to show their school ID.

School Safety

School safety is everyone's responsibility. In order to ensure the safety of all students and staff, Glenbard South has implemented drills and procedures that are reviewed and updated on an annual basis.

Clear and Present Danger Reporting

When a student or other person is determined to pose a clear and present danger to themselves, or to others, it is the duty of law enforcement officials and school administrators to report to the Department of the State Police.

Emergency Drill and Evacuation Procedures

Glenbard South maintains a comprehensive crisis response manual that is updated annually. Within each room there is an emergency procedure checklist that provides detailed directions in the unlikely event of various emergencies. We expect all students to respond seriously to all real or practice drills related to emergencies.

School Resource Officer

Establishment of the School Resource Officer program permits the DuPage County Sheriff's Department to work directly with school officials towards prevention, orientation, and facilitate and foster positive relationships with high school students and employees. Further, it facilitates increased attention to youth programs, concerns, and unlawful activities on a proactive, rather than reactive basis. The goal is to promote a positive learning and educational environment for high school students and a solid, healthy community environment.

Student Identification Cards

- Each student **MUST** carry a school issued identification card at all times.
- If the I.D. card is lost, please report to the Raider HUB so that a replacement card may be issued.
- Refusal to produce an I.D. card to a staff member when requested will be considered insubordination.
- Students arriving to the building late or returning to the building must use Entrance #4 and show their student I.D.
- It is highly recommended that students take a picture of their I.D. with their iPad/Cell Phone as an extra backup.

Time Out and Physical Restraint

Illinois School Code (23 IAC 1.285) defines Time Out and Physical Restraint (specifically the practice, facility, training and reporting required). Glenbard HS District 87 will follow all components in the school code and will focus on prevention and intervention in order to provide a safe and secure learning environment for all.

STUDENT BEHAVIOR AND CONDUCT

A primary concern of the school is to help the student to develop self-discipline. We expect our students to show high personal standards of courtesy, honesty, morality, and citizenship. While on school premises, riding in school buses or at school sponsored activities, wherever located, students are expected and required to behave in an orderly and appropriate manner with due regard and respect for the rights of others, the rules and regulations of District #87 and Glenbard South, and the directives of school personnel. Students are subject to appropriate disciplinary measures for unlawful or improper conduct.

If a student acts in an unacceptable manner, a Behavior Report may be sent to the parent or guardian of that student. This report includes a description of the behavior and what has been done in an attempt to correct the problem. A student receiving disciplinary action has the right to request a review of the disciplinary action. A student parent/ guardian may initiate a due process hearing by contacting the office of the Assistant Principal of Student Services.

At times this handbook states specific places at which students are subject to disciplinary rules. However, discipline may be imposed for any misconduct which is described in this handbook and which occurs on school grounds, at school-sponsored activities, in connection with student transportation or at any place where misconduct has a reasonable relationship to school.

Also, at times, in this handbook, specific penalties are specified for certain types of misconduct. These penalties will generally be followed, but in appropriate circumstances any violation of any of the rules described in this handbook may be considered gross disobedience or misconduct for which a student may be subject to disciplinary interventions or expelled.

Finally, repeated violations of the rules described in this handbook may be considered gross disobedience or misconduct for which a student may be suspended or expelled, even though any particular violation by itself might not warrant disciplinary interventions or expulsion.

Attendance

It is the expectation of the administration and staff of Glenbard South High School that every student will be punctual and present each day. Regular daily attendance by staff and students is important for student success. Students with irregular attendance patterns, whether excused or unexcused, may find it difficult to be successful in specific classes and may be subject to a loss of graduation credits. As a result, it is extremely important that the parents(s)/guardian(s) assure the student's academic growth and success by emphasizing the need for the student to be punctual and in attendance each day.

Students may not be in the building or on campus for any part of a school day for which they have been excused or called in as absent. Students who have been absent for a partial day and wish to return to school should report to the Attendance Office immediately upon entering the building.

Attendance Terms:

Excused Absence	Student misses entire class period with the approval of school administration
Tardy	Students arrive to class within the first 10 min. from the start time of class.
Truant	Student arrives 10 min or after start time to class and is not excused.

Excused Absences

According to the Illinois School Code, the only legal reasons why a student may be absent from school are as follows:

- Illness
- Death in the immediate family
- Observation of a religious holiday
- Family emergency
- Circumstances that cause reasonable concern to the parent(s)/guardian(s) for the safety or health of the student.
- College visit (3 per school year)
- Other situations beyond the control of the student as approved by the principal.

