Dear Students -

All of us here at Glenbard West are excited to be starting the 2022 - 2023 school year. This year's Castle Keys will be presented in electronic form in order to save money and protect the environment. This document is very important as it includes all Glenbard West rules and guidelines as well as school policies and procedures. Glenbard West students and families should familiarize themselves with our expectations while they also familiarize themselves with everything that Glenbard West has to offer. In many ways, the Castle Keys Handbook acts as a blueprint for success.

This handbook contains information helpful to academic success as well as participation in clubs and sports. All students are encouraged to review the book with their parents or guardians in order to understand the many opportunities afforded to a West student. We encourage students to pursue their interests inside and outside of the classroom through all four years of their high school experience.

The high school experience is designed to help students develop autonomy and resiliency. This document provides the names of many organizations and resources along with those adults who are here to help and answer questions. I encourage students to advocate for themselves by reaching out to a Glenbard West adult with any questions or concerns. Also, using the handbook along with an electronic calendar is a good way to stay organized and informed. Good luck to you and have a great year.

Sincerely,

Peter Monaghan, Ed.D.

TRADITION

Pride! Tradition! Excellence! These words embody the feeling of our students and staff toward "The Castle." Pride in achievement, recognition of tradition, and an attitude of success are the keys to excellence and accomplishment. This attitude is almost tangible at Glenbard West and makes the pursuit of excellence a reality in our classrooms and throughout our co-curricular programs.

John W. Gardner wrote,

"Whoever I am or whatever I am doing, some kind of excellence is within my reach."

For Glenbard West students, those words may serve as a guideline for a rich and fulfilling high school career. All types of students come to Glenbard West. All have something to contribute to our school; some kind of excellence is within the reach of every student. The quality of this proud old school is recognized nationally. It welcomes you!

A HISTORICAL SKETCH OF GLENBARD WEST

Glenbard Township High School was truly established in the 1922-1923 school year when students began their first full year of attendance on this campus.

Students in Glen Ellyn had previously attended the Glen Ellyn High School which was located on the second floor of the DuPage Bank Building. This school was founded in 1916 with Mr. A. W. Holzman as Principal. When Mr. Fred L. Biester took over this office in 1918, the faculty consisted of five members who instructed 120 students in a basic curriculum. We have grown to a teaching staff of over 140 who work with approximately 2,250 students.

By 1920 the enrollment had far outgrown the bank building and the various church basements which had been called into service. A search began for a building site. "Honeysuckle Hill" was then purchased for the new high school. It was a wild patch of weeds and trees, and the parking lot was a deep ditch. Lake Ellyn blanketed the entire football field and was sold to the Park Board for one dollar.

After the site had been chosen, Lombard, a non-high school district, asked to be included in the Glen Ellyn district. The two communities combined their efforts, and Glenbard High School was born. The original school consisted of the section west of the present main office.

Over the years, Glenbard has continued to grow in answer to the ever-increasing pressure of enrollment. The first addition was made in 1926, the auditorium in 1931, and the Hilltop gym in 1936. The east wing was added to the building in 1953. Biester Gym was built in 1958. In 1959 Glenbard East was built in Lombard, and the original school became Glenbard West. In 1964-65, there was a complete renovation of Glenbard West, including the addition of new choral, band, and physical science facilities. In the years that followed, our George Zahrobsky Botanical Garden, our Shakespeare Garden, and our Poet's Corner were added to further enhance the beauty of our campus. The most recent additions, a new state of the art Science

Wing and full building air conditioning were completed in the Fall of 2016. In addition, a new library and field house were completed in the fall of 2001 as well as our Memorial Field turf in 2010.

Hey Hilltoppers,

One hundred years defines us this school year. Glenbard West has seen its share of obstacles and triumphs in the last 100 years. But beyond that, Glenbard West has grown tremendously and continues to display its pride and devotion through these obstacles. Future classes will remember our teachers', administrators' and student body's perseverance, strength, and hard-work when Glenbard West was trying to get back on track through these last couple years. We will make the biggest mark this 100th year with Circle Drive back in place, Homecoming back in Biester, and our Glenbard West community stronger than ever. We would like to start off this year with the same passion, enthusiasm, and excitement as last year and turn the page to our next chapter here at West.

Glenbard West does an outstanding job at offering an abundance of challenging, interesting classes for all students. West has many intriguing electives that help determine your passions beyond high school—classes for students to be able to test what career path they may be heading towards. Thinking of our school, it is hard not to say we don't go to a fantastic school. All of us have the privilege of attending such an exceptional high school and the family that comes along with it. I know calling a school environment a family might be weird, but once you fully immerse yourself in the so-called high school experience that West has to offer, you will find yourself saying the same. As Hilltoppers, we are given the opportunity to explore our unknown interests and connect with those you wouldn't expect to connect with. Here at West, our teachers don't only educate their students, they are here to form connections and make their students feel comfortable to guide them when needed. West prepares you for YOUR specific journey ahead.

I am grateful for Glenbard West but most particularly I LOVE our theme weeks. Whether it be Homecoming week, Finals week or Senior theme days, you get a dose of crazy castle spirit! Everyone gets involved and you feel how connected the student body really is. This goes the same for sporting events. Our student body does an AMAZING job at showing up for ALL our sports teams. West is about being proud to be a Hilltopper. Show up and be loud—show the other schools that West is best!

The most important thing I am grateful for at our school is all the memories and connections I have made. West has allowed me to find myself. Freshman year if you told me I would be writing this letter as president I wouldn't have believed you. Fully immersing yourself in the West culture by joining different clubs, activities, and interesting classes you will understand

yourself as a student and, more importantly, as a person. West has allowed me to understand how to push myself and how to react to different situations. Don't just come to Glenbard West to sit in class and learn, make your four years here count!

Here's to another AMAZING YEAR! GO WEST!

Your President, Anastasia Andrianopoulos

Activity Pass

An Activity Pass allows students admittance to all home athletic contests and is included in the registration fee. The pass does not include admission to musicals, plays, and regional or sectional athletic contests and special tournaments.

Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator. The Superintendent and Building Principal shall use reasonable measures to inform staff members and students of this policy and grievance procedure.

Advance Placement (AP) Fee Process & One Free Test

Glenbard charges the AP exam fee through the registration process in the summer, along with the other student fees. The AP exam is \$95 each; AP Seminar & AP Research exams are \$143 each. Our School Board has made the investment to pay for the cost of the <u>first</u> AP exam for every student, so families will only be responsible for paying the AP exam fee for their student's additional exams each year. Families will have the opportunity to 'opt out' of the exam and fee by **November 15, 2022 or March 15, 2023 2nd semester only AP courses**. After the dates, families will be responsible for a \$40 unused/canceled exam fee. More information regarding the AP courses and exams can be located in the "Parents" section of our website under "AP Testing". If you are in need of financial assistance for AP Exam Fees, please contact your building API.

iPad Help Center

The office is open from 7:15 AM to 3:00 PM daily. A technology expert will be available during the school day to assist in iPad technology questions not answered by teachers. Replacement parts (cords, chargers, keyboards, etc...) will be available at the Help Center.

