PBIS and SEL at Glenbard North High School

PBIS is a proactive approach that schools use to improve school safety and promote positive behavior. The focus of PBIS is prevention, not punishment. At its heart, PBIS calls on schools to teach students positive behavior strategies, just as they would teach about any other subject—like reading or math. By having clear expectations and teaching our students positive behavior, we help to create an environment where students feel safe and teaching and learning continue without interruption.

Social and emotional learning (SEL) is the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions. The SEL Competencies are embedded throughout our curriculum and daily practices as they are essential tools in the development of fully functioning human beings that engage positively in school and in life..

GENERAL INFORMATION

BOOKSTORE

The Bookstore is open in the morning from 7:00 a.m. to 7:25 a.m., during the second half of all lunch periods, and after school from 2:30 pm – 3:00 pm. It is where you go to purchase PE uniforms and locks.

Although most textbooks are digital, students may still receive certain hardcover textbooks. These books are now processed through the library. These books are barcoded with a unique number that will identify each book. Students are required to take care of the textbooks. If a book is lost or destroyed, the family will be required to pay the replacement cost of the textbook.

BULLETINS

The Daily Bulletin will be published each school day and sent via Gmail. All bulletins must be received in the Main Office no later than 3:15 pm the day prior. Athletic team results may be turned in prior to 7:30 am that day.

CAFETERIA

The Glenbard North Cafeteria is operated by Sodexo Management and provides a variety of items ranging from hot and cold lunches, to beverages and snacks for students. Every student is assigned a 48-minute lunch period daily and should take advantage of the services offered in the building. In order to promote cleanliness and efficient food service, students are expected to observe the following rules:

- All students must scan their ID's when purchasing food or drink in the cafeteria.
- PICK UP ALL LITTER AFTER EATING.
- DEPOSIT DISPOSABLE REFUSE IN TRASH CANS. PLACE RED BASKETS IN APPROPRIATE LOCATIONS.
- Carefully clean up spilled food and/or broken utensils. The custodian will provide brushes, mops and dustpans as needed.
- Because classes are in session, students from the cafeteria may use only the washrooms located in the 1400 hallway until 5 minutes prior to the end of the lunch period.
- Students must arrive to lunch on time.

Cafeteria Prepayment

Cafeteria Prepayment, Notice of Procedures – The food services department uses a computerized point of sale program, which enables parents to prepay for meals. To use the program, students scan their ID to deduct the food cost from a prepaid balance. Similar to a debit card, the system will not accept charges or negative balances. To establish an account, go to MySchoolBucks.com and click “Sign Up Today.” You can then create an account and prepay with your credit or debit card. An account will be established for your child the same day and can be used the next school day. Parents or students can monitor the account balance on the MySchoolBucks.com website. Students can also check their balance by asking the cashier as they proceed through the line.

End of School Year Balances

Money remaining in a student's account at the end of the year will remain in the account, to be used the following school year. If requested in writing by a parent, account balances for graduating seniors or students moving out of the District can be transferred to other family members, or if more than \$10.00, refunded at the end of the school year. All refunds must be requested in writing by a parent or guardian. Refund checks will be mailed to parents. No cash refunds will be issued. Students should spend balances of less than \$10.00 since no refund will be issued for this amount or less.

LOCKERS

Students will be assigned a locker by the Deans' Office. Gym lockers will be assigned by the physical education teachers, and athletic lockers will be assigned by the coaches. Physical Education students, athletes, and band members will purchase a lock from the bookstore for their use.

THE SCHOOL DOES WHAT IT CAN TO SAFEGUARD STUDENTS AGAINST THEFT, HOWEVER, **THE SCHOOL CANNOT ASSUME RESPONSIBILITY FOR LOSSES**. STUDENTS ARE URGED NOT TO KEEP VALUABLES OR

MONEY IN THEIR LOCKER AND TO KEEP THEIR LOCKER LOCKED. SCHOOL AUTHORITIES RESERVE THE RIGHT TO OPEN AND EXAMINE THE CONTENTS OF ANY LOCKER AT ANY TIME.

Students will not write on, deface or vandalize their locker in any way. Furthermore, students may not share individual lockers or their combinations with other students. If a locker does not work properly, the students should report this to the Deans' Office. The Administration may inspect and search student lockers without notice to, or the consent of, the student. Additionally, these searches may also include the desks, parking lots, and other school property and equipment, as well as personal effects left in these places. The student has no reasonable expectation of privacy in the above-mentioned places and areas, or in their personal effects left in these areas.

INSURANCE

District 87 provides 'school time' accident insurance protection for your student as part of its current insurance program. 'School time' includes the school day while your student is attending academic school sessions and up to one hour before and one hour after regular classes. Your student is protected during school-sponsored activities as well, which further includes travel directly or indirectly and uninterrupted to and from such school activity. Note: This coverage does not include interscholastic tackle football. Optional coverage can be purchased for two programs: 24-Hour Optional Coverage and Grade 9-12 Interscholastic Tackle Football. Insurance brochures will be available during BACK-TO-SCHOOL WEEK or by calling the school. Benefits are secondary to all other collectible insurance policies. Accidents or injuries must be reported to the appropriate teacher, coach, trainer, or nurse as soon as possible. Accidents that are not reported within 30 days of the accident will not be covered by the insurance carrier. Medical insurance is the responsibility of the parents. This insurance program is for 'school-time' accidents only.

LOST AND FOUND

A student who finds any lost article in the school or on campus should take it to the Deans' Office where the owner can claim it. Articles such as athletic equipment, which are found in either the gyms or in any of the locker rooms, should be turned in to the Physical Education teachers.

PANDEMIC PREPAREDNESS

In the event of a disease outbreak, epidemic, or pandemic, emergency school closings may be necessary at the direction of state/local health officials or the Illinois State Board of Education (ISBE). During extended school closures, the District will implement a remote learning program consistent with ISBE guidance. Parents and guardians will be required to perform daily temperature checks and health screenings for their child(ren) before school and report this information to school staff members. School personnel may perform temperature checks and health screenings for students at school as necessary at the sole discretion of school personnel. If a student has a fever higher than 100.4 degrees Fahrenheit or exhibits any other sign of illness while at school, the student must be picked up from school immediately and will be excluded from school for a period of time determined in consultation with ISBE and the Illinois Department of Public Health. Visitors will not be allowed to enter school buildings except in exigent circumstances. In no case will a visitor be allowed to enter a school building when exhibiting signs of illness, as determined at the sole discretion of school personnel. Students and adults present at school must wear fitted face masks covering their nose/mouth at all times, including on school buses. If a student refuses to wear a mask or otherwise engages in conduct that compromises the safety of others, his/her parents will be notified and disciplinary interventions may result, including possible expulsion from school. During this unique time, the school will implement behavior expectations for students to ensure the ongoing health and safety of all individuals on and off our school campus.