Reporting Absences

In the event of an absence, the student's parent/guardian must call the 24-hour Attendance Office phone number (630)469-6500. Calls must be received by 10:30 am. on or before the day of the absence. However, school officials have the prerogative to determine whether a student is excused or truant. For unreported absences, the Attendance Office will make a reasonable effort to telephone the parent(s) / guardian(s). An excused absence from school allows the student to receive full credit for missed work. It is the student's responsibility to contact their teachers for make-up dates/ deadlines for all assignments and tests missed during excused absences.

When a parent(s)/guardian(s) is required to be out of town for family or business matters, the Attendance Office must be notified prior to leaving town.

Notification must be in writing stating who they authorize to report absences or take phone calls in their place regarding attendance. If no one is designated to accept calls regarding absences and the parent(s)/guardian(s) cannot be contacted within 24 hours, the absence will be considered unexcused. Failure to comply with these requirements may result in no credit for the days missed. Students that miss school due to medical appointments may be asked to show proof of the appointment.

Attendance Intervention

Attending school is a requirement for all students. The entire staff at Glenbard South has a responsibility to hold students accountable in this area. For this reason, we maintain the following intervention strategies related to attendance:(See Board Policy...6:310-R7)

Our student data management systems, PowerSchool will provide daily attendance information for teachers, parents, and administrators to view electronically.

Attendance staff will screen truanancies daily and call home for any student who is three or more periods truant within any given day. Whenever a student is truant from a class, the Dean's office will contact the student the following day to confirm the truancy. Truanancies will be documented in PowerSchool and a letter to the students' parent(s)/guardian(s) will be generated. Each truancy (unexcused absence) there will be a contact with the student, an attempt to call the students' parent, a letter sent to the parent and a consequence or intervention with the student.

Excessive excused- See "Excessive Absences"

Any student who has chronic attendance issues may be referred to the DuPage County truancy agency. Glenbard South does not honor or recognize "Ditch Days."

Partial Day Attendance

(Arriving Late / Leaving Early)

A student who arrives late to school must report to the Attendance Office. The student must bring a note from a parent(s)/guardian(s) stating the reason for late arrival. If a student is arriving late, the parent(s)/guardian(s) must phone the Attendance Office by 10:30 a.m. on the day of the late arrival. If a student needs to leave school early, they must bring a note from a parent(s)/guardian(s) to the Attendance Office prior to the beginning of school. This note must state the reason for early dismissal and phone number of the parent(s)/guardian(s) so the Attendance Office can confirm the information. A pass will be issued to the student that will be presented to the teacher giving permission to leave class quietly for the appointment. A student returning to school from medical appointments must bring documentation from the medical office confirming the appointment to the Attendance Office.

Prearranged Absences

The administration and staff discourages parent(s)/guardian(s) from taking students on vacation when school is in session. Absences during final exam periods are to be avoided at all costs. If circumstances necessitate absence from school for non-emergency family situations, college visitations, and any ALL DAY absences known ahead of time, a prearranged absence notification must be completed.

The student must bring a note from their parent(s)/guardian(s) indicating the reason for the absence to the Attendance Office five (5) days prior to the absence. A prearranged absence form will then be issued to the student to be signed by all of their teachers, indicating assignments for the time missed. The form must then be returned to the Attendance Office at least two (2) days prior to the absence.

Excessive Absences

Any student who is absent for more than nine (9) days excused or unexcused in one semester will be considered as having excessive absences. The school may contact a student as well as parent(s)/guardian(s) if accumulated absences become excessive.

Participation in school-sponsored activities DOES NOT count against a student's attendance.

9 Absences	Conference with student, parent(s) / guardian(s), dean and counselor. Attendance contract signed by all parties.
12 Absences	Conference with student, parent(s)/guardian(s), dean and counselor. No absence will be excused without a Dr. Note.*
15 Absences	Conference with student, parent(s) / guardian(s), dean and counselor. Student may be withdrawn from a course with a failing grade.

*If a student is excessively absent, a Doctor's Note (licensed MD) will be required in order to have the absence excused. The Doctor's Note must be the original and legible on the physician's stationary, signed by the doctor or nurse, and presented to the Attendance Office upon the student's return to school. The note must state the date(s) that the student was "unable to attend school" and the date that the doctor saw the student. Students that are excessively absent during the first semester and are on Doctor's Note status will be subject to Doctor's Note Only intervention during the second semester.