Bulletins

The <u>West Wind</u> will be telecast each Monday at the beginning of period 2. The <u>West Wind</u> will additionally be placed on Schoology for West Staff and West Students, along with the school website, and TV monitors each day by 2:30 p.m. Announcements are due via the Google Form by 12:00 p.m. each day. *The sponsor or teacher responsible must submit the announcement.*

Use of bulletin boards and display cases space must be arranged through Mr. Mitchell, Assistant Principal for Student Services.

Cafeteria

The Glenbard West Cafeteria is operated by Sodexo and provides a variety of items ranging from hot and cold lunches, beverages and snacks for students. In order to promote cleanliness and efficient food service, students are expected to be courteous to staff and students while observing the following rules:

- 1. PICK UP ALL LITTER AFTER EATING.
- 2. DEPOSIT DISPOSABLES IN WASTEBASKETS/RECYCLE.
- 3. Return tray and washable utensils to the appropriate place.
- 4. Carefully clean up spilled food and/or broken utensils. The custodian will provide brushes, mops, and dustpans as needed.
- 5. FOOD MAY NOT BE TAKEN OUT OF THE CAFETERIA.
- **6**. Students will only be permitted to enter and leave the cafeteria at the start, midpoint, and end of periods four, five, six, and seven.
- 7. Because of classes in session, students from the cafeteria may use only the washrooms located at the East end of the 200 floor.

Cafeteria Prepayment

Notice of Procedures – The food services department uses a computerized point of sale program, which enables parents to prepay for meals. To use the program, students scan their ID to deduct the food cost from a prepaid balance. Similar to a debit card, the system will not accept charges or allow negative balances. Students can monitor the balance by asking the cashier as they proceed through the line. Students are also allowed to make daily purchases with a credit card

Cafeteria Prepayments Using the Internet – A link to a secured website service for submitting prepayments using the Internet can be found at www.glenbard.org. The website accepts credit cards and uses the student ID number to enter deposits into the District 87 cafeteria prepayment system. After creating an account, the balance can easily be checked. Money remaining in a student's account at the end of the year will remain in the account, to be used the following school year. If requested in writing by a parent, account balances for graduating seniors or students moving out of the district can be transferred to other family members, or if more than \$10.00, refunded at the end of the school year. All refunds must be requested in writing by a parent or guardian. Refund checks will be mailed to parents. No cash refund will be issued. Students should spend balances of less than \$10.00 since no refund will be issued for this amount.

Dress Code

Glenbard West strives to create a community that does not judge people based on their dress or fashion, but values individuality. At the same time, clothing may interfere with the educational environment as defined in the prohibited behaviors section. Students are encouraged to dress in a manner that reflects their individuality and self-expression, but which is also appropriate in an educational setting. Students may wear: •Hats facing straight forward or straight backward. Hats must allow the face and eyes to be visible to staff, and not interfere with the line of sight of any student or staff. • Religious Headwear including but not limited to headscarves and bandanas • Hoodie sweatshirts (wearing the hood overhead is allowed, but the face must be visible to the school staff)

Equity (Equal Education Opportunities)

Glenbard Township High School District 87 does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, marital status, disability, or

the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. Glenbard offers classes in several college preparedness courses, as well as career classes at TCD, admission to which is non-discriminatory. Lack of English-language proficiency will not be a barrier to admission and participation in those programs.

Any student may file a sex equity complaint by using the Uniform Complaint Procedure. A student may appeal the School Board's resolution of the complaint to the Regional Superintendent of Schools (pursuant to 105 ILCS 5/3-10 of <u>The School Code</u>) and, thereafter, to the State Superintendent of Education (pursuant to 105 ILCS 5/2-3.8 of <u>The School Code</u>).

Family Educational Rights and Privacy Act (FERPA) Notice

The federal *Family Educational Rights and Privacy Act* (FERPA) [20 U.S.C. § 1232g; 34 CFR Part 99] and the *Illinois School Student Records Act* (ISSRA) [105 ILCS 10/1 et. seq.; 23 Ill.Adm.Code § 375] afford parents and students certain rights with respect to school records.

Insurance

District 87 provides 'school time' accident insurance protection for your student as part of its current insurance program. 'School time' includes the school day while your student is attending academic school sessions and up to one hour before and one hour after regular classes. Your student is protected during school-sponsored activities as well, which further includes travel directly or indirectly and uninterrupted to and from such school activity. Note: This coverage does not include interscholastic tackle football. Optional coverage can be purchased for two programs: 24-Hour Optional Coverage and Grade 9-12 Interscholastic Tackle Football. Insurance brochures will be available during BACK-TO-SCHOOL WEEK or by calling the school. Benefits are secondary to all other collectible insurance policies. Accidents or injuries must be reported to the appropriate teacher, coach, trainer, or nurse as soon as possible. Accidents that are not reported within 30 days of the accident will not be covered by the insurance carrier. Medical insurance is the responsibility of the parents. This insurance program is for 'school-time' accidents only.

Lockers

Students will be assigned a corridor locker by the Dean's Office. Gym lockers will be assigned by the physical education teachers and athletic lockers will be assigned by the coaches. Hall lockers have built-in locks. Physical Education students, athletes, and band members will purchase the high-security combination lock for their use in those areas.

THE SCHOOL DOES WHAT IT CAN TO SAFEGUARD STUDENTS AGAINST THEFT; HOWEVER, THE SCHOOL CANNOT ASSUME RESPONSIBILITY FOR LOSSES. STUDENTS ARE URGED NOT TO KEEP VALUABLES OR MONEY IN THEIR LOCKER AND TO KEEP THEIR LOCKER LOCKED. SCHOOL AUTHORITIES RESERVE THE RIGHT TO OPEN AND EXAMINE THE CONTENTS OF ANY LOCKER AT ANY TIME!

Students will not write on, deface or vandalize their locker in any way. Furthermore, students may not share individual lockers or their combinations with other students. At the end of the year, lockers will be inspected; students with lockers that have been written on or require extra cleaning will be assessed a \$25.00 charge. If a locker does not work properly, the students

should report this to the Dean of Students or Assistant Principal for Operations. The Assistant Principal for Student Services, Deans, and other designated officials may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student.

The student has no reasonable expectation of privacy in the above-mentioned places and areas, or in their personal effects left in these areas.

Lost & Found

A student who finds any lost article in the school or on campus should take it to the Security Desk where the owner can claim it. Articles such as athletic equipment, which are found in either the gyms or in any of the locker rooms, should be turned in to the Physical Education teachers or the Athletic Office.

Pandemic Preparedness

In the event of a disease outbreak, epidemic, or pandemic, emergency school closings may be necessary at the direction of state/local health officials or the Illinois State Board of Education (ISBE). During extended school closures, the District will implement a remote learning program consistent with ISBE guidance. Parents and guardians will be required to perform daily temperature checks and health screenings for their child(ren) before school and report this information to school staff members. School personnel may perform temperature checks and health screenings for students at school as necessary at the sole discretion of school personnel. If a student has a fever higher than 100.4 degrees Fahrenheit or exhibits any other sign of illness while at school, the student must be picked up from school immediately and will be excluded from school for a period of time determined in consultation with ISBE and the Illinois Department of Public Health. Visitors will not be allowed to enter school buildings except in exigent circumstances. In no case will a visitor be allowed to enter a school building when exhibiting signs of illness, as determined at the sole discretion of school personnel. Students and adults present at school must wear fitted face masks covering their nose/mouth at all times, including on school buses. If a student refuses to wear a mask or otherwise engages in conduct that compromises the safety of others, his/her parents will be notified and disciplinary interventions may result, including possible expulsion from school. During this unique time, the school will implement behavior expectations for students to ensure the ongoing health and safety of all individuals on and off our school campus.