PHOTOGRAPHS AND IMAGES OF STUDENTS

Glenbard District 87 reserves the right to use images, photographs, or likenesses of students, while engaged in school activities, in digital, video, or printed form and to allow the media into the school to cover non-public events, accomplishments, and news stories and to use images, photographs or likenesses of students, in electronic, video or printed form.

Unless parent or guardian requests in writing to the Assistant Principal for Student Services within the first 30 days of school that identifiable images of his or her child not be used, Glenbard has the right to participate in publicity actions as stated above.

Parents/guardians should understand that if they withhold consent, none of the student's information would be released. This includes examples such as information/photographs for the yearbook, award listings such as honor roll, and classroom projects highlighted in digital and print form.

RECORDING LESSONS/LIVE STREAM

Teachers and staff may video/audio record lessons for students to access either synchronously (in real-time) or asynchronously (for review at a later time) for use on the remote learning platform. Recordings will be maintained for a short period of time and will be deleted within

12 months. District staff will take reasonable steps to monitor the confidentiality of any personally identifiable student information exchanged on the remote learning platform consistent with state and federal laws. However, the School District cannot control or guarantee the confidentiality of student communications on a remote learning platform.

SCHOOLGY

Schoology is an online learning, classroom management, and social networking platform intended to improve learning through better communication, collaboration, and increased access to the curriculum and supplemental content. Glenbard North considers Schoology an extension of the classroom and provides secure access to the system only to students currently enrolled in courses utilizing the LMS platform. Students are expected to communicate in a professional manner with faculty, colleagues, and other staff members on Schoology. Students are encouraged to be conscientious of everything posted to Schoology. Any materials deemed foul, offensive, or inappropriate are strictly prohibited. Offending students will be subject to consequences as outlined in the Student Handbook.

STUDENT GRADES/PERFORMANCE

Your student's progress can be reviewed online through PowerSchool. Grades are posted by your student's teacher for homework, quizzes, tests, etc. A semester grade shall be issued at the end of each semester and entered in the student's permanent record. The semester grade shall represent a weighted composite of the coursework throughout the semester and a final examination. The final examination shall make up no more than 20% of the semester grade.

STUDENT RESIDENCY

Under Illinois law, only students who are residents of the Glenbard School District may be admitted to a Glenbard High School on a tuition-free basis. Students who are not residents of the school district may be admitted if approved by the Superintendent and must pay tuition. The only exceptions are that: (1) students in certain exchange programs may attend tuition-free; and (2) an enrolled resident student who becomes a non-resident during the school term may continue to attend tuition-free until the end of the regular school term in June.

Generally, only students who live in the school district with their custodial parent or guardian will be regarded as residents. (1) new enrollees; (2) students who do not live in the school district with their custodial parent or guardian; and (3) students/parents or guardians in unusual residency situations may be required to complete a residency form, provide documents to establish residency and go through a residency review process. Students who are deemed not to be residents may be denied enrollment or removed from enrollment and subject to payment of tuition. Anyone who misrepresents facts in relation to the residency of a student may be subject to criminal and civil legal proceedings.

STUDENT SUPPORTS

Student Intervention Programs are offered during student lunch hours and after school. Programs are designed to work to assist students who are struggling in classes and have been identified by teachers as students who may benefit from additional assistance.

AP CAFE

The AP Cafe is located in the 1400 Hallway. Students can meet in a supervised area during lunch hours to hold study groups and help prepare for AP Exams

GOALS PROGRAM

The program is designed as a lunchtime intervention for freshmen students who are not completing assignments. The GOALS Program is based on the idea that schoolwork is not optional for students and is critical to their success in school. If a student fails to complete an assignment by the required due date, they are given the opportunity to attend the GOALS program during half their lunch period and complete their missing work before receiving zero credit.

MATH RESOURCE

Math Resource is available during the school day and is located in room 2120. Math Resource affords students to receive extra assistance in the area of Mathematics. Students may attend during their Lunch Hour or Study Hall.

RESOURCE

Resource offers opportunities for students with failing grades to receive academic assistance during Study Hall and Lunch Hours. Students that have Study Hall or Lunch during periods 4,5,6 or 7 may access Resource during this time. Additionally, students that are enrolled in a Student Hall during periods 1,2,3, and 8, failing a class, and are recommended by a teacher will be directed to Resource. Student attendance and academic progress will be monitored.

S.T.R.I.V.E. - SUCCESS THROUGH REACHING INDIVIDUAL EXPECTATIONS This is an after-school program designed to provide a structured environment where students can complete homework assignments, write papers, study for tests, and receive academic support and/or tutoring as needed. The mission of STRIVE is to improve academic achievement for students who have failed or are in danger of failing courses and promote individual responsibility.

THE QUAD

The Quad provides students with Peer Tutors (The Quad Squad) that will assist them in the areas of Algebra, Geometry and Algebra 2 with Trig. Students may visit The Quad during their Lunch Hour to have specific content “re-taught” to them prior to completing a test or quiz retake. The Quad is located in the 1400 Hallway.

THE WRITE PLACE

The Write Place offers student-centered writing support for the entire Glenbard North student body, regardless of grade or course. Working one-on-one with student clients, tutors will collaborate with and coach their peers by offering constructive feedback and strategies to help clients improve on every stage of writing. The Write Place tutors will assist in all stages of the writing process, from brainstorming to revising as well as help with specific skill-based concerns, such as: Developing sophisticated claims, deepening your analyses, improving sentence structure and variety, incorporating and citing sources, writing with clarity and detecting and repairing grammar and use errors. Students may visit The Write Place during their Lunch Hour. The Write Place is located in the 1400 Hallway.

SELECTIVE SERVICE REGISTRATION

Law requires male students who are about to turn 18, to register with the Selective Service System. Registration is a requirement for federal student loans, job training benefits, and federal employment. Students may register at their local post office or in our Registrar’s Office by presenting identification or online at their website, www.sss.gov. Students must register within 30 days before or after their 18th birthday.

STUDY HALL

The purpose of Study Hall is to provide Glenbard North students an opportunity to increase their academic achievement by working on their school-related work outside of class. All rules and procedures must reflect their purpose in addition to all the rules and expectations of Glenbard North High School.

Study Hall Rules

1. Use quiet voices
2. Passes to leave study hall must be issued by your classroom teacher
3. Non-disruptive eating and drinking is permitted

WORK PERMITS

Work permits for students 14 years of age or older may be secured in the School Counseling Office by presenting a statement from the employer which identifies the industry or company and explains the type of work to be done by the employee.