Tardiness and Tardy Tracking

Students are to be in their assigned location prior to the beginning of the period or they are considered tardy. Students who are late to class will not be admitted into their classroom and will be sent to show their ID and receive a tardy pass. Students are not to be in the halls without a pass during class periods. Tardiness is unacceptable behavior and will be treated as such. Discipline interventions will be assigned for tardiness and a parent conference may be requested. Tardies will be tracked cumulatively. The tracking system will be reset mid semester and at the end of each semester, to give students a "fresh" start and a chance to remediate their behavior. Students need to serve their consequence "on or by" the date listed on the generated ticket from the tardy system.

Oversleeping, family errands, babysitting, missing the bus and car trouble are not considered acceptable reasons for being tardy. These tardies are truant even if the parents call to verify tardiness. Any student that is more than 10 minutes late to a class will be marked truant.

Consequences for tardy violations will result in the following:

# of Tardies	Consequence	Student/Parent Notification
1-3	Warning	Student Notification through Tardy Pass
4-10	Detention	Tardy Pass and Staff Contact
11-15	Extended Day Detention	Dean Contact - Parent Contact
16+	Dean Contract	Dean Contract

Leaving School During the Day

Students are not permitted to leave the building without permission during the school day. Students must enter and exit the building using only Entrance #4. Off campus privileges or open lunch is ONLY available to seniors. Freshmen, Sophomores, and Juniors must remain on campus during the school day. In order to be classified as a senior student, the student must meet all academic requirements and must be enrolled in their 4th year in high school. Discipline interventions will be assigned for students that violate this rule. Seniors may be denied open lunch if they are in an "intervention."

*If a student is caught driving underclassmen off-campus during school hours, the student may lose their parking privileges.

Clubs / Activities / Athletics

District 87 Extra Curricular Code: Students involved in activities, clubs, and athletics must abide by the Extra Curricular Code. A copy of the Extra Curricular Code is included in the handbook. Students and their parents must provide signatures verifying that the student agrees to abide by the code. RULES ARE IN EFFECT 12 MONTHS.

Clubs and Activities

Participating in student activities is viewed by the Glenbard High Schools as an important and worthwhile endeavor, which enhances the educational process. Participation is considered an extension of the regular high school program. While the regular curricular program is a right afforded to each student, participation in the co-curricular program is a privilege and, as such, carries certain expectations beyond those found in the normal classroom situation. The important goals of the co-curricular program are to offer students direction in developing healthful living habits, discipline, teamwork, citizenship skills, and respect for structure, rules and responsibilities. In order to participate in the co-curricular program, students must be willing to fulfill expectations for appropriate behavior.

Athletics

The decision to participate on an athletic team at South indicates a desire and willingness to make a commitment necessary to continue a fine tradition that has been established by many outstanding student athletes at South. As you scroll through our digital “Hall of Fame” photo gallery outside Raider Gym, you will see the pictures of former state finalists and all-conference athletes. These young men and women have set the standards by which others continue to be measured. Believe in yourself. It is your turn to carry on the great tradition at Glenbard South High School.

Parents/Guardians: We encourage you to join our Booster Club and become involved by donating your time to help and/or attend as many activities as possible. You will be receiving separate Booster Club Newsletters that will provide further information.

This section of the student handbook has been prepared to provide student athletes and their parents with important information regarding the rules, policies, and procedures of the Glenbard South Athletic Program. Please read and review this information carefully. Your electronic signature, when registering your student for a sport in the Parent Portal of PowerSchool, gives assurance that you are willing to assist your student in their compliance with IHSA, District 87, school, departmental, and team rules. If we can ever be of help or service to you, please feel free to call the appropriate coach or the athletic office at (630)-469-6500.

Please check the athletic website at www.il.8to18.com/glenbardsouth for specific sport information, schedules, directions and important links to athletic websites. We look forward to meeting you. Thanks for your continued support of Glenbard South High School and all of our programs.

Philosophy

We believe and are committed to the idea that the athletic program is an integral part of the total school curriculum and plays a vital role in the development of young men and women. Participation in athletics is an educational experience beneficial to all because it promotes physical health, mental well-being, good sportsmanship and the values of competition and cooperation. On a school level, athletic competition adds to our school spirit and helps all students; spectators as well as participants develop pride in our school.

We encourage our teams to always compete to win but we realize that this will not always occur. Far more important than winning are the values we emphasize to our athletes. The results of a competition will soon be forgotten but the memories and valuable lessons will remain with our athletes forever.