Prayer (See Board Policy 6:225 and 7:130)

We want to collaborate with parents/guardians and students to proactively schedule non-instructional options during 7th period for those students who plan to attend required prayer. Examples of non-instructional options include lunch periods, study halls and office aides. Please contact your student's school counselor if you would like to place a non-instructional option during 7th period in your student's schedule for the 2022-2023 school year.

Recording lessons/Livestream:

Teachers and staff may video/audio record lessons for students to access either synchronously (in real-time) or asynchronously (for review at a later time) for use on the remote learning platform. Recordings will be maintained for a short period of time and will be deleted within 12 months. District staff will take reasonable steps to monitor the confidentiality of any personally identifiable student information exchanged on the remote learning platform consistent with state and federal laws. However, the School District cannot control or guarantee the confidentiality of student communications on a remote learning platform.

Selective Service Registration

Law requires male students who are about to turn 18, to register with the Selective Service System. Registration is a requirement for application with FAFSA and federal student loans, job training benefits, and federal employment. Students may register online at their website, www.sss.gov, or at their local post office. Students must register within 30 days before or after their birthday.

Student Images

Glenbard District 87 reserves the right to use images, photographs, or likenesses of students, while engaged in school activities, in digital, video, or printed form and to allow the media into the school to cover non-public events, accomplishments, and news stories and to use images, photographs or likenesses of students, in electronic, video or print form. Unless parents or guardians request in writing to the Assistant Principal for Student Services within the first 30 days of school that identifiable images of his or her child not be used, Glenbard has the right to participate in publicity actions as stated above. Parents/guardians should understand that if they withhold consent, none of the student's information would be released. This includes examples such as information/photographs for the yearbook, award listings such as honor roll, and class projects highlighted in digital or print form.

Student Residency

Under Illinois law, only students who are residents of the Glenbard School District may be admitted to a Glenbard High School on a tuition-free basis. Students who are not residents of the School District may be admitted if approved by the Superintendent and must pay tuition. The only exceptions are that: (1) students in certain exchange programs may attend tuition-free; and (2) an enrolled resident student who becomes a non-resident during the school term may continue to attend tuition-free until the end of the regular school term in May.

Generally, only students who live in the school district with their custodial parent or guardian will be regarded as residents. We verify the residency of all students each year prior to registration, using a third-party firm that provides us with current address information that allows us to verify families' address information electronically. Families whose residency is verified electronically do not need to submit paperwork to certify that they live within Glenbard District 87's boundaries. If we are unable to electronically verify a family's residency, we will notify the family in writing and request residency verification documentation. Students who are determined not to be residents may be denied enrollment or dis-enrolled and subject to payment of tuition. *Anyone who misrepresents facts in relation to the residency of a student may be subject to criminal and civil legal proceedings.*

Study Halls

Students assigned to a study hall are expected to bring the books and materials necessary to spend the period working quietly. They may work on assignments or read books, magazines, or other publications. They may not play cards, use electronic devices, or in any way disturb other students. Truancy from study halls will result in Dean's consequences which range from detentions to suspensions. Students may use the resource centers, computer labs, and/or the library media department during their study hall period. Students must first report to the study hall and may leave to these locations on passes. Failing to follow the sign-in procedures will result in Dean's consequences which range from detentions to suspensions.

Work Permits

Work permits for students under the age of 16 may be secured in the registrar's office. A form is to be picked up and filled out by parent and employer and returned to the Registrar's office. Students must be present to sign the Work Permit.

ACADEMIC ASSISTANCE AT WEST

Most academic assistance for students is provided by class instructors or individual school counselors. When students continue to struggle, Glenbard West will provide additional assistance designed to facilitate academic achievement.

Academic Resource

When students struggle in a subject area, they may be assigned to an academic resource during their study hall. A schedule of times and locations is posted in the building and on our web page.

Adult Mentor Program

Glenbard West faculty and non-certified staff have developed a voluntary adult mentoring program for freshmen and sophomore students who struggle with high school. Adult mentors are charismatic adults who will check in with students periodically to assist them with school work, and participation in extracurricular activities. Please contact the School Counseling Office if you would like assistance from this program.

LIBRARY MEDIA DEPARTMENT www.westlibrary.org

Elliott Library and Media Department

The goal of the Elliott Library is to teach students to be independent lifelong seekers of knowledge who are capable of retrieving and critically evaluating information. The library is open on school days from 7:00 AM to 3:30 PM to allow students access for 1-1/2 hours in addition to the regular school day. The library media collection contains over **21,000** books, magazines, audiobooks, DVDs, and other materials. All materials are housed in the Elliott Library. The library is equipped with an electronic catalog and workstations which allow students access to the Internet as well as a variety of online sources of information. Students need their current ID cards to check out materials. The Media Production Lab and the MURC (Rm. 303) provide students with multimedia project support through Internet access, online sources, video editing equipment, and graphics software and materials.

Student Attendance from Study Hall or Lunch

- The decision to use the library during an assigned study hall or lunch period rests with the student. All students must attend study hall prior to being released to the library. Students must have a hall pass and should be prepared to show current identification when requested to do so.
- The study hall student must remain in the library for the entire period. Study hall students, who need to see a counselor, make up a test, etc., should not go to the library but should report instead to the study hall.
- Students from lunch may use the library either for the entire period or for a shorter period of time. Because eating and drinking are not permitted, students may leave the library once their research is complete.
- 4. At times space may be limited in the library. When this occurs, admittance may be restricted to only those students who need to use library materials during the period.

Student Responsibilities

- 1. When using the library, students are expected to conduct themselves in a manner consistent with the guidelines described in "Conduct and Discipline."
- 2. Eating and drinking are not permitted.
- 3. Designated quiet study areas and group work areas should be respected.
- 4. Students are expected to use their time productively. This may include homework, reading, or using library media materials.

TECHNOLOGY

Several Macintosh and Pentium-based personal computers are available throughout the campus for student use.

Schoology

Schoology is an online learning, classroom management, and social networking platform intended to improve learning through better communication, collaboration, and increased access to the curriculum and supplemental content. Glenbard West considers Schoology an extension of the classroom and provides secure access to the system only to students currently enrolled in courses utilizing the LMS platform. Students are expected to communicate in a professional manner with faculty, colleagues, and other staff members on Schoology. Students are encouraged to be conscientious of everything posted to Schoology. Any materials deemed foul, offensive, or inappropriate are strictly prohibited. Offending students will be subject to consequences as outlined in the Student Handbook.

Freshmen will receive Internet as well as 1:1 device training during the iPad deployment training session. Sophomores, Juniors and Seniors should have already received this training.

Technology Device Training and Support

To support our students when they receive their iPad in August, each student is required to take part in a training program. This training is conducted by a teacher and focuses on basic functions and setup, appropriate use, email, PowerSchool, etc.