TEST FEES

Advanced Placement (AP) Fee Process & One Free Test: Glenbard charges the AP exam fee through the registration process in the summer, along with the other student fees. The AP exam is \$95 each; AP Seminar & AP Research exams are \$143 each. Our School Board

has made the investment to pay for the cost of the first AP exam for every student, so families will only be responsible for paying the AP exam fee for their student's additional exams each year. Families will have the opportunity to 'opt out' of the exam and fee by October 14, 2021, or February 14, 2022, for 2nd semester only AP courses. After the dates, families will be responsible for a \$40 unused/canceled exam fee. More information regarding the AP courses and exams can be located in the "Parents" section of our website under "AP Testing".

TECHNOLOGY DEVICE TRAINING AND SUPPORT

To support our freshmen, and any other students receiving an iPad in August, each student is required to take part in a training program during their Back-to-School day. This training is conducted by a teacher and focuses on basic functions and setup, appropriate use, Gmail, PowerSchool, etc.

If students encounter a problem with their District-leased iPads, they should report to the Tech Help Desk, just outside of the south cafeteria. Depending on the issue, it may be resolved at that time or moved to one of our technicians for support. In all cases of loss or theft, the District requires that a police report be filed and a copy of the report be submitted along with the insurance deductible before a replacement device will be issued.

LEARNING RESOURCE CENTER

You are always welcome in the LRC! The Glenbard North Learning Resource Center is a teaching and learning library while also being an extension of the classrooms throughout the school. Classes and individual students use the library more than 100,000 times a year for research. There are computers for student use, Apple TVs to project from, and more than 20,000 print and eBooks that students and staff may check out. Come down and check out our space - it's a great place to study, do some research, or simply take a break and play a game of UNO with your friends during lunch. We are here to help you succeed in your high school journey!

Teaching Librarians: Ms. Hansen and Ms. Pierce

Library Staff: Mrs. Castiglia and Mrs. Kelley

Hours: 7:00 a.m. to 3:30 p.m. Monday through Friday.

Loan periods and procedures for library materials are as follows:

- Students need a valid school ID to check out materials.
- Fiction and non-fiction books may be checked out for 4 weeks and may be renewed. Please bring the book and your ID to the library if you'd like to renew a book.
- Our DVD collection compliments the curriculum and is available to staff only.
- All materials can be returned at the library front desk or the book drop in the hallway.

No Fine Policy:

The Glenbard North library will begin a no fine policy starting the 2019-20 school year. This policy aligns North with the other Glenbard libraries, making the process of checking out and returning books more accessible to all of our students and staff. Instead of focusing on the fines, we want to ensure that the books being checked out are enjoyed, but also brought back in a timely fashion so others can use them. We hope that this will be a good transition for our students and that it will be a positive move forward for those who come to check out books.

- **Checkout Time/Renewals**
 - You have a 4 week check-out period for both physical and digital books.
 - You can renew a book IF it is still in the check-out period. If you have a missing book or an overdue book, you will not be allowed to renew any library materials.
 - If you have a lost/overdue book, you will **not** be able to check out any other library materials until the book has been returned or paid for, regardless if it is for a class.
 - Your book will automatically be marked lost after 60 days overdue.

- **How You Will Be Notified**

- Please note, you always receive a card/receipt in your book that reminds you when your book is due. You are first and foremost responsible for when your book is due! However, in case you do forget you will be notified in the following way:
 - Schoology Messages: Personal messages will be sent via Schoology letting you know that your book is late and needs to be returned.

- **Fees and Fines**

- You will be charged the price of the replacement copy of any lost/damaged materials if the book is lost or damaged beyond repair.
 - We will find the cheapest copy on Amazon and charge you that amount.
- If the book is not returned or paid for, the price of the book will be left for you to pay and will stay on your account until you do so.
- **After 60 days of your book being overdue, your book(s) will be marked lost. If we need to replace your lost book, then you will be charged the replacement cost.**

Library Use and Expectations:

Students using the library before or after school need to use a valid student ID; no pass is required before or after school. The library is most often used by teachers with their classes for research, independent reading, or technology space/usage. When the library has room, study hall students or students during their lunch can use the library if they have a yellow pass from their teacher or a privilege pass from the Deans' Office. Students who have a lunch privilege pass are welcome in the library during their lunch periods.

The expectation for study hall and lunch students is that they are here to have a space to work but you are also welcome to come in to have a space for a break. School rules apply in the library as they do throughout the school. The library is essentially a classroom and we especially expect the following:

- Respect the rights of other students and staff to a respectful atmosphere to study and do their work or hold classes.
- Computers and other electronic devices are to be used for research and school-related activities.
- If you are playing a board/card game, you are aware of the people around you and/or classes in the library.

Food in the Library

Food is permitted in the library! You may bring your snacks or a sack lunch in to eat if you are looking for a more quiet space to go. However, please be aware that **you may not bring in any ordered in food or a hot lunch from the cafeteria.** This needs to be eaten first in the cafeteria and then you can come down to the library. We have no problem with you having food in here, but we ask that you respect this boundary and always clean up after yourselves!

Library Pass Procedures

- Individual students entering the library need a pass. One student per pass, first and last name provided. We'll ask that you sign in using your student ID.
- Students will be sent back to their class, study hall, or lunch if spaces are unavailable. If we know space is not available, you will be notified via Schoology what period(s) we may be closed due to the large number of classes scheduled in the library.

HEALTH CENTER

A certified school nurse is available in the Health Center throughout the school day. A student who needs to see the nurse during the day must obtain a pass from his/her teacher before going to the Health Center unless an emergency situation exists. No student will be excused from school unless a parent, guardian, or a person designated on the emergency form has been notified and appropriate transportation arranged. Students need to see the nurse prior to calling or texting parents by cell phone. Follow the school policies regarding the use of cell phones. **See also Policy 7:100 Health Examination, Immunizations, and Exclusion of Students and Policy 7:285 Allergy Policy, Policy 7:270 Administering Medicines to Student and 7:305 Student Athlete and head injury protocol.**

PHYSICAL EDUCATION MEDICALS & EXCUSES

Parent excuses are acceptable for up to three (3) days per semester. The physician's office may FAX the medical excuse to the attention of Ms. Laura Yamate or Ms. Kerry Windle at (630) 681-3413.

Headphones are allowed to be used in the hallways as long as one ear is free and the volume is at a reasonable level. Headphones are to be stored out of sight during class unless permitted by the classroom teacher. Infraction of this rule may result in disciplinary interventions.
43. Burglary, robbery, or theft. Theft of school property, the property of school personnel, or the property of other students is forbidden. Infraction of this rule will result in disciplinary interventions, restitution, and referral to the school resource officer.