It is our mission to encourage our student athletes to participate to the best of their ability and to accept any outcome with dignity. Under the guidance and encouragement of our coaches and parents, the ideal student athlete should develop the ability to draw courage from within and have the confidence to rise up and meet any adversity. If our athletes work hard and do what is required in attempting to overcome obstacles, they will be winners in every sense of the word.

Training Room

The purpose of the training room is to provide treatment for the prevention and/or rehabilitation of injuries. It is to be used only when necessary. After treatment is completed, student athletes are to leave the training room. Do not use material or equipment without permission of the certified trainer.

Athletic Office

The athletic office is located in the west balcony of the main gym in Room 70. One of our primary purposes is to assist our student athletes. Please feel free to come to the office whenever necessary. Student athletes should not be in the office without adult supervision. If an adult is not in the office, please wait in the hallway until someone is available.

Athletic Bus

Student athletes are dismissed from practice in time to board the athletic late bus that normally departs at 5:30 p.m. Bus times occasionally will be adjusted according to the schedule followed during the school day. To ride the late bus is a privilege. Mature behavior is expected at all times. If behavior becomes unacceptable or is a distraction to the driver, this privilege will be withdrawn. Students must have in their possession their current student I.D. card and must present the I.D. to the driver or school personnel upon request.

Equipment

A student athlete is responsible for each item of equipment issued. Since the equipment may be valued at hundreds of dollars, it should be secured at all times. Lost equipment must be paid for at replacement cost. Grades will be withheld, or in case of a senior, graduation will not be permitted if equipment previously issued is not returned or paid for. Participation in a subsequent sport will also be denied if equipment obligations are not met. A considerable amount of money is spent to provide the best equipment possible. It should be treated with care, cleaned as directed and worn only at contests. At the end of the season, all equipment must be turned in clean and in good condition by the specified date established by your coach.

Athletic Locker Room Guidelines

All student athletes will be assigned a locker in the team locker area. Use only the locker assigned to you and keep it locked at all times when you are not present. Only locks purchased at the bookstore are to be used to secure one's belongings. For security reasons, keep combinations confidential. Student athletes are expected to demonstrate appropriate behavior in the locker room. Horseplay, running, vulgar language etc. will not be tolerated. Towels and trash should be placed in the proper receptacles. Food and drinks should not be brought into the locker room. Students will only be permitted to enter the locker room under the direct supervision of a school official. Locker rooms will remain locked.

Parent / Coach Communication

At times, both parenting and coaching are extremely difficult endeavors. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefits to our student athletes. This begins with clear communication from your student's coach.

Communication You Should Expect From Your Student's Coach

1. Philosophy of the coach.
2. Expectations the coach has for your student as well as all the players on the team.
3. Location and times of all practices and contests.
4. Team requirement, i.e. fees, special equipment, off-season conditioning
5. Procedure should your student be injured during participation
6. Discipline that results in the denial of your student's participation.

Communication Coaches Expect From Parent(s)/Guardian(s)

1. Concerns expressed directly to the coach
2. Notification of any schedule conflicts well in advance
3. Specific concern in regard to a coach's philosophy and/ or expectations

As your student becomes involved in the programs at Glenbard South, they will experience some of the most rewarding moments of their lives. It is important to understand that there also may be times when things do not go the way you or your student wishes. At these times discussion with the coach is encouraged.

Appropriate Concerns to Discuss with Coaches:

1. The treatment of your student mentally and physically.
2. Ways to help your student improve.
3. Concerns about your student's behavior.

It may be difficult to accept that your student is not playing as much as you might want. However, coaches are professionals. They make judgements and decisions based on what they believe to be best for all the student athletes involved. As you have seen from the list above, certain things can be and should be discussed with your student's coach. Other things, such as those listed below, must be left to the discretion of the coach.

Issues Not Appropriate to Discuss With Coaches:

1. Playing time
2. Team strategy
3. Play calling
4. Other student athletes

These are situations that may require a conference between the coach and the parent(s). These are to be encouraged. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue of concern.

What can a parent do if they have a concern to discuss with a coach?

1. Call and set up an appointment. Glenbard South High School phone number is (630) 469-6500.
2. If the coach cannot be reached, call the athletic director, et. 4255.
3. Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent(s)/guardian(s) and the coach. Meetings of this nature do not promote resolution.

What can a parent do if the meeting with the coach did not provide a satisfactory resolution?

1. Call and set up an appointment with the athletic director to discuss the situation.
2. At this meeting the appropriate next step can be determined.