If students encounter a problem with their District-leased iPad, they should report to the iPad Help Center (Room 202). Depending on the issue, it may be resolved at that time, or moved to one of our technicians for support. In all cases of loss or theft, the District requires that a police report be filed and a copy of the report be submitted along with the insurance deductible before a replacement device will be issued.

SCHOOL SAFETY

Bus Evacuation Drills

Students are required to participate in two annual bus company drills. Specific instructions on emergency drills will be provided by teachers during the start of school.

Campus Boundaries

For purposes of disciplinary action the Glenbard West Campus is defined as: Lake Ellyn Park, Memorial Park, and Crescent Boulevard from Lake Road to Park Boulevard, Ellyn Avenue and Hawthorne Avenue. Ellyn Avenue to Lenox Road has been designated as part of the Glenbard West campus for purposes of enforcement of student disciplinary rules. Students in these extended campus areas will not be supervised unless they are engaged in a school-sponsored activity, but inspection and observation of these areas will take place periodically for purposes of enforcement of school rules. Particular attention will be paid to violations relating to smoking, fights, substance abuse, gang-related activities and truancy from school. The neighboring areas of Ellyn Court and the Deer Path are private property. Students who enter this area without permission are subject to trespass charges from the Glen Ellyn Police Department.

Clear and Present Danger Reporting

When a student or other person is determined to pose a clear and present danger to themselves, or to others, it is the duty of law enforcement officials and school administrators to report to the Department of State Police. This includes and release of student records to the Department of the State Police.

Emergency Procedures and Drills

Glenbard West maintains a comprehensive crisis response manual that is updated annually. Within each room there is an emergency procedure checklist that provides detailed directions in the unlikely event of various emergencies. We expect all students to respond seriously to all real or practice drills related to emergencies.

Off Campus Privileges

Off campus privileges are available to sophomore, juniors and seniors only. **Freshmen students must remain on campus during the school day**. During lunch periods, freshmen students will be able to eat directly in the back of the school and at Biester. However, freshmen students are not permitted to go to downtown Glen Ellyn any time during the school day. A Freshmen student is defined as a student with fewer than 5.5 credits. Violators will be subject to disciplinary consequences.

Parking and Driving

Parking facilities at Glenbard West are very limited. Only students with a current parking permit are allowed to park in the parking lot and other areas that are designated for student parking. Permits will only be given to Cooperative Education and Career Internship students, provided they meet all requirements. Applications for parking permits will be available at registration. Students may also apply for space in the Parking Permit Program, which provides a limited amount of parking to Glenbard West students. Students are admitted into this program on a "needs-basis." THERE IS A \$100.00 CHARGE FOR EACH PARKING PERMIT. Since transportation is provided for students who live at least one and one-half miles from school, distance will not be considered in allocating parking permits.

HAVING A CURRENT PARKING PERMIT ONLY INDICATES PERMISSION TO PARK AT THE SCHOOL PARKING FACILITY. A CURRENT PERMIT DOES NOT

GUARANTEE A PARKING SPACE. Cars without a valid parking permit and/or improperly parked will be subject to towing, citation, and/or suspension. Illegally parked cars may be towed at any time. A limited number of parking spaces are available in neighboring municipal lots at a reduced rate. Information related to these spaces is available in the Dean's Office. Parking in the District Administrative lot is strictly prohibited. Students parking in this lot will be ticketed and towed. Handicapped parking spaces are located at the top of the ramp by the cafeteria and in the main parking lot.

School Resource Officers

Glenbard West employs a police officer from both the Glen Ellyn Police Department and Glendale Heights Police Department. The primary goal of the School Resource Officer program is to coordinate police resources from the villages of Glen Ellyn and Glendale Heights with Glenbard Township School District #87 in a collaborative effort to enhance positive, communicative and productive relationships among police and school personnel, students, parents, and other related service agencies to foster a safe and secure educational environment. The School Resource Officers are located in the main office. They serve as a law enforcement resource for students, their families, school staff and the community. The school liaison officers assist in the education and preventive programs related to community social problems involving unlawful activity, including, but not limited to drug and alcohol use, criminal gang activity, vandalism, theft, personal violence, trespassing and violations of village ordinance or state law. Glenbard West's school liaison officers will enforce any violations of local and state law. The school liaison officers can be reached at (630) 942-7463.

School Violence/Bullying Tip Line

At Glenbard West, we offer a violence and bullying hotline which allows students to provide anonymous information to school officials regarding potential school threats or bullying incidents. The number is (630) 942-7406. Additionally, Students who wish to report a potential act of school violence at Glenbard West may also leave an anonymous message with our Police Liaison Officer at (630) 942-7463. The State of Illinois is launching a school safety program called Safe2Help Illinois in an effort to raise awareness of the 21st century threats facing schoolchildren in Illinois. Safe2Help Illinois will offer students a safe, confidential way in which to share information that might help prevent suicides, bullying, school violence or other threats to school safety. This program is intended to get students to "Seek Help Before

Harm." Call 844-472-3345 or Text 72332(SAFE2) to report. The Attorney General's Safety Tips homepage contains several links that may provide additional helpful resources. http://illinoisattorneygeneral.gov/children/kids/safetytips.html

Student Crisis Text Line

Additionally, students can text a **CRISIS Text Line: Text REACH to 74141** which sends information to a Crisis Counselor, a real-life human being trained to help individuals return to a healthy/stable level of functioning.

Student Identification Cards

Each Glenbard West student is required to have a current school identification card. The Card serves the following purposes:

- 1. Student identification
- 2. A Bus Pass for students eligible to ride the school buses
- 3. To be shown when entering the building prior to first period
- 4. A library Card for students checking out materials
- 5. Lunch purchase using Point of Sale program
- 6. To be shown when entering a dance

Students must carry their identification card when at school and are expected to present it when entering the building or when asked for identification by any staff member (administrator, teacher, clerical, campus monitoring staff, and custodial) or employee of Illinois Central School Bus. If the circumstances warrant, the staff member may keep the identification card and present it along with a Behavior Report to the Dean's Office. Refusal to present and relinquish the card will be considered insubordination and will result in disciplinary action by the Dean of Students.

The first I.D. cards for the current school year will be issued during the registration period in late August. After school starts, replacement cards are available in the Library for a fee of \$2.00.

Student Drop Off

Students need to be dropped off in the designated areas - Crescent Blvd. and the private Drive in the rear of the building. Students may not be dropped off on Ellyn Lane.

Time Out and Physical Restraint

Illinois School Code (23 IAC 1.285) defines Time Out and Physical Restraint (specifically the practice, facility, training and reporting required). Glenbard HS District 87 will follow all components in the school code and will focus on prevention and intervention in order to provide a safe and secure learning environment for all.

ATTENDANCE PROCEDURES

District 87 places an extreme importance on instructional time. Research indicates that student attendance is highly correlated with success in school. Time missed from the classroom, where students and teachers interact can never truly be made up, even by doing "makeup" work. Ensuring regular school attendance requires a cooperative effort by the parent(s) or guardian(s) and school personnel, however only the school has the authority to determine whether an absence is "excused" or "unexcused". For these reasons certain procedures are established to regulate attendance.