STUDENT ATTENDANCE AND TRUANCY

PROCEDURE FOR EXCUSED ABSENCES

Parents/guardians must call the attendance office before 10:00 a.m. at 630-653-9092 on the day of the student's absence. This number is available 24 hours a day. The Illinois School Code authorized the following reasons for excused absences: illness, observance of a religious holiday, death in the immediate family, family emergency. **Students are responsible for notifying their school counselor and contacting their teacher via Schoology email regarding missing assignments.** The following reasons are considered unexcused absences: oversleeping, traffic, babysitting, working, and car trouble.

PARTIAL DAY ABSENCES

Medical appointments should be scheduled outside of school hours. When this is not possible, the parent/guardian should inform the attendance office of the time the student must leave school for the appointment and the estimated time of return. The student must then pick up a "permission to leave" slip from the attendance office at the time they leave school. Upon return to school, the student must check in through the attendance office. Failure to follow this procedure may result in the absence being marked as truant and disciplinary intervention may be issued.

PRE-ARRANGED ABSENCES

A pre-arranged absence form is used to excuse a student for a scheduled college visit or family vacation (5-day limit). A completed form must be turned in to the attendance office prior to the first day of absence. This form is found in the attendance office and will be given to a student upon a parent/guardian request. Students must notify their instructors in advance of all pre-planned absences and school field trips. It is the student's responsibility to contact their instructor regarding required assignments during their pre-arranged absence. Failure to follow the procedure may result in the absence being considered truant and will count toward the 15-day limit.

PROLONGED ABSENCES

If a student is absent for three or more days, the parent/guardian should contact the student's counselor at 630-681-3107 for missed assignments. The parent/guardian should continue to call the attendance office until the student returns to school. Makeup work can be obtained by contacting teachers directly via email or Schoology. Failure to follow the procedure may result in the absence being considered truant and will count toward the 15-day limit.

PARENTS/GUARDIANS LEAVING TOWN

Please contact the attendance office with the name of the person who will be calling for you if your student is ill when you are out of town. Failure to follow this procedure will result in the student being marked truant.

MAKE-UP WORK RESULTING FROM ABSENCES

It is the student's responsibility to check with the teachers about work missed because of an absence. The teacher contact should be done immediately upon return to school. In the case of excused absences or suspensions, students will be expected and allowed to make up missed work. A reasonable amount of time will be set by a teacher and/or department chairpersons for make-up of the classwork. Credit will be given for missed tests and assignments in the event of an absence. If discrepancies remain after the student has talked with the teacher regarding this make-up procedure, the student should be directed to the appropriate Department Chair for resolution.

EXCESSIVE EXCUSED ABSENCES

When a student reaches nine or more absences from a class during a semester, an attendance conference with the Dean of Attendance, student, and parent/guardian will be held. Once a student reaches twelve or more absences in a semester, a doctor's note may be required to excuse further absences. Students who cannot provide documentation may receive disciplinary interventions that may include removal from the course or loss of credit. Students are in jeopardy of losing credit in a course after the 15th absence in the class unless there are extenuating circumstances.

LEAVING SCHOOL DURING THE DAY/CLOSED CAMPUS VIOLATIONS

Students are not allowed to leave the building unless authorized by the nurse, dean, or attendance office. Students are not allowed to leave the building during their lunch or study hall period. Students who leave the building without approval are subject to search upon return and can be assigned disciplinary interventions.

TECHNOLOGY CENTER OF DUPAGE

All TCD students will be provided transportation to and from TCD. All TCD students must check in with the Door #28/29 supervisor prior to departure for attendance purposes. Students who possess a Glenbard North Parking Pass have the opportunity to drive themselves to TCD. Paperwork must be completed and approved through the deans' office to receive permission to drive to TCD. Students who are approved to drive to TCD may only drive themselves. All students must present their I.D. to board the bus and enter TCD. All school rules apply.

TARDY PROCEDURE

Students are to be in their assigned location prior to the beginning of the period or they are considered tardy. Students who are late to class will not be admitted into their class without a tardy pass. The tardy tracking system resets after each 45-day cycle and students will “start over” with their tardies. If assigned a detention students must comply “on or by” the date listed on the printed pass received by the student. All tardies to school over 10 minutes are considered truant. Oversleeping, family errands, babysitting, missing the bus, and car trouble are not acceptable reasons for being tardy. These tardies are truant even if the parent/guardian calls the attendance office to verify tardiness. Students who are more than 5 minutes tardy to class, with the exception of 1st period, may be escorted to the dean’s office to obtain a tardy pass.

TARDY #	DISCIPLINARY INTERVENTION	STUDENT & PARENT/GUARDIAN NOTIFICATION
1-3	Warning	Tardy Pass
4-9	Lunch Detention	Tardy Pass and Parent Contact
10	Lunch Detention	Tardy Pass and Parent Conference
11-15	Detention	Dean Contact – Parent/Guardian Contact
16+	Dean Contact	The student is escorted to the dean's office and the parents are contacted immediately.

TARDINESS TO SCHOOL

If arriving late to school, the student must enter through Door 1, present their ID, obtain a tardy pass, and report directly to class. If a student is marked Tardy Excused to school, the Dean may require medical documentation. The parent must notify the attendance office if the student is late due to a medical appointment or family emergency.

TARDINESS TO CLASS

Tardiness is defined as not being in the classroom by the last tone. Each time a student is tardy to class, the classroom teacher will require that the student obtain a tardy slip from a campus monitor in order to enter the classroom.

TARDINESS TO PE

All students going to their Physical Education class must be through the doorway that leads down to the locker room by the last tone otherwise students are considered tardy and must obtain a tardy pass.

TARDINESS TO LUNCH

All students going to lunch must be past the doors in the North and South hallways (the doorway prior to reaching the 1400 hallway) by the last tone otherwise students are considered tardy and must obtain a tardy pass.

INTRODUCTION

This handbook has been prepared to provide student athletes and their parents with important information regarding the rules, policies, and procedures of the Glenbard North athletic program. Please read and review this information carefully, and also make it available to your parents.

Glenbard North athletics are governed by the rules and regulations of the Illinois High School Association (IHSA), Glenbard High School District 87, DuKane Conference, and Glenbard North High School. Glenbard North provides opportunities in 14 girls' and 14 boys' sports. Most of these sports provide multiple levels of competition.

Girls' sports are volleyball, swimming, tennis, cross country, and golf in the fall; bowling, basketball, gymnastics, cheerleading, dance in the winter; softball, soccer, badminton, and track and field in the spring.

Boys' sports are football, soccer, golf, and cross-country in the fall; bowling, basketball, wrestling, cheer, and swimming in the winter; and baseball, tennis, gymnastics, volleyball, and track, and field in the spring.