DISCLAIMER

This version of the student handbook contains policies, procedures, and exhibits already in place at the time of publication. These are subject to change or to be eliminated as a result of actions taken by the State, federal government, or the School Board. A complete set of current policies is located on the District 87 website. See the [Transparency page](#).

Students with Disabilities

Students with disabilities who do not qualify for an individualized education program (IEP) pursuant to the federal *Individuals with Disabilities Education Improvement Act* (IDEA) and implementing provisions of the *Illinois School Code* may qualify for services under Section 504 of the federal *Rehabilitation Act of 1973*. A student may qualify for a Section 504 Plan if the student: (i) has a physical or mental impairment that substantially limits one or more major life activities, (ii) has a record of a physical or mental impairment, or (iii) is regarded as having a physical or mental impairment. Section 504 contains a broader definition of a disability than the IDEA, so a student who does not qualify for an IEP might still be able to receive accommodations and related services under a Section 504 Plan. For more information regarding the identification, assessment and placement of students, please contact [name] [title] [location] [phone number] [email].

New School Code language [105 ILCS 5/14-6.01]:

Beginning with the 2019-2020 school year, a school board shall post on its Internet website, if any, and incorporate into its student handbook or newsletter notice that students with disabilities who do not qualify for an individualized education program, as required by the federal Individuals with Disabilities Education Act and implementing provisions of this Code, may qualify for services under Section 504 of the federal Rehabilitation Act of 1973 if the child (i) has a physical or mental impairment that substantially limits one or more major life activities, (ii) has a record of a physical or mental impairment, or (iii) is regarded as having a physical or mental impairment. Such notice shall identify the location and phone number of the office or agent of the school district to whom inquiries should be directed regarding the identification, assessment and placement of such children.

ATTENDANCE PHILOSOPHY

Our attendance policy is based upon the following assumptions:

1. In accordance with the requirements of the School Code of Illinois and in recognition of the responsibilities imposed upon parents, it is the policy of District 87 that students shall attend school on a regular basis. Student attendance in class is not optional; it is a requirement of every class. We believe that regular class attendance increases the student's probability for successful performance and fosters the development of self-discipline and responsibility. The Board of Education further believes that the school administration and staff have a duty to rigorously and consistently enforce school regulations dealing with class attendance.
2. While the major responsibility for attendance rests with the student, the school and the parents share responsibility. Students are expected to attend every meeting of every class and study hall; the school has an obligation to inform both students and parents of the student's progress and attendance in all classes; and parents/guardians are obligated to inform the school when their student is absent and to give the reason for the absence.

Excessive absences from school limit the ability of a student to achieve. For this reason, attending school on a regular basis is a requirement for all students. The entire staff at Glenbard District 87 has a responsibility to hold students accountable in this area. For this reason, we maintain the following intervention strategies related to attendance:

- Our student data management system, PowerSchool will provide daily attendance information for teachers, parents/guardians and administrators to view electronically.
- Attendance staff will screen truanties daily and call home for any student who is three or more periods truant within any given day.
- Whenever a student is truant from a class, the Dean's Office will contact the student the following day to confirm the truancy. Truancies will be documented in PowerSchool and a letter to the student's parent/guardian will be generated on the next school day.
- **For every truancy (unexcused absence) there will be a contact with the student, an attempt to call the student's parent, a letter sent to the parent and a consequence or intervention with the student.**
- After five truancies and five interventions for an individual course, a student may be denied credit for the course. Those who are denied credit will be referred to their guidance counselor to explore credit options.
- Excessive excused absences interfere with student achievement. A student who has excessive absences will be required to provide medical documentation for each absence or meet with the school nurse on the same day in order to excuse absences. During any given semester, when a student reaches over nine absences from a class there will be an attendance conference with his or her Dean and parent contact will be made. Should the student reach twelve or more absences, a doctor's note will be required to excuse further absences. After fifteen absences, a student may lose credit for the individual class. Those who are denied credit will be referred to their guidance counselor to explore credit options.
- Any student who has chronic attendance issues may be referred to the DuPage County Truancy agency, Truancy Intervention Program.

DANCES and SOCIALS

The following regulations apply to dances and socials:

1. Dances and socials are usually open to Glenbard students only. A Glenbard student may bring one guest to a semi-formal or formal dance by obtaining a permission slip from the office of the Assistant Principal for Student Services prior to purchasing tickets.

2. Approved student guests attending dances must be at least in ninth grade and under 21 years of age.
3. There is to be no use of tobacco, alcohol, or drugs in the school building or at the event. Violations will result in disciplinary action.
4. After students have been admitted to the dance, students will not be re-admitted if they leave the premises. School rules and regulations are in effect at all dances. Violators will be reported to the administrator in charge and may be subject to disciplinary action.

