A Message from Our Principal

Raiders,

Welcome to Glenbard South High School! We are looking forward to supporting you in your journey for personal growth and excellence over the next four years. Excellent schools establish common goals, agreements and expectations for students, staff and our community. This handbook is where you can see the basic expectations for all students. These agreements and expectations bring us together to form a strong community where we learn together, grow together, challenge ourselves to be better, challenge ourselves to try new things with the ultimate goal of learning more about ourselves and the world around us. Doing this helps to make our community a better place.

This is YOUR school community, and it is about our collective Raider community. We can only achieve excellence together. Think about how you can leave Glenbard South a better school than when you arrived. By doing so, you will continue our tradition of excellence and be a part of something bigger than yourself, all while making memories that will last a lifetime.

Our entire community is here to support you and we want to help you become the best version of yourself possible. Don't ever be afraid to ask for help. Remember, Raiders are Better Together!

With Raider Pride,

Principal Santee

RELATIONSHIPS

Raider Hour

The Raider Hour offers opportunities for students to seek academic support as well as connect with a trusted adult in an advisory setting. Raider Hour will take place during the school day between 2nd and 3rd period on Mondays and Fridays. (Please see the schedule below.) The Glenbard Hour shall consist of two components: Advisory and Agency Days.

ADVISORY will provide an **opportunity for students to grow and learn the procedures of our high schools.**

Activities will include drills, uniform lessons, surveys, etc. Students will be assigned to an advisory staff member(s) and room. The advisory staff member(s) will remain the same throughout the school year.

AGENCY DAYS will provide the option for students to meet with their own teachers during the school day to receive assistance in their classes. **Agency days are primarily a time for students to interact with teachers.** Students are empowered to choose which support period they would like to attend by selecting their preferred support day location. Staff members will be able to assign students to attend their support period which will override the student selection.

***Attendance is required during all Raider Hours for both Advisory and Agency Days. Staff members will always take attendance during these periods.**

New for 2024-25: Collaboration Time

All students will be assigned **one lunch period during 4th, 5th, and 6th period** for Monday, Tuesday and Friday. On Wednesday and Thursday, which are the block schedule days, lunch will be built into the 7th and 8th period blocks. On Wednesday and Thursday, during the assigned lunch period from the rest of the week (4th, 5th, and 6th periods), the students will be assigned to a Collaboration Period, which will serve as a study hall period for students on these days.

- The 5th period Collaboration time is the last period on Wednesday from 1:30-3:00 pm.
- The 4th period Collaboration time is the first period on Thursday from 8:00 -9:30 am.
- The 6th period Collaboration time is the last period on Thursday from 1:30 - 3:00 pm.

All **juniors and seniors** can earn the privilege of off-campus for Collaboration Time period during 4th, 5th or 6th period, but at any time this privilege could be reconsidered and revoked due to academic, attendance or behavior concerns. ***The student must show responsibility in meeting academic expectations, demonstrate positive school community expectations, and exhibit good decision-making skills.*** Students with this privilege are always welcome to choose to attend school during their Collaboration Time. Students will need to check into the designated location.

During 24-25 school year registration, parents/guardians are asked to respond “yes” or “no” to the following:

I give permission for my Junior or Senior student to be off-campus for Collaboration time during 4th, 5th, or 6th on Wednesday or Thursday.

This permission can be changed by the parent at a later date during the school year. If a parent grants permission during registration but then wishes to revoke that permission they should contact their student's dean.

GENERAL INFORMATION

Commons / Cafeteria

During the lunch periods, the Commons serves as our cafeteria. The cafeteria provides a variety of items for students including hot and cold lunches, beverages and snacks. Every student is assigned a lunch period and should take advantage of the services offered in the building. In order to promote cleanliness and efficient food service, students are expected to be courteous to staff and students while observing the following rules:

- Students should be in the Commons when the bell rings
- Students may choose their seats in the Commons. If there are problems, lunchroom supervisors may assign students to regular seats for limited periods of time at their discretion.
- Pick up any debris or garbage from the table, chair, and floor. Students with bag lunches are expected to put all trash in the appropriate waste containers.
- Recycle when possible
- No disruptive behavior- No loud talking, shouting, throwing objects, standing, or running. Any disruptive behavior will result in a referral to the Dean.
- Students may not leave the Commons unless they have a pass or permission from a supervisor
- Items from the cafeteria lines must be consumed during the appropriate lunchtimes and are not permitted in the hallways and classrooms
- Students may not bring bags, coats, or jackets into the lunch line.
- **Students are not permitted to order food from an outside vendor.**

Cafeteria Prepayment

Notice of Procedures – The food services department uses a computerized point of sale program, which enables parents to prepay for meals. To set up a prepay plan please visit www.pushcoin.com to sign up for the prepayment option with their easy-to-use system.

When purchasing items, students scan their ID to deduct the food cost from a prepaid balance. Similar to a debit card, the system will not accept charges or allow negative balances. Students are also allowed to make daily purchases with a credit/debit card or cash. Money remaining in a student's account at the end of the year will remain in the account, to be used the following school year. If requested in writing by a parent, account balances for graduating seniors or students moving out of the district can be transferred to other family members, or if more than \$10.00, refunded at the end of the school year. All refunds must be requested in writing by a parent or guardian. Refund checks will be mailed to parents. No cash refund will be issued. Students should spend balances of less than \$10.00 since no refund will be issued for this amount.

Homeless/McKinney-Vento Act

If you have any questions regarding the educational rights of homeless children and youth in Illinois, you can contact:

Glenbard Twp High School District 87 Homeless Liaison

Ms. Janet Cook, Assistant Superintendent for Student Services

(630) 469-9100 or contact the school Assistant Principal of Student Services

The Educational Rights of Homeless Children & Youth

Homeless children and youth face special problems in getting to school and staying in school. Many homeless families move during the school year, sometimes more than once. School records get lost. Physical examinations and immunizations required for school may be hard to get. Both Illinois and federal law – the Illinois Education for Homeless Children Act and the federal McKinney-Vento Homeless Assistance Act – require that school district liaisons provide assistance to homeless children and youth to solve these problems. These liaisons have an ongoing obligation to understand the barriers faced by homeless children and youth in enrolling, attending and succeeding in school and an obligation to address those barriers, whatever they may be.

Illinois school district liaisons are required to take action to help children and youth who are homeless. The educational rights and benefits for homeless children and youth are described below.

Who is Homeless?

The definition of “*homeless*” under Illinois (and federal) law is very broad. It includes a person who lacks a “fixed, regular and adequate nighttime” abode; a person whose primary nighttime residence is a shelter (including transitional housing or hotels) or a place not ordinarily used by human beings for sleeping (box, car, etc). **This definition is broad enough to include “the hidden homeless”, i.e., children and youth that are temporarily doubled-up in housing because they cannot afford a place to live.**

Lockers

In speaking with students at Glenbard South we have found very few students use their assigned locker. With the implementation of iPads and less materials to carry students will use their backpacks to navigate items from class to class. However, we know that some students will still want to use a locker throughout the school year. During Back to School Days and Raider Rush students will get the opportunity to opt in for lockers if they deem one necessary. If at any point during the school year they do feel they need one they should put a request in through the Assistant Principal for Student Services option for an assigned locker.

Lockers should not be shared. It is the student’s responsibility to keep their locker locked at all times. Any problems with a lock or locker should be reported to Ms. Bates in the Main Office. The school will not be responsible for items missing from a student’s locker. **STUDENTS ARE URGED NOT TO KEEP VALUABLES OR MONEY IN THEIR LOCKERS. SCHOOL AUTHORITIES RESERVE THE RIGHT TO OPEN AND SEARCH THE CONTENTS OF ANY LOCKER AT ANY TIME WITHOUT CONSENT OF THE STUDENT.**

Lost and Found

- Articles found in the school should be turned into the Attendance Office
- Unclaimed items will be disposed of at the end of each semester

Students should exercise every caution in the care and security of personal possessions. Glenbard South assumes no responsibility for lost or stolen items.

Driving

Each school day a very specific driving pattern will be enforced to promote safety and security of the students while they are entering and exiting the building. The Glenbard South security team is available to provide assistance.