1. Procedure for Reporting Absences

- a. Parents/Guardians must call the Attendance Office before 10:30 AM on each day of absence. When reporting the absence, please provide the <u>student's name</u>, <u>student's ID</u> <u>number</u>, and <u>the reason for the absence</u>. Failure to do this will result in a truant absence.
- b. In order to more conveniently report your student's absence, calls can be made at any time to an answering machine at (630) 469-8600 Option 1 or (630) 942-7480.
- 2. **Excused Absences** (District 87 recognizes the following as **valid reasons** for excused absences)
 - a. A student's personal illness.
 - b. A student's mental/behavioral health need.
 - c. A serious illness and/or death in the immediate family.
 - d. A family emergency situation.
 - e. An observance of a Religious Holiday.

Only these excused absences merit the opportunity for make-up work. Students with excessive excused absences within a semester may be requested to supply a medical certificate to the Dean's Office.

3. Pre-Arranged Absences*

Pre-Arranged absence requests must be presented in writing at least three (3) school days prior to the absence to the attendance office. The student is responsible for completing the pre-arranged absence form and arranges a "make-up" plan with each teacher. No credit will be given unless the specific requirements-are met. The teacher's signature on the pre-arranged absence form indicates only that the teacher has been notified of the absence. Teachers will note the dates of the pre-arranged absences in their grade book but will not lower their academic expectations for a student taking a pre-arranged absence.

*Reasons for pre-arranged absences include the following:

- a. Participation in school sponsored and approved class field trips and athletic contests- In addition, students may pre-arrange an absence to see a Glenbard West team participate in State Tournament competition.
- b. **Medical and dental appointments** A doctor's note will be required when the student returns to campus.
- c. Court appearance—Date will be excused if it has been cleared prior to the absence.

 Documentation from the court will be required when the student returns to campus.
- d. College visit No more than three (3) college visit experiences will be allowed each year.
- e. **Family vacation** Family vacations should not be taken when school is in session unless it is absolutely necessary.
- f. Religious Observance

4. Excessive Excused Absences

Students who are absent without an extreme cause for an excessive number of days within a semester may be required to produce a note from their physician in order to be excused. Students required to produce a doctor's note to excuse absences will be required to do so for the remainder of the school year. Students and parents will be notified through their dean as they approach ten (10) excused absences within a semester.

5. Truancy

All absences not included in sections B & C will be considered unauthorized/truant. Unauthorized absence/truancy include, but is not limited to:

- a. Babysitting for a younger sibling
- b. Missing the bus/ride
- c. Oversleeping
- d. Staying home to complete assignments

6. Consequences for Truancy

Absences from class reduce the ability of a student to achieve. Excessive absences can have a negative impact on the entire classroom climate. Students who have excessive truancies may be denied credit for the course. The Dean's Office will contact the student, issue a progressive discipline consequence, and contact parent/guardian. Our student data management system, PowerSchool, will provide daily attendance information for teachers, parents and administrators to view electronically. Any student who has chronic attendance issues will be referred to the truancy agency, Regional Office of Education. Glenbard West

does not honor or recognize "Ditch Days." If on any given day, 5% or more of a class or the student body is absent, a doctor's note may be required to authorize the absence.

7. Additional Attendance Information

- a. When a student's total absences interfere with the educational success in a class, a behavior report may be initiated by the teacher requesting a drop of the student from that class. The Dean will then consider the request.
- b. Students may be absent from school for up to 5 days each school year for Mental Health reasons and will be coded as MH in PowerSchool. A Mental Health Absence allows the student to be absent from school without providing a doctor's note. If a student has been absent for Mental Health reasons for 2 days, they may be referred to the appropriate Student Service Team Member.
- c. If a parent/guardian is out of town please contact the Attendance Office with the name of the person who will be calling for you if your student is ill. Failure to follow this procedure will result in the absence being truant.
- d. Students more than 10 minutes late for a class will be marked truant for the period. Students who have truant absences from study hall will be issued after school consequences ranging from detention to an Extended Day Detention.
- e. Students participating in school sanctioned field trips must complete parent permission slips at least one week prior to the scheduled trip.
- f. Students, except for freshmen, may leave campus during their lunch period. At no other time may students leave campus without permission. Students who become ill while at school have the option to be excused through the Health Office of Attendance. Students leaving campus for partial day pre-arranged absences must first report to the Attendance Office. Upon returning to school, students must submit doctor's/court notes to the Attendance Office. If a student leaves school without pre-arranged status and the parent notifies the school after the fact, the absence will be considered truant. Students who are excused from school (or suspended) may not come on campus to work in the library media department or computer labs.

8. Tardy Policy for Students Attending Glenbard Schools

Glenbard believes that getting to class on time is important. Being punctual contributes to academic success and is an essential life skill required to be successful. Toward that end, Glenbard West uses an electronic tardy system that maintains a record of students who are tardy to class without an appropriate excuse. After the second bell students cannot enter the room without an authorized pass. The tardy system keeps records of all student tardiness. Notification of any consequences associated with tardiness will be issued to students on the pass used to enter class. Please note that oversleeping, family errands, car troubles and missing the bus are not considered authorized reasons for being tardy. STUDENT BEHAVIOR & CONDUCT

It is our sincere desire that each student practice self-discipline, so that disciplinary action by teachers, school staff and administrators is avoided. In order to provide a fair and equitable system for the administration of discipline in our schools, the Board of Education has approved the following disciplinary guidelines. The intent of these guidelines is to enhance school climate, improve school discipline practices, and ensure that students are disciplined without discrimination on the basis of race, color, national origin, gender, disability, or other protected status. The Board of Education Discipline Policy and these Discipline Procedures are in effect 24-hours per day throughout the calendar year when students are on school property, on a school bus, on the way to or from school, at a school related function, or when students represent the school. The complete discipline policy (7:190) is available on the Glenbard87 Website (www.glenbard87.org). Please note students who participate in extracurricular activities, therefore have signed the Extracurricular Code, and may receive extracurricular consequences due to school related discipline.

DISCIPLINARY INTERVENTIONS

When students violate the rules of Glenbard West High School, specific interventions may result. The consequences will be determined on a case by case basis with regards to the type, severity and/or frequency of the offense and are not precedential in nature. Each of the disciplinary interventions described below apply whenever a student's behavior is reasonably related to school or school-sponsored activities.

Behavior Intervention Assignment (BIA)

Students may be assigned a Behavior Intervention Assignment designed to assist them in correcting behavior and completing academic requirements. The in Behavior Intervention Assignment is a tiered program that varies in time and length based on the infraction. During B.I.A. students will be required to complete activities designed to help them understand the consequences of their behavior. Furthermore, they will learn strategies to avoid future discipline issues. This program may include various components such as completion of homework, social emotional instruction, restitution, and community service. Students will sign a contract signifying their understanding and willingness to complete the program. Failure to serve a B.I.A. will result in further consequences.

Detention

Students may be assigned a dean's detention to be served before or after school, typically lasting one hour. Failure to serve a detention will result in an Extended Day Detention. The sole activity allowed in detention is silent study.

Extended Day Detention (E.D.D.)