**Illinois High School Association
(For 2021-22 School Term)**

This summary is for the purpose of assisting in the understanding of IHSA By-laws and Policies. In case of a conflict between this publication and the constitution and by-laws of the IHSA, the constitution and by-laws shall control.

Key Provisions Regarding IHSA Rules Eligibility Rules

When you become a member of an interscholastic team at your high school, you will find that both your school and the IHSA will have rules you must follow in order to be eligible for interscholastic participation. The IHSA's rules have been adopted by the high schools which are members of IHSA as part of the Association's constitution and by-laws. They must be followed as minimum standards for all interscholastic athletic competition in any member high school. Your high school may have additional requirements, but they may not be less stringent than these statewide minimums. The principal/official representative of your school is responsible to see that only eligible students represent the school in interscholastic competition. Any question concerning your eligibility should be referred to your principal/official representative, who has a complete copy of all IHSA eligibility rules, including the Association's due process procedure. Only the IHSA Executive Director is authorized to make formal rulings on eligibility, so if your principal/official representative has questions or wishes assistance in answering your questions, the principal/official representative should contact the IHSA Office. Information contained here highlights some of the most important features of the IHSA by-laws regarding interscholastic eligibility. It is designed to make you aware of major requirements you must meet to be eligible to compete in interscholastic competition. The information here is only a general description of major by-law provisions and does not contain the statement of the by-laws in their entirety. You can review the by-laws at www.ihsa.org.

You may lose eligibility for interscholastic competition if you are not in compliance with IHSA by-laws. Remember, if you have any questions regarding IHSA rules, please contact your principal/official representative.

1. Attendance

- A. You may represent only the school you attend. Participation on a cooperative team of which your school is a member is acceptable. You must be enrolled and attending classes in your high school no later than the beginning of the 11th school day of the semester.
- B. If you attend school for ten (10) or more days during any one semester, it will count as one of the eight (8) semesters of high school attendance during which you may possibly have eligibility.
- C. If you have a lapse in school connection for ten (10) or more consecutive school days during a semester, you are subject to ineligibility for the rest of the semester. The specific terms of your extended absence must be reviewed by the Executive Director to determine if it is "lapse in school connection" or not.

2. Scholastic Standing

- A. You must pass twenty-five (25) credit hours of high school work per week. Generally, twenty-five (25) credit hours is the equivalent of five (5) .5 credit courses (2.5 full credits).
- B. You must have passed and received credit toward graduation for twenty-five (25) credit hours of high school work for the entire previous semester to be eligible at all during the ensuing semester.

3. Residence

You may be eligible if you are entering high school as a freshman and:

- A. You attend the public high school in the district in which you live full time with both of your parents, custodial parent or court appointed guardian; or
- B. In the case of a multiple school district, you attend the public high school in the attendance area where you live full time with your parents, custodial parent or court appointed guardian; or

- E. You attend a private/parochial high school and have attended a private/parochial school for 7th and 8th grades, or for any four (4) grades from kindergarten through eighth grades; or
- F. You attend the private/parochial high school which one or both of your parents attended; or
- G. You attend a private/parochial high school located within a thirty (30) mile radius of the residence where you live with your parents, custodial parent or court appointed guardian.

4. Transfer

- A.** In all transfer cases, both the principal of the school from which you transfer and the principal of the school into which you transfer must concur with the transfer in writing on a form provided by the IHSA Office. You cannot be eligible when you transfer until this form is fully executed and on file in the school office.
- B.** If you transfer after classes begin for the current school term, you will definitely be ineligible for thirty days from the date you start attending classes at the new high school. In addition, you will be ineligible for that entire school term in any sport in which you engaged in any team activity, including but not limited to tryouts, drills, physical practice sessions, team meetings, playing in a contest, etc. at the school from which you transferred. For example, if you were out for cross country at the school from which you transfer and transfer after the IHSA sport season has begun, you will be ineligible for cross country that entire school term at the new school.
- C.** If you transfer attendance from one high school to another high school, you will be ineligible unless:
 - 1.** Your transfer is in conjunction with a change in residence by both you and your parents, custodial parent or court appointed guardian from one public school district to a different public school district;
 - 2.** Your transfer is between high schools within a public school district and both you and your parents, custodial parent or court appointed guardian change residence to the district attendance area for the school to which you transfer;
 - 3.** Your parents are divorced or legally separated; you transfer to a new school in conjunction with a modification or other change in legal custody between your parents by action of a judge; and required court documents are on file at the school into which you transfer;
- D.** If you transfer in conjunction with a change in legal guardianship, a ruling on your eligibility must be obtained from the IHSA Office.
- E.** If you transfer attendance from one school to another while you are ineligible for any reason, the period of ineligibility imposed prior to your transfer or the period of ineligibility that would have been imposed had you stayed at the school, will be enforced at the school to which you transfer, even if you are otherwise in compliance with the by-laws.