Students are allowed to participate in one sport each of the fall, winter, and spring seasons.

PHILOSOPHY OF ATHLETICS

We believe and are committed to the idea that interscholastic athletic competition is an important part of the school curriculum and plays a vital role in the development of young men and women. We believe that athletics is an educational experience beneficial to all participants. We are committed to the idea that participation in an athletic program contributes to the development of physical health and mental well-being. Students are encouraged to participate in multiple sports. A good athletic program teaches the participants that cooperation, as well as competition, are important parts of the society in which they live.

It is our mission to encourage our student athletes to participate to the best of their ability and to accept any outcome with pride and dignity. Under the guidance and encouragement of our coaches and parents, the ideal student athlete should develop the ability to draw courage from within and have the confidence to rise up and meet any adversity. If our athletes work hard and do what is required in attempting to overcome obstacles, they will be winners in every sense of the word.

Glenbard North General Requirements: Student athletes must meet all the requirements set forth by the IHSA, Glenbard High School District 87, DuKane Conference, and Glenbard North High School. Specific team requirements will be outlined to student athletes and parents at the beginning of each season.

District 87 Extra Curricular Code: Student athletes must abide by this code. A copy of the code is included in this handbook. Also, student athletes and their parents must provide signatures verifying that the student athletes agree to abide by the code. **RULES ARE IN EFFECT FOR 12 MONTHS.**

Sports Registration: All athletes must register online through PowerSchool to participate in a sport. Students will then be issued a "Gold Card" that will approve them for each sport season. In order to receive a gold card, a student athlete must be registered online and have a current physical.

Team Awareness Night: Each student is required to attend a student athlete Team Awareness night in the fall season.

Scholastic Standing: Student athletes must have passed 5 credit classes for the preceding semester and must be passing 5 credit classes on a week-to-week basis in the current semester.

Physical Exam: To be eligible to try out, practice, or compete, student athletes must have a current physical examination form on file in the school nurse's office. Physical exams are valid for 13 months.

Participation Fee: A fee of \$150.00 must be paid by each student athlete. The one-time payment allows an athlete to participate in a sport each season. In accordance with District 87 policy, the fee must be paid by the first contest or the student athlete will not be allowed to compete. This fee is not refundable or transferable.

Attendance: Student athletes are expected to attend all classes, practices, and contests. Student athletes who stay home sick must be in attendance at least the last four periods of their schedule to practice or play. Students who are excused from school for reasons other than illness may be eligible with the approval of the Principal or Assistant Principal for Athletics.

Residence: Student athletes and their parents must reside in the district unless a special ruling is obtained. All residency or change in residency must be approved by the IHSA.

INHERENT RISK

Student athletes and their parents are to be aware that athletic participation has inherent dangers and risks. Even though participation and practice is within the rules of a sport and the instruction of a coach is followed, one may suffer catastrophic injury. To attempt to avoid the possibility of injury, a coach's instructions regarding techniques, training and team rules must be followed at all times and participation must always be within the rules of a sport.

INSURANCE

Student accident insurance coverage will be provided for each student. Coverage is in excess of all other collective insurance. You should have received a brochure that contains specific details of the coverage exclusions and limitations with your registration package. Football is excluded, but optional coverage is available.

INJURIES

Student athletes should report all injuries to their coach and athletic trainer immediately. Our certified athletic trainer is available to treat injuries and assist with rehabilitation. If a doctor withholds a student athlete from participation, a written release from the doctor is required to resume participation.

TRAINING ROOM

The purpose of the training room is to provide treatment for the prevention and/or rehabilitation of injuries. It is to be used only when necessary. After treatment is completed, student athletes are to leave the training room. Student athletes should inform their coaches when they are in the training room. Do not use material or equipment without the permission of the trainer.

TRANSPORTATION

Bus transportation is provided to and from all away athletic contests. All student athletes are required to ride the team bus or van unless a parent makes a written request prior to the contest. Athletes will then be permitted to travel only with their parents.

LATE (AFTER PRACTICE) BUS

Student athletes are dismissed from practice in time to board one of the athletic late busses, which normally leave at 4:00 p.m. and 5:45 p.m. To ride the bus is a privilege. Mature behavior is expected at all times. Students must present their I.D. card at the request of the driver. Students are also expected to act appropriately while waiting for the late bus to arrive. Any student that does not act appropriately may risk the ability to ride the bus and/or removal from the team.

EQUIPMENT

A student athlete is responsible for each item of equipment issued. Since the equipment may be valued at hundreds of dollars, it should be secured at all times. Lost equipment must be paid for at replacement cost. Grades will be withheld, or in the case of a senior, graduation will not be permitted until equipment is returned or replaced. Participation in a subsequent sport will also be denied if equipment obligations are not met. School issued equipment and uniforms are to be worn only as a member of the school team.

LOCKER ROOM GUIDELINES

All student athletes will be assigned a locker in the locker room. Use only the locker and lock assigned to you and keep it locked at all times. For security reasons, keep combinations confidential. Student athletes are expected to demonstrate appropriate behavior in the locker room. Inappropriate behavior will not be tolerated or may result in extracurricular code violations. Towels and trash should be placed in the proper receptacles.

AWARDS POLICY

A first-time varsity letter winner is awarded an 8" chenille "G". A varsity certificate is given for each subsequent varsity award. 4" chenille numerals are awarded to freshmen. A 4" chenille "G" is presented to first-time sophomore and junior varsity award winners. Three-sport patches are awarded to each student athlete who participates in three sports during the school year. The "12 sport award" is awarded to seniors that participated in 3 sports for 4 years. A Most Valuable Player award is also presented for each varsity sport.

ALL-CONFERENCE & ALL-STATE PICTURES

Student athletes named to an all-conference team will have an 8 x 10 picture on display with other all-conference athletes for the remainder of the year. A record will be kept of all-conference athletes and will be displayed in our TouchPro Screen. Student athletes named to an all-state team or who earn an individual state medal will have an 11 x 14 picture on display with other all-state athletes.

ATHLETIC AND OTHER EXTRACURRICULAR ACTIVITY RECOGNITION

Glenbard District 87 students are involved in a variety of activities, perform at a high level, and the District commends them all on their many accomplishments. The District will formally recognize students and/or teams that have placed in the top three in state competitions in IHSA sponsored events. The District further recommends that all public displays in the community be for students/teams that have placed in the top three in IHSA state competitions. For more information on IHSA sponsored events, see the IHSA website, www.ihsa.org.