Depending on the disciplinary issue and a Dean's discretion, a student may be assigned to an Extended Day Detention (E.D.D.). The sole activity allowed in EDD is silent study. E.D.D.'s are assigned on Tuesdays and Thursdays from approximately 2:45 - 5:30 PM. There will be no reassignments of the E.D.D. FAILURE TO SERVE AN E.D.D. WITHOUT PRIOR NOTICE WILL RESULT IN A MINIMUM OF AN IN SCHOOL BEHAVIOR PROGRAM.

Online Prevention and Intervention Courses

In some instances, students may be assigned an online intervention and or prevention course to help positively impact behavior.

Out-of-School Suspension

Students suspended out of school will not be allowed on school grounds or at any District 87 events throughout the duration of their suspension. Students will be expected to complete all classroom work in a timely manner.

Restorative Intervention Alternative (R.I.A.)

Students may be assigned a Restorative Intervention Alternative as an alternative to suspension. R.I.A. is designed to reteach desired behavior and offer academic and social/emotional assistance. This program requires that:

- Students report on time and must remain for the duration of the program.
- Students report to the assigned location while serving RIA.
- Students participate in the RIA program and all of its requirements.
- The administration has the right to deny a student from attending any sports, clubs, or activities on the day of the RIA.

Students Search and Seizure

To maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" include school liaison police officers. See Board Policy in handbook.

ATHLETICS

Interscholastics

The Glenbard West athletic teams compete with teams from the six other schools that are members of the Silver Division of the West Suburban Conference. We field teams at the varsity level in twenty-nine (29) sports school funded. There is also junior varsity, sophomore and freshman level competition in most sports. Students interested in participating in an athletic program should contact the head coach, the Assistant Principal for Athletics (APA) or the Assistant Athletic Director. To help defray the cost of extracurricular athletics and to maintain current programs, each participant in Glenbard interscholastic athletic programs will be required to pay a district determined user's fee. Athletes should pay at the time indicated by the Assistant Principal for Athletics before the first athletic contest.

Athletic and Other Extracurricular Activity Recognition

Glenbard District 87 students are involved in a variety of activities, perform at a high level, and the District commends them all on their many accomplishments. The District will formally recognize students and/or teams that have placed in the top three in state competitions in IHSA sponsored events. The District further recommends that all public displays in the community be for students/teams that have placed in the top three in IHSA state competitions

For more information on IHSA sponsored events, see the IHSA website, www.ihsa.org.

STUDENT ACTIVITIES

Philosophy: Glenbard West High School encourages students to participate in worthwhile student organizations and activities because our school considers such participation to be vital to our students' educational welfare. Research has repeatedly shown that students actively engaged in co-curricular activities, generally do better in school and life, than those who do not become involved in such functions. Student organizations and activities offer an opportunity for you, our GLENBARD WEST student, to develop wholesome relationships with our staff; and the teachers have an opportunity to gain valuable insights concerning the students with whom they work. Students may gain valuable experience available only as a part of the planning, conducting and evaluation of school projects.

District 87 Extra Curricular Code: Students involved in Student Activities must abide by this code. A copy of the code is included in this handbook. Also, students and their parents must provide signatures verifying that the student agrees to abide by the code. RULES ARE IN EFFECT 12 MONTHS. See Board Policy 7:240-R1 and 7:240-E1.

ALL DANCES

Like to dance? You will get many opportunities this year to show off your favorite steps and meet new friends at this very popular activity at Glenbard West. Dances begin with the "Back-to-School" dance in August and additional dances/activities throughout the year. The Homecoming Dance, Heart Hop and Prom are all semi-formal dances. The year ends with the Junior-Senior Prom in April. Glenbard West students may bring guests to dances with pre-approval from the Dean or Assistant Principal for Student Services. Students MUST have IDs to enter dances where tickets are purchased at the door. Students should understand that even though dances are held outside of the normal school day, all school rules apply; particularly those relating to drug/alcohol use or possession.

1. Most dances are open to Glenbard West students only. A Glenbard West student may obtain permission to bring a guest to an approved dance by receiving advanced approval from his/her Dean or Assistant Principal for Student Services. The guest must abide by all school rules. Any guest may be denied attendance at any dance per the discretion of the Dean. All guests to any dance must be at least high school age (under 21) and complete a "Dance Guest Form."

- Students must arrive no later than one hour after the dance has started. For most dances this would mean 8:00 PM or 9:00 PM. Students CANNOT leave a dance until one hour before the dance ends.
- 3. If the student or guest leaves the prescribed area of the dance, they will not be permitted to return.
- 4. Students should not bring purses, backpacks, or valuables to dances.

DISCLAIMER

This version of the student handbook contains policies, procedures, and exhibits already in place at the time of publication. These are subject to change or to be eliminated as a result of actions taken by the State, federal government, or the School Board. A complete set of current policies is located on the District 87 website. See the <u>Transparency page</u>.

Students with Disabilities

Students with disabilities who do not qualify for an individualized education program(IEP) pursuant to the federal *Individuals with Disabilities Education Improvement Act* (IDEA) and implementing provisions of the *Illinois School Code* may qualify for services under Section 504 of the federal *Rehabilitation Act of 1973*. A student may qualify for a Section 504 Plan if the student: (i) has a physical or mental impairment that substantially limits one or more major life activities, (ii) has a record of a physical or mental impairment, or (iii) is regarded as having a physical or mental impairment. Section 504 contains a broader definition of a disability than the IDEA, so a student who

does not qualify for an IEP might still be able to receive accommodations and related services under a Section 504 Plan. For more information regarding the identification, assessment and placement of students, please contact [name] [title] [location] [phone number] [email].

New School Code language [105 ILCS 5/14-6.01]:

Beginning with the 2019-2020 school year, a school board shall post on its Internet website, if any, and incorporate into its student handbook or newsletter notice that students with disabilities who do not qualify for an individualized education program, as required by the federal Individuals with Disabilities Education Act and implementing provisions of this Code, may qualify for services under Section 504 of the federal Rehabilitation Act of 1973 if the child (i) has a physical or mental impairment that substantially limits one or more major life activities, (ii) has a record of a physical or mental impairment, or (iii) is regarded as having a physical or mental impairment. Such notice shall identify the location and phone number of the office or agent of the school district to whom inquiries should be directed regarding the identification, assessment and placement of such children.

ATTENDANCE PHILOSOPHY

Our attendance policy is based upon the following assumptions:

- 1. In accordance with the requirements of the School Code of Illinois and in recognition of the responsibilities imposed upon parents, it is the policy of District 87 that students shall attend school on a regular basis. Student attendance in class is not optional; it is a requirement of every class. We believe that regular class attendance increases the student's probability for successful performance and fosters the development of self-discipline and responsibility. The Board of Education further believes that the school administration and staff have a duty to rigorously and consistently enforce school regulations dealing with class attendance.
- 2. While the major responsibility for attendance rests with the student, the school and the parents share responsibility. Students are expected to attend every meeting of every class and study hall; the school has an obligation to inform both students and parents of the student's progress and attendance in all classes; and parents/guardians are obligated to inform the school when their student is absent and to give the reason for the absence.