Athletic Eligibility Rules—Page 2

- F.** Any questions about your eligibility in any of these instances must be resolved by a formal ruling from the IHSA Executive Director.
- G.** In all other transfer situations, a ruling by the IHSA Executive Director is necessary to determine your eligibility. This ruling must be obtained in writing by the principal/official representative of the school into which you transfer before you participate in an interscholastic athletic contest.
- H.** The IHSA Executive Director may grant limited eligibility if you transfer schools prior to the start of your sophomore year and are not otherwise in compliance with the transfer eligibility by-laws.

5. Age

You will become ineligible on the date you become twenty (20) years of age, unless your twentieth (20th) birthday occurs during a sport season. In that case, you will become ineligible in regard to age at the beginning of the sport season during which your twentieth (20th) birthday occurs.

6. Physical Examination

You must have placed on file with your principal/official representative a certificate of physical fitness, signed by a licensed physician, physician's assistant or nurse practitioner in order to practice or participate. Your physical examination is good for 395 days from the date of the exam. The physician's report must be on file with your high school principal/official representative.

7. Amateur Status

- A.** If you win or place in actual competition, you may accept a medal or trophy for that accomplishment, without limit to its cost. Your school may provide IHSA state champions with championship rings/mementoes.
- B.** For participating in competition in an interscholastic sport, or for athletic honors or recognition in a sport, you may receive any type of award (except cash, check or legal tender) that does not exceed \$75 fair market value. There is no limitation on the value of your school letter.
- C.** The amateur rule does not prohibit you from being paid to referee, receiving pay for teaching lessons or coaching in a little kids league, etc. It only applies to your own competition in an athletic contest.
- D.** If you violate the amateur rule, you become ineligible in the sport in which you violate. You must be reinstated by the Executive Director before you may compete again.

8. Recruiting of Athletes

- A.** The by-laws prohibit recruiting of high school students for athletics. If you are solicited to enroll in or transfer to a school to participate in athletics, you are being illegally recruited and your eligibility is in jeopardy.
- B.** You will lose your eligibility if you enroll in or transfer to a school in response to recruiting efforts by any person or group of persons, connected with or not connected with the school, related to athletic participation.
- C.** You will lose your eligibility if you receive special benefits or privileges as a prospective student-athlete which are not uniformly made available to all students who attend your school.
- D.** You may not receive an "athletic scholarship" or any other special benefit from your school because you participate in athletics.
- E.** It is a violation for any student-athlete to receive or be offered remuneration or any special inducement which is not made available to all applicants who apply to or enroll in the school.

F. It is also a violation to induce or attempt to induce or encourage any prospective student to attend any member school for the purpose of participating in athletics, even when special remuneration or inducement is not given. Please remember that you may not be offered or receive any benefit, service, privilege or opportunity which is not also provided or made available to all prospective students at that school.

Note: If you are interested in finding out more information about a school, contact the principal/official representative or an administrator at the school, not a member of the coaching staff.

9. School Team Sports Seasons

A. Each sport conducted by IHSA member schools has a starting and ending date. Your school may not organize a team, begin practice or participate in contests in a given sport until the authorized starting date. Your school may not continue to practice or participate in contests after the authorized ending date. This means that:

1. During the school year, you may not participate on a non-school team coached by any member of your school's coaching staff unless it meets specific criteria established by the by-laws.

2. No school coach may require you to participate in an out-of-season sport program as a requirement for being a member of a school team.

B. Violation of the sport season by-laws will result in penalty to you and/or to your school's coaching personnel.

10. Playing in Non-School Competition

A. During the time you are participating on a school team in a sport at your high school, you may neither play on a non-school team nor compete in non-school competition as an individual in that same sport or in any skill of that sport.

B. If you participate in non-school competition during a sport season and subsequently wish to join the school team in the same sport, you will not be eligible.