SUMMER CAMPS

Summer camps are offered for many sports at Glenbard North. All camps are offered through the Carol Stream Park District. Information can be obtained in the athletic office or at Carol Stream Park District. Financial assistance may be available for those in need. Insurance for all summer camps is not provided through Glenbard North HS or District 87.

GB ATHLETIC BOOSTER CLUB

The Glenbard North Athletic Booster Club is a tremendous supporter of the athletic program. ALL PARENTS ARE ENCOURAGED TO JOIN THE BOOSTERS. Glenbard athletics expects each parent to donate 3 hours per year to the athletic boosters. Each school year, the Boosters purchase thousands of dollars of equipment for the athletic program. Also, the Boosters award multiple scholarships each year to graduating seniors whose parents are members of the club. Season passes can be purchased from the Boosters. Please visit the Athletic boosters at www.gbnboosters.com

STUDENT ACTIVITIES

Philosophy: Glenbard North High School encourages students to participate in a wide range of vibrant student organizations and activities because our school considers such participation to be vital to our students' educational and social growth. By nature, these organizations are built on the foundational pillars of diversity, inclusion and equity, offering a safe haven for students from all backgrounds, orientations, and walks of life to pursue their interests and develop their talents. Our goal is to connect Glenbard North's diverse student population, including underrepresented groups, with Student Activities. We believe that when students are involved in extracurricular activities, it helps them become more well-rounded, participate in democratic communities and develop leadership skills. By taking initiative, students gain valuable experience in planning and executing school events and projects. Such experiences will undoubtedly equip students with the capacity to thrive as leaders in their own communities in the future. Moreover, research has repeatedly shown that students who are actively engaged in extracurricular activities generally do better in school and life than those who do not become involved in such functions. Beyond the classroom, extracurricular involvement helps students reach their full potential by offering them an opportunity to be creative, collaborate with others, develop communication skills, think critically about the wider world, embrace diversity, and become self-empowered. Furthermore, extracurricular opportunities also provide teacher-advisors a window into student life outside of the classroom, where they can uncover the unique potential in each student. Such belief in student ability can enhance collective teacher efficacy, a leading determinant of student achievement and school health. Ultimately, teacher-advisors have an opportunity to gain valuable insights concerning students with whom they work, forming mutually beneficial connections.

District 87 Extracurricular Code: Students involved in student activities must abide by this code. A copy of the code is included in this handbook. Also, students and their parents must provide signatures verifying that the student agrees to abide by the code. RULES ARE IN EFFECT FOR 12 MONTHS.

DISCLAIMER

This version of the student handbook contains policies, procedures, and exhibits already in place at the time of publication. These are subject to change or to be eliminated as a result of actions taken by the State, federal government, or the School Board. A complete set of current policies is located on the District 87 website. See the [Transparency page](#).

Students with Disabilities

Students with disabilities who do not qualify for an individualized education program (IEP) pursuant to the federal *Individuals with Disabilities Education Improvement Act* (IDEA) and implementing provisions of the *Illinois School Code* may qualify for services under Section 504 of the federal *Rehabilitation Act of 1973*. A student may qualify for a Section 504 Plan if the student: (i) has a physical or mental impairment that substantially limits one or more major life activities, (ii) has a record of a physical or mental impairment, or (iii) is regarded as having a physical or mental impairment. Section 504 contains a broader definition of a disability than the IDEA, so a student who does not qualify for an IEP might still be able to receive accommodations and related services under a Section 504 Plan. For more information regarding the identification, assessment and placement of students, please contact [name] [title] [location] [phone number] [email].

New School Code language [105 ILCS 5/14-6.01]:

Beginning with the 2019-2020 school year, a school board shall post on its Internet website, if any, and incorporate into its student handbook or newsletter notice that students with disabilities who do not qualify for an individualized education program, as required by the federal Individuals with Disabilities Education Act and implementing provisions of this Code, may qualify for services under Section 504 of the federal Rehabilitation Act of 1973 if the child (i) has a physical or mental impairment that substantially limits one or more major life activities, (ii) has a record of a physical or mental impairment, or (iii) is regarded as having a physical or mental impairment. Such notice shall identify the location and phone number of the office or agent of the school district to whom inquiries should be directed regarding the identification, assessment and placement of such children.

ATTENDANCE PHILOSOPHY

Our attendance policy is based upon the following assumptions:

1. In accordance with the requirements of the School Code of Illinois and in recognition of the responsibilities imposed upon parents, it is the policy of District 87 that students shall attend school on a regular basis. Student attendance in class is not optional; it is a requirement of every class. We believe that regular class attendance increases the student's probability for successful performance and fosters the development of self-discipline and responsibility. The Board of Education further believes that the school administration and staff have a duty to rigorously and consistently enforce school regulations dealing with class attendance.
2. While the major responsibility for attendance rests with the student, the school and the parents share responsibility. Students are expected to attend every meeting of every class and study hall; the school has an obligation to inform both students and parents of the student's progress and attendance in all classes; and parents/guardians are obligated to inform the school when their student is absent and to give the reason for the absence.

Excessive absences from school limit the ability of a student to achieve. For this reason, attending school on a regular basis is a requirement for all students. The entire staff at Glenbard District 87 has a responsibility to hold students accountable in this area. For this reason, we maintain the following intervention strategies related to attendance:

- Our student data management system, PowerSchool will provide daily attendance information for teachers, parents/guardians and administrators to view electronically.
- Attendance staff will screen truanties daily and call home for any student who is three or more periods truant within any given day.
- Whenever a student is truant from a class, the Dean's Office will contact the student the following day to confirm the truancy. Truancies will be documented in PowerSchool and a letter to the student's parent/guardian will be generated on the next school day.
- **For every truancy (unexcused absence) there will be a contact with the student, an attempt to call the student's parent, a letter sent to the parent and a consequence or intervention with the student.**
- After five truancies and five interventions for an individual course, a student may be denied credit for the course. Those who are denied credit will be referred to their guidance counselor to explore credit options.
- Excessive excused absences interfere with student achievement. A student who has excessive absences will be required to provide medical documentation for each absence or meet with the school nurse on the same day in order to excuse absences. During any given semester, when a student reaches over nine absences from a class there will be an attendance conference with

his or her Dean and parent contact will be made. Should the student reach twelve or more absences, a doctor's note will be required to excuse further absences. After fifteen absences, a student may lose credit for the individual class. Those who are denied credit will be referred to their guidance counselor to explore credit options.

- Any student who has chronic attendance issues may be referred to the DuPage County Truancy agency, Truancy Intervention Program.

**Illinois High School Association
(For 2021-22 School Term)**

This summary is for the purpose of assisting in the understanding of IHSA By-laws and Policies. In case of a conflict between this publication and the constitution and by-laws of the IHSA, the constitution and by-laws shall control.