Parking

Seniors enrolled in their 4th year of high school and students enrolled in Zero Hour PE will be given priority to purchase a parking permit. Remaining spaces will be sold to Juniors enrolled in their 3rd year of high school (via lottery).

- Students must have a valid driver’s license in order to purchase a parking permit
- All rules of the road for safe driving must be followed

- The school district is not responsible for theft(s) from or damage to any vehicle when parked on school grounds or parked on property controlled by the school district.
- All vehicles parked on campus or property leased to the school are subject to search without notice or consent by school administrators. School authorities may request the assistance of law enforcement officials when searching for illegal drugs, weapons, or other illegal or dangerous items, these searches may include the use of trained canines. Advanced Placement (AP) Courses

It is the expectation that students enrolled in AP courses take the College Board AP exam in the spring. This is an essential part of the course experience and is the culminating assessment of learning. In addition, students and families can benefit from earning early college credit and reducing the cost of college completion.

Students who elect NOT to take the College Board AP exam will take the final exams according to course guidelines. This may include second semester seniors who are passing the course with an A, B, or C.

Advanced Placement (AP) Fee Process & One Free Test

The cost of a student's AP exam(s) is factored into school registration fees at the beginning of the school year. The D87 School Board has made the investment to pay for one AP exam for every Glenbard student every year. All subsequent exams are \$97—except AP Seminar and AP Research, which are \$145. To officially register for each AP exam, students must join the MyAP classroom for each of their AP courses. MyAP is a College Board website where students register for exams, access course resources, and see their exam scores. If your student drops an AP class, the student's balance will automatically be updated to reflect the change. Families can withdraw from the exam without financial penalty by November 1st for full year AP courses or March 1st for 2nd semester only AP courses by notifying their school counselor or the Assistant Principal for Instruction. After this date, families will receive a partial credit (exam cost minus a \$40 canceled exam fee).

Homework Club

Homework Club is an after school program designed to provide a structured environment where students can complete homework assignments, write papers, study for tests, and receive academic support and tutoring as needed. The mission is to improve academic achievement for students who have failed or are in danger of failing courses and promote individual responsibility. For more information please contact Louise Loewer.

FERPA

[Glenbard District 87 - Notification of Rights under FERPA](#)

The federal *Family Educational Rights and Privacy Act* (FERPA) [20 U.S.C. § 1232g; 34 CFR Part 99] and the *Illinois School Student Records Act* (ISSRA) [105 ILCS 10/1 et. seq.; 23 Ill. Adm. Code § 375] afford parents and students certain rights with respect to school records.

Final Exams for Seniors

Seniors are required to fulfill all course requirements during the first semester, which will include taking a final exam. Second semester final exams are at the discretion of the course teacher and will be communicated accordingly at the beginning of second semester. Seniors who are receiving a letter grade of a "D" or "F" in a course may be required to take a final exam. Any questions regarding final exams should be first directed to the individual course teacher; further questions should be directed to the course department chairperson. Any questions about graduation requirements should be directed to the student's counselor.

NHS Tutors

Students who need help in academic courses may request a peer tutor that will work with students one-on-one. Request forms are available in the School Counseling department. Please be aware that there are a limited number of peer tutors available. School counselors have lists of additional tutoring resources available for hire in addition to our many in school academic resources.

Posters

The Assistant Principal for Student Services must approve all signs and posters. Bring posters and signs to the Main Office. Once they are approved they will be given to Ms. Romero in the HUB and they will be hung in the appropriate locations. If you are making multiple copies of the same sign please make copies AFTER it has been approved.

Prayer

Prayer (See Board Policy [6:225](#) and [7:130](#))

For those students who plan to attend required prayer during the school day, we would like to collaborate with parents/guardians as well as students to proactively work to schedule non-instructional options during this time, if at all possible in their schedule. Please note that this is dependent on the courses your student is enrolled in and a non-instructional option cannot always be guaranteed. Please contact your student's school counselor if you would like to discuss options.