Excessive absences from school limit the ability of a student to achieve. For this reason, attending school on a regular basis is a requirement for all students. The entire staff at Glenbard District 87 has a responsibility to hold students accountable in this area. For this reason, we maintain the following intervention strategies related to attendance:

- Our student data management system, PowerSchool will provide daily attendance information for teachers, parents/guardians and administrators to view electronically.
- Attendance staff will screen truancies daily and call home for any student who is three or more periods truant within any given day.
- Whenever a student is truant from a class, the Dean's Office will contact the student the following day to confirm the truancy. Truancies will be documented in PowerSchool and a letter to the student's parent/guardian will be generated on the next school day.
- For every truancy (unexcused absence) there will be a contact with the student, an attempt to call the student's parent, a letter sent to the parent and a consequence or intervention with the student.
- After five truancies and five interventions for an individual course, a student may be denied credit for the course. Those who are denied credit will be referred to their guidance counselor to explore credit options.
- Excessive excused absences interfere with student achievement. A student who has excessive absences will be required to provide medical documentation for each absence or meet with the school nurse on the same day in order to excuse absences. During any given semester, when a student reaches over nine absences from a class there will be an attendance conference with his or her Dean and parent contact will be made. Should the student reach twelve or more absences, a doctor's note will be required to excuse further absences. After fifteen absences, a student may lose credit for the individual class. Those who are denied credit will be referred to their guidance counselor to explore credit options.
- Any student who has chronic attendance issues may be referred to the DuPage County Truancy agency, Truancy Intervention Program.

- 3. There is to be no use of tobacco, alcohol, or drugs in the school building or at the event. Violations will result in disciplinary action.

Illinois High School Association

(For 2022-23 School Term)

This summary is for the purpose of assisting in the understanding of IHSA By-laws and Policies. In case of a conflict between this publication and the constitution and by-laws of the IHSA, the constitution and by-laws shall control.

Key Provisions Regarding IHSA Rules Eligibility Rules

When you become a member of an interscholastic team at your high school, you will find that both your school and the IHSA will have rules you must follow to be eligible for interscholastic participation. The IHSA's rules have been adopted by the high schools

which are members of IHSA as part of the Association's constitution and by-laws. They must be followed as minimum standards for all interscholastic athletic competition in any member high school. Your high school may have additional requirements, but they may not be less stringent than these statewide minimums.

The principal/official representative of your school is responsible to see that only eligible students represent the school in interscholastic competition. Any question concerning your eligibility should be referred to your principal/official representative, who

has a complete copy of all IHSA eligibility rules, including the Association's due process procedure. Only the IHSA Executive Director is authorized to make formal rulings on eligibility, so if your principal/official representative has questions or wishes

assistance in answering your questions, the principal/official representative should contact the IHSA Office.

Information contained here highlights some of the most important features of the IHSA by-laws regarding interscholastic eligibility. It is designed to make you aware of major requirements you must meet to be eligible to compete in interscholastic competition. The information here is only a general description of major by-law provisions and does not contain the statement of the by-laws in their entirety. You can review the by-laws at www.ihsa.org.

You may lose eligibility for interscholastic competition if you are not in compliance with IHSA by-laws. Remember, if you have any questions regarding IHSA rules, please contact your principal/official representative.

1. Attendance

- A. You may represent only the school you attend. Participation on a cooperative team of which your school is a member is acceptable.
- B. You must be enrolled and attending classes in your high school no later than the beginning of the 11th school day of the semester.
- C. If you attend school for ten (10) or more days during any one semester, it will count as one of the eight (8) semesters of high school attendance during which you may possibly have eligibility.
- D. If you have a lapse in school connection for ten (10) or more consecutive school days during a semester, you are subject to ineligibility for the rest of the semester. The specific terms of your extended absence must be reviewed by the Executive Director to determine if it is "lapse in school connection" or not.

2. Scholastic Standing

- A. You must pass twenty-five (25) credit hours of high school work per week. Generally, twenty-five (25) credit hours is the equivalent of five (5) .5 credit courses (2.5 full credits).
- B. You must have passed and received credit toward graduation for twenty-five (25) credit hours of high school work for the entire previous semester to be eligible at all during the ensuing semester.

3. Residence

You may be eligible if you are entering high school as a freshman and:

- A. You attend the public high school in the district in which you live full time with both of your parents, custodial parent or court appointed guardian; or
- B. In the case of a multiple school district, you attend the public high school in the attendance area where you live full time with your parents, custodial parent or court appointed guardian; or

- E. You attend a private/parochial high school and have attended a private/parochial school for 7th and 8th grades, or for any four (4) grades from kindergarten through eighth grades; or
- F. You attend the private/parochial high school which one or both of your parents attended; or
- G. You attend a private/parochial high school located within a thirty (30) mile radius of the residence where you live with your parents, custodial parent or court appointed guardian.

4. Transfer

- A. In all transfer cases, both the principal of the school from which you transfer and the principal of the school into which you transfer must concur with the transfer in writing on a form provided by the IHSA Office. You cannot be eligible when you transfer until this form is fully executed and on file in the school office.
- B. If you transfer after classes begin for the current school term, you will definitely be ineligible for thirty days from the date you start attending classes at the new high school. In addition, you will be ineligible for that entire school

term in any sport in which you engaged in any team activity, including but not limited to tryouts, drills, physical practice sessions, team meetings, playing in a contest, etc. at the school from which you transferred. For

example, if you were out for cross

country at the school from which you transfer and transfer after the IHSA sport season has begun, you will be ineligible for cross country that entire school term at the new school.

- C. If you transfer attendance from one high school to another high school, you will be ineligible unless:
 - 1. Your transfer is in conjunction with a change in residence by both you and your parents, custodial parent or court appointed guardian from one public school district to a different public school district;
 - 2. Your transfer is between high schools within a public school district and both you and your parents, custodial parent or court appointed guardian change residence to the district attendance

area for the school to which you transfer;

3. Your parents are divorced or legally separated; you transfer to a new school in conjunction with a modification or other change in legal custody between your parents by action of a judge; and

required court documents are on file at the school into which you transfer;

- D. If you transfer in conjunction with a change in legal guardianship, a ruling on your eligibility must be obtained from the IHSA Office.
- E. If you transfer attendance from one school to another while you are ineligible for any reason, the period of ineligibility imposed prior to your transfer or the period of ineligibility that would have been imposed had you stayed at the school, will be enforced at the school to which you transfer, even if you are otherwise in compliance with the by-laws.

Athletic Eligibility Rules

- F. Any questions about your eligibility in any of these instances must be resolved by a formal ruling from the IHSA Executive Director.
- G. In all other transfer situations, a ruling by the IHSA Executive Director is necessary to determine your eligibility. This ruling must be obtained in writing by the principal/official representative of the school into which you transfer before you participate in an interscholastic athletic contest.
- H. The IHSA Executive Director may grant limited eligibility if you transfer schools prior to the start of your sophomore year and are not otherwise in compliance with the transfer eligibility by-laws.

5. Age

You will become ineligible on the date you become twenty (20) years of age, unless your twentieth (20th) birthday occurs during a sport season. In that case, you will become ineligible regarding age at the beginning of the sport season during which your twentieth (20th) birthday occurs.

6. Physical Examination

You must have placed on file with your principal/official representative a certificate of physical fitness, signed by a licensed physician, physician's assistant, or nurse practitioner to practice or participate. Your physical examination is good for 395 days from the date of the exam. The physician's report must be on file with your high school principal/official representative.