Key Provisions Regarding IHSA Rules Eligibility Rules

When you become a member of an interscholastic team at your high school, you will find that both your school and the IHSA will have rules you must follow in

order to be eligible for interscholastic participation. The IHSA's rules have been adopted by the high schools which are members of IHSA as part of the Association's constitution and by-laws. They must be followed as minimum standards for all

interscholastic athletic competition in any member high school. Your high school may have additional requirements, but they may not be less stringent than these statewide minimums.

The principal/official representative of your school is responsible to see that only eligible students represent the school in interscholastic competition.

Any question concerning your eligibility should be referred to your principal/official representative, who has a complete copy of all IHSA eligibility rules, including the Association's due process procedure. Only the IHSA Executive Director is authorized to

make formal rulings on eligibility, so if your principal/official representative has questions or wishes assistance in answering your questions, the principal/official representative should contact the IHSA Office.

Information contained here highlights some of the most important features of the IHSA by-laws regarding interscholastic eligibility. It is designed to make you

aware of major requirements you must meet to be eligible to compete in interscholastic competition. The information here is only a general description of major by-law provisions and does not contain the statement of the by-laws in their entirety. You can review the

by-laws at www.ihsa.org.

You may lose eligibility for interscholastic competition if you are not in compliance with IHSA by-laws. Remember, if you have any questions regarding IHSA

rules, please contact your principal/official representative.

1. Attendance

A. You may represent only the school you attend. Participation on a cooperative team of which your school is a member is acceptable.

You must be enrolled and attending classes in your high school no later than the beginning of the 11th school day of the semester.

B. If you attend school for ten (10) or more days during any one semester, it will count as one of the eight (8) semesters of high school attendance during which you may possibly have eligibility.

C. If you have a lapse in school connection for ten (10) or more consecutive school days during a semester, you are subject to ineligibility for the rest of

the semester. The specific terms of your extended absence must be reviewed by the Executive Director to determine if it is "lapse in school connection" or not.

2. Scholastic Standing

A. You must pass twenty-five (25) credit hours of high school work per week. Generally, twenty-five (25) credit hours is the equivalent of five (5) .5 credit courses (2.5 full credits).

B. You must have passed and received credit toward graduation for twenty-five (25) credit hours of high school work for the entire previous semester to be eligible at all during the ensuing semester.

3. Residence

Your eligibility is dependent on the location of the residence where you live full time with your parents, parent who has been assigned custody by the court, or court appointed legal guardian.

You may be eligible if you are entering high school as a freshman and:

A. You attend the public high school in the district in which you live full time with both of your parents, custodial parent or court appointed guardian; or

- B. In the case of a multiple school district, you attend the public high school in the attendance area where you live full time with your parents, custodial parent or court appointed guardian; or
- C. You have paid tuition to attend a public school for a minimum of 7th and 8th grades in a district other than the one where you live with your parents, custodial parent or court appointed guardian and you continue to pay tuition as a high school student in that same district; or
- D. You attend a private/parochial school located within the boundaries of the public school district where you live with your parents, custodial parent or court appointed guardian; or
- E. You attend a private/parochial high school and have attended a private/parochial school for 7th and 8th grades, or for any four (4) grades from kindergarten through eighth grades; or
- F. You attend the private/parochial high school which one or both of your parents attended; or
- G. You attend a private/parochial high school located within a thirty (30) mile radius of the residence where you live with your parents, custodial parent or court appointed guardian.

4. Transfer

- A. In all transfer cases, both the principal of the school from which you transfer and the principal of the school into which you transfer must concur with the transfer in writing on a form provided by the IHSA Office. You cannot be eligible when you transfer until this form is fully executed and on file in the school office.
- B. If you transfer after classes begin for the current school term, you will definitely be ineligible for thirty days from the date you start attending classes at the new high school. In addition, you will be ineligible for that entire school term in any sport in which you engaged in any team activity, including but not limited to tryouts, drills, physical practice sessions, team meetings, playing in a contest, etc. at the school from which you transferred. For example, if you were out for cross country at the school from which you transfer and transfer after the IHSA sport season has begun, you will be ineligible for cross country that entire school term at the new school.
- C. If you transfer attendance from one high school to another high school, you will be ineligible unless:
 - 1. Your transfer is in conjunction with a change in residence by both you and your parents, custodial parent or court appointed guardian from one public school district to a different public school district;
 - 2. Your transfer is between high schools within a public school district and both you and your parents, custodial parent or court appointed guardian change residence to the district attendance area for the school to which you transfer;
 - 3. Your parents are divorced or legally separated; you transfer to a new school in conjunction with a modification or other change in legal custody between your parents by action of a judge; and required court documents are on file at the school into which you transfer;
- D. If you transfer in conjunction with a change in legal guardianship, a ruling on your eligibility must be obtained from the IHSA Office.
- E. If you transfer attendance from one school to another while you are ineligible for any reason, the period of ineligibility imposed prior to your transfer or the period of ineligibility that would have been imposed had you stayed at the school, will be enforced at the school to which you transfer, even if you are otherwise in compliance with the by-laws.

Athletic Eligibility Rules—Page 2

- F. Any questions about your eligibility in any of these instances must be resolved by a formal ruling from the IHSA Executive Director.
- G. In all other transfer situations, a ruling by the IHSA Executive Director is necessary to determine your eligibility. This ruling must be obtained in writing by the principal/official representative of the school into which you transfer before you participate in an interscholastic athletic contest.

H. The IHSA Executive Director may grant limited eligibility if you transfer schools prior to the start of your sophomore year and are not otherwise in compliance with the transfer eligibility by-laws.

5. Age

You will become ineligible on the date you become twenty (20) years of age, unless your twentieth (20th) birthday occurs during a sport season. In that case, you will become ineligible in regard to age at the beginning of the sport season during which your twentieth (20th) birthday occurs.

6. Physical Examination

You must have placed on file with your principal/official representative a certificate of physical fitness, signed by a licensed physician, physician's assistant or nurse practitioner in order to practice or participate. Your physical examination is good for 395

days from the date of the exam. The physician's report must be on file with your high school principal/official representative.

7. Amateur Status

A. If you win or place in actual competition, you may accept a medal or trophy for that accomplishment, without limit to its cost. Your school may provide IHSA state champions with championship rings/mementoes.

B. For participating in competition in an interscholastic sport, or for athletic honors or recognition in a sport, you may receive any

type of award (except cash, check or legal tender) that does not exceed \$75 fair market value. There is no limitation on the value of your school letter.

C. The amateur rule does not prohibit you from being paid to referee, receiving pay for teaching lessons or coaching in a little kids

league, etc. It only applies to your own competition in an athletic contest.