C. If you wish to participate in a competition sanctioned by the National Governing Body of a sport, a junior affiliate of the National Governing Body of a sport or an official Illinois affiliate for the sport, your principal/official representative must request approval through the Schools Center prior to any such participation.

D. You may try out for a non-school team while you are on your school's team in that same sport, but you may not practice, receive instruction, participate in workouts, or participate in competition with a non-school team in that same sport until you cease being a member of your school's team. You cease being a member of your school's team when the team(s) of which you are a member terminates for the school term.

E. You will become ineligible if you participate on, practice with or compete against any junior college, college or university team during your high school career.

11. All-Star Participation

A. After you have completed your high school eligibility in the sport of football, basketball, soccer or volleyball, you may participate in three

(3) all-star contests in any of these sports and still play for other school teams, provided the high school season in that sport has been completed.

You may lose your eligibility for other interscholastic sports if you play in all-star competition in any of these sports under any other conditions.

B. You are not restricted from participating in all-star competition in sports other than football, basketball, soccer or volleyball, except that you may not do so during the school season for the sport.

12. Misbehavior During Contests

A. If you violate the ethics of competition or the principles of good sportsmanship, you may be barred from interscholastic athletic contests, either as a participant or spectator or both.

B. If you are ejected from a contest for unsportsmanlike conduct, you will be ineligible for your team's next contest. You are also subject to other penalties.

ILLINOIS STATE SEAL OF BILITERACY PROGRAM

Glenbard Township High School District 87 will participate in the Illinois State Seal of Biliteracy program in the 2021-2022 school year. The program recognizes high school graduates who have attained a high level of proficiency in one or more languages in addition to English, by designating on a student's transcript and high school diploma his or her receipt of the State Seal of Biliteracy. By law, Illinois public universities must grant college credit for students who have earned the Seal of Biliteracy.

Students may demonstrate proficiency in a targeted foreign language on the Assessment of Performance toward Proficiency in Languages (AAPPL) or the Standards-Based Measurement of Proficiency (STAMP) test.

Please contact the Program Coordinator, Mike Fumagalli at michael_fumagalli@glenbard.org with any questions.

THE EDUCATIONAL RIGHTS OF ILLINOIS' CHILDREN & YOUTH IN HOMELESS SITUATIONS

Statewide Access to Education for Homeless Children and Youth

If you have any questions regarding the educational rights of homeless children and youth in Illinois, you can contact:

Glenbard Twp High School District 87 Homeless Liaison
Ms. Janet Cook, Assistant Superintendent for Student Services
(630) 469-9100 or contact the school Assistant Principal of Student Services

The Educational Rights of Homeless Children & Youth

Homeless children and youth face special problems in getting to school and staying in school. Many homeless families move during the school year, sometimes more than once. School records get lost. Physical examinations and immunizations required for school may be hard to get. Both Illinois and federal law – the Illinois Education for Homeless Children Act and the federal McKinney-Vento Homeless Assistance Act – require that school district liaisons provide assistance to homeless children and youth to solve these problems. These liaisons have an ongoing obligation to understand the barriers faced by homeless children and youth in enrolling, attending and succeeding in school and an obligation to address those barriers, whatever they may be.

Illinois school district liaisons are required to take action to help children and youth who are homeless. The educational rights and benefits for homeless children and youth are described below.

Who is Homeless?

The definition of “*homeless*” under Illinois (and federal) law is very broad. It includes a person who lacks a “fixed, regular and adequate nighttime” abode; a person whose primary nighttime residence is a shelter (including transitional housing or hotels) or a place not ordinarily used by human beings for sleeping (box, car, etc). **This definition is broad enough to include “the hidden homeless”, i.e., children and youth that are temporarily doubled-up in housing because they cannot afford a place to live.**

TECHNOLOGY

iPad Rentals

District 87 has completed the transition from textbooks to electronic devices. All students are now issued iPads for instruction and the majority of curriculum materials will be delivered electronically. The annual rental fee for the iPad is \$189, which includes insurance, technical support and use of loaner equipment. After the family has made 4 annual rental payments over the student's career at Glenbard and student's account is paid in full, the device will become the property of the student. Glenbard charges an annual fee of \$85 for digital curriculum. Any curriculum materials not provided electronically will be provided at no additional cost. This includes textbooks, paperback novels, and workbooks. Items that will still need to be purchased include PE uniforms and locks, and any supplies required by the teacher for that specific course.

LATEX BAN

Many students have latex allergies and our schools will take every step to ensure that our students are safe and healthy. **This means that latex products like latex balloons and silly string will not be allowed on campus at any time.**