7. Amateur Status

- A. If you win or place in actual competition, you may accept a medal or trophy for that accomplishment, without limit to its cost. Your school may provide IHSA state champions with championship rings/mementoes.
- B. For participating in competition in an interscholastic sport, or for athletic honors or recognition in a sport, you may receive any type of award (except cash, check, or legal tender) that does not exceed \$75 fair market value. There is no limitation on the value of your school letter.
- C. The amateur rule does not prohibit you from being paid to referee, receiving pay for teaching lessons or coaching in a little kid's league, etc. It only applies to your own competition in an athletic contest.

D. If you violate the amateur rule, you become ineligible in the sport in which you violate. You must be reinstated by the Executive Director before you may compete again.

8. Recruiting of Athletes

- A. The by-laws prohibit recruiting of high school students for athletics. If you are solicited to enroll in or transfer to a school to participate in athletics, you are being illegally recruited and your eligibility is in jeopardy.
- B. You will lose your eligibility if you enroll in or transfer to a school in response to recruiting efforts by any person or group of persons, connected with, or not connected with the school, related to athletic participation.
- C. You will lose your eligibility if you receive special benefits or privileges as a prospective student-athlete which are not uniformly made available to all students who attend your school.
- D. You may not receive an "athletic scholarship" or any other special benefit from your school because you participate in athletics.
- E. It is a violation for any student-athlete to receive or be offered remuneration or any special inducement which is not made available to all applicants who apply to or enroll in the school.
- F. It is also a violation to induce or attempt to induce or encourage any prospective student to attend any member school for the purpose of participating in athletics, even when special remuneration or inducement is

not given. Please remember that you may not be offered or receive any benefit, service, privilege, or opportunity which is not also provided or made available to all prospective students at that school.

Note: If you are interested in finding out more information about a school, contact the principal/official representative or an administrator at the school, not a member of the coaching staff.

9. School Team Sports Seasons

- A. Each sport conducted by IHSA member schools has a starting and ending date. Your school may not organize a team, begin practice or participate in contests in a given sport until the authorized starting date. Your school may not continue to practice or participate in contests after the authorized ending date. This means that:
 - 1. During the school year, you may not participate on a non-school team coached by any member of your school's coaching staff unless it meets specific criteria established by the by-laws.
 - 2. No school coach may require you to participate in an out-of-season sport program as a requirement for being a member of a school team.
- B. Violation of the sport season by-laws will result in penalty to you and/or to your school's coaching personnel.

10. Playing in Non-School Competition

- A. During the time you are participating on a school team in a sport at your high school, you may neither play on a non-school team nor compete in non-school competition as an individual in that same sport or in any skill of that sport.
- B. If you participate in non-school competition during a sport season and subsequently wish to join the school team in the same sport, you will not be eligible.
- C. If you wish to participate in a competition sanctioned by the National Governing Body of a sport, a junior affiliate of the National Governing Body of a sport or an official Illinois affiliate for the sport, your principal/official representative must request approval through the Schools Center prior to any such participation.
- D. You may try out for a non-school team while you are on your school's team in that same sport, but you may not practice, receive instruction, participate in workouts, or participate in competition with a non-school team in that same sport until you cease being a member of your school's team. You cease being a member of your school's team when the team(s) of which you are a member terminates for the school term.
- E. You will become ineligible if you participate on, practice with, or compete against any junior college, college, or university team during your high school career.

11. All-Star Participation

- A. After you have completed your high school eligibility in the sport of football, basketball, soccer, or volleyball, you may participate in three (3) all-star contests in any of these sports and still play for other school teams, provided the high school season in that sport has been completed. You may lose your eligibility for other interscholastic sports if you play in all-star competition in any of these sports under any other conditions.
- B. You are not restricted from participating in all-star competition in sports other than football, basketball, soccer, or volleyball, except that you may not do so during the school season for the sport.

12. Misbehavior During Contests

- A. If you violate the ethics of competition or the principles of good sportsmanship, you may be barred from interscholastic athletic contests, either as a participant or spectator or both.
- B. If you are ejected from a contest for unsportsmanlike conduct, you will be ineligible for your team's next contest. You are also subject to other penalties.

ILLINOIS STATE SEAL OF BILITERACY PROGRAM

Glenbard Township High School District 87 will participate in the Illinois State Seal of Biliteracy program in the 2021-2022 school year. The program recognizes high school graduates who have attained a high level of proficiency in one or more languages in addition to English, by designating on a student's transcript and high school diploma his or her receipt of the State Seal of Biliteracy. By law, Illinois public universities must grant college credit for students who have earned the Seal of Biliteracy.

Students may demonstrate proficiency in a targeted foreign language on the Assessment of Performance toward Proficiency in Languages (AAPPL) or the Standards-Based Measurement of Proficiency (STAMP) test.

Please contact the Program Coordinator, Mike Fumagalli at michael_fumagalli@glenbard.org with any questions.

THE EDUCATIONAL RIGHTS OF ILLINOIS' CHILDREN & YOUTH IN HOMELESS SITUATIONS

Statewide Access to Education for Homeless Children and Youth

If you have any questions regarding the educational rights of homeless children and youth in Illinois, you can contact:

Glenbard Twp High School District 87 Homeless Liaison Ms. Janet Cook, Assistant Superintendent for Student Services (630) 469-9100 or contact the school Assistant Principal of Student Services

The Educational Rights of Homeless Children & Youth

Homeless children and youth face special problems in getting to school and staying in school. Many homeless families move during the school year, sometimes more than once. School records get lost. Physical examinations and immunizations required for school may be hard to get. Both Illinois and federal law – the Illinois Education for Homeless Children Act and the federal McKinney-Vento Homeless Assistance Act – require that school district liaisons provide assistance to homeless children and youth to solve these problems. These liaisons have an ongoing obligation to understand the barriers faced by homeless children and youth in enrolling, attending and succeeding in school and an obligation to address those barriers, whatever they may be.

Illinois school district liaisons are required to take action to help children and youth who are homeless. The educational rights and benefits for homeless children and youth are described below.

Who is Homeless?

The definition of "homeless" under Illinois (and federal) law is very broad. It includes a person who lacks a "fixed, regular and adequate nighttime" abode; a person whose primary

nighttime residence is a shelter (including transitional housing or hotels) or a place not ordinarily used by human beings for sleeping (box, car, etc). This definition is broad enough to include "the hidden homeless", i.e., children and youth that are temporarily doubled-up in housing because they cannot afford a place to live.

TECHNOLOGY

iPad Rentals

District 87 has completed the transition from textbooks to electronic devices. All students are now issued iPads for instruction and the majority of curriculum materials will be delivered electronically. The annual rental fee for the iPad is \$189, which includes insurance, technical support and use of loaner equipment. After the family has made 4 annual rental payments over the student's career at Glenbard and the student's account is paid in full, the device will become the property of the student. Glenbard charges an annual fee of \$85 for digital curriculum. Any curriculum materials not provided electronically will be provided at no additional cost. This includes textbooks, paperback novels, and workbooks. Items that will still need to be purchased include PE uniforms and locks, and any supplies required by the teacher for that specific course.

LATEX BAN

Many students have latex allergies and our schools will take every step to ensure that our students are safe and healthy. This means that latex products like latex balloons and silly string will not be allowed on campus at any time.