D. If you violate the amateur rule, you become ineligible in the sport in which you violate. You must be reinstated by the Executive

Director before you may compete again.

8. Recruiting of Athletes

A. The by-laws prohibit recruiting of high school students for athletics. If you are solicited to enroll in or transfer to a school to

participate in athletics, you are being illegally recruited and your eligibility is in jeopardy.

B. You will lose your eligibility if you enroll in or transfer to a school in response to recruiting efforts by any person or group of persons, connected with or not connected with the school, related to athletic participation.

C. You will lose your eligibility if you receive special benefits or privileges as a prospective student-athlete which are not uniformly made available to all students who attend your school.

D. You may not receive an "athletic scholarship" or any other special benefit from your school because you participate in athletics.

E. It is a violation for any student-athlete to receive or be offered remuneration or any special inducement which is not made available to all applicants who apply to or enroll in the school.

F. It is also a violation to induce or attempt to induce or encourage any prospective student to attend any member school for the purpose of participating in athletics, even when special remuneration or inducement is not given. Please remember that you may not be offered or receive any benefit, service, privilege or opportunity which is not also provided or made available to all prospective students at that school.

Note: If you are interested in finding out more information about a school, contact the principal/official representative or an administrator at the school, not a member of the coaching staff.

9. School Team Sports Seasons

A. Each sport conducted by IHSA member schools has a starting and ending date. Your school may not organize a team, begin practice

or participate in contests in a given sport until the authorized starting date. Your school may not continue to practice or participate in contests after the authorized ending date. This means that:

1. During the school year, you may not participate on a non-school team coached by any member of your school's coaching staff unless it meets specific criteria established by the by-laws.

2. No school coach may require you to participate in an out-of-season sport program as a requirement for being a member of a school team.

B. Violation of the sport season by-laws will result in penalty to you and/or to your school's coaching personnel.

10. Playing in Non-School Competition

A. During the time you are participating on a school team in a sport at your high school, you may neither play on a non-school team

nor compete in non-school competition as an individual in that same sport or in any skill of that sport.

B. If you participate in non-school competition during a sport season and subsequently wish to join the school team in the same

sport, you will not be eligible.

C. If you wish to participate in a competition sanctioned by the National Governing Body of a sport, a junior affiliate of the National Governing Body of a sport or an official Illinois

affiliate for the sport, your principal/official representative must request approval through the Schools Center prior to any such

participation.

D. You may try out for a non-school team while you are on your school's team in that same sport, but you may not practice, receive instruction, participate in workouts, or participate in

competition with a non-school team in that same sport until you cease being a member of your school's team. You cease being a

member of your school's team when the team(s) of which you are a member terminates for the school term.

E. You will become ineligible if you participate on, practice with or compete against any junior college, college or university team during your high school career.

11. All-Star Participation

A. After you have completed your high school eligibility in the sport of football, basketball, soccer or volleyball, you may participate in three

(3) all-star contests in any of these sports and still play for other school teams, provided the high school season in that sport has been completed.

You may lose your eligibility for other interscholastic sports if you play in all - star competition in any of these sports under any

other conditions.

B. You are not restricted from participating in all-star competition in sports other than football, basketball, soccer or volleyball,

except that you may not do so during the school season for the sport.

12. Misbehavior During Contests

A. If you violate the ethics of competition or the principles of good sportsmanship, you may be barred from interscholastic athletic

contests, either as a participant or spectator or both.

B. If you are ejected from a contest for unsportsmanlike conduct, you will be ineligible for your team's next contest. You are also

subject to other penalties.

ILLINOIS STATE SEAL OF BILITERACY PROGRAM

Glenbard Township High School District 87 will participate in the Illinois State Seal of Biliteracy program in the 2021-2022 school year. The program recognizes high school graduates who have attained a high level of proficiency in one or more languages in addition to English, by designating on a student's transcript and high school diploma his or her receipt of the State Seal of Biliteracy. By law, Illinois public universities must grant college credit for students who have earned the Seal of Biliteracy.

Students may demonstrate proficiency in a targeted foreign language on the Assessment of Performance toward Proficiency in Languages (AAPPL) or the Standards-Based Measurement of Proficiency (STAMP) test.

Please contact the Program Coordinator, Mike Fumagalli at michael_fumagalli@glenbard.org with any questions.

THE EDUCATIONAL RIGHTS OF ILLINOIS' CHILDREN & YOUTH IN HOMELESS SITUATIONS

Statewide Access to Education for Homeless Children and Youth

If you have any questions regarding the educational rights of homeless children and youth in Illinois, you can contact:

Glenbard Twp High School District 87 Homeless Liaison
Ms. Janet Cook, Assistant Superintendent for Student Services
(630) 469-9100 or contact the school Assistant Principal of Student Services

The Educational Rights of Homeless Children & Youth

Homeless children and youth face special problems in getting to school and staying in school. Many homeless families move during the school year, sometimes more than once. School records get lost. Physical examinations and immunizations required for school may be hard to get. Both Illinois and federal law – the Illinois Education for Homeless Children Act and the federal McKinney-Vento Homeless Assistance Act – require that school district liaisons provide assistance to homeless children and youth to solve these problems. These liaisons have an ongoing obligation to understand the barriers faced by homeless children and youth in enrolling, attending and succeeding in school and an obligation to address those barriers, whatever they may be.

Illinois school district liaisons are required to take action to help children and youth who are homeless. The educational rights and benefits for homeless children and youth are described below.

Who is Homeless?

The definition of “*homeless*” under Illinois (and federal) law is very broad. It includes a person who lacks a “fixed, regular and adequate nighttime” abode; a person whose primary nighttime residence is a shelter (including transitional housing or hotels) or a place not ordinarily used by human beings for sleeping (box, car, etc). **This definition is broad enough to include “the hidden homeless”, i.e., children and youth that are temporarily doubled-up in housing because they cannot afford a place to live.**

TECHNOLOGY

iPad Rentals

District 87 has completed the transition from textbooks to electronic devices. All students are now issued iPads for instruction and the majority of curriculum materials will be delivered electronically. The annual rental fee for the iPad is \$189, which includes insurance, technical support and use of loaner equipment. After the family has made 4 annual rental payments over the student's career at Glenbard and student's account is paid in full, the device will become the property of the student. Glenbard charges an annual fee of \$85 for digital curriculum. Any curriculum materials not provided electronically will be provided at no additional cost. This includes textbooks, paperback novels, and workbooks. Items that will still need to be purchased include PE uniforms and locks, and any supplies required by the teacher for that specific course.

LATEX BAN

Many students have latex allergies and our schools will take every step to ensure that our students are safe and healthy. **This means that latex products like latex balloons and silly string will not be allowed on campus at any time.**