Student Grades

A student's progress can be viewed online through PowerSchool. PowerSchool hosts the official grades, not Schoology. Grades are posted by the student's teacher. Semester grades are available online in PowerSchool; report cards are no longer mailed to the student's home. Student performance should be reviewed often.

Study Hall

Some students may choose to take study hall during the regular school day. All rules and regulations regarding attendance, tardiness and student behavior that apply to academic classes also apply to study hall. Students in study hall are expected to bring materials necessary to spend the period working quietly.

Student Images

Glenbard District 87 reserves the right to use images, photographs, or likenesses of students, while engaged in school activities, in digital, video, or printed form and to allow the media into the school to cover non-public events, accomplishments, and news stories and to use images, photographs or likenesses of students, in electronic, video or print form. Unless parents or guardians request in writing to the Assistant Principal for Student Services **within the first 30 days of school** that identifiable images of his or her child not be used, Glenbard has the right to participate in publicity actions as stated above. Parents/guardians should understand that if they withhold consent, none of the student's information would be released. This includes examples such as information/photographs for the yearbook, award listings such as honor roll, and class projects highlighted in digital or print form.

Student Residency

Under Illinois law, only students who are residents of the Glenbard School District may be admitted to a Glenbard High School on a tuition-free basis. Students who are not residents of the School District may be admitted if approved by the Superintendent and must pay tuition. The only exceptions are that: (1) students in certain exchange programs may attend tuition-free; and (2) an enrolled resident student who becomes a non-resident during the school term may continue to attend tuition-free until the end of the regular school term in May.

Generally, only students who live in the school district with their custodial parent or guardian will be regarded as residents. We verify the residency of all students each year prior to registration, using a third-party firm that provides us with current address information that allows us to verify families' address information electronically. Families whose residency is verified electronically do not need to submit paperwork to certify that they live within Glenbard District 87's boundaries. If we are unable to electronically verify a family's residency, we will notify the family in writing and request residency verification documentation.

Students who are determined not to be residents may be denied enrollment or dis-enrolled and subject to payment of tuition. *Anyone who misrepresents facts in relation to the residency of a student may be subject to criminal and civil legal proceedings.*

When a student's change of residence is due to the military service obligation of the student's legal custodian, the student's residence is deemed to be unchanged for the duration of the custodian's military service obligation if the student's custodian made a written request. The District, however, is not responsible for the transportation to or from school.

Technology Center of DuPage (TCD)

Students who have enrolled in classes at TCD are expected to follow the rules and regulations regarding attendance, tardiness and student behavior that apply to other academic classes. These expectations apply at TCD and traveling to and from TCD. All students will be transported to and from TCD on school buses. No student may drive to TCD without permission from the Dean's Office acquired at least 24 hours in advance. A student who drives to TCD without permission may have their vehicle towed and will be subject to discipline in the Dean's Office.

Technology Device Training and Support

To support our students when they receive their iPad over the summer through the mail, each student is required to take part in a virtual training course through Schoology. This training is led by a teacher and focuses on basic functions and setup, appropriate use, G-mail, PowerSchool, and accessing textbook applications.

If students encounter a problem with their District-leased iPad, they should report to the Tech Help Desk in the Library. Depending on the issue, it may be resolved at that time, or moved to one of our technicians for additional support. In all cases of loss or theft, the District requires that a police report be filed and a copy of the report be submitted along with the insurance deductible, if applicable, before a replacement device will be issued. In some cases a device will be issued after a school technician evaluates the problem.

Work Permits

Work permit forms for students under the age of 16 may be secured from the Guidance Office. A form needs to be picked up and filled out by parent and employer and returned to the Guidance Office. Student must be present to sign the Work Permit.

Learning Resource Center and Studio South

The library has books, electronic materials, and A/V equipment for students to check-out. To ensure the availability of these materials to all students and to promote a study-oriented atmosphere, certain procedures must be followed. The library is open from 7:30am-4:00 pm on most school days and students can choose to come to the library from their lunch or study hall period. However, students cannot be guaranteed regular access to the library during their study hall or lunch period, because there is a limited amount of space. When it is necessary to close the library or have limited student access, a sign will be posted outside the library noting the period and availability.

If parents/guardians would like information on their student's access to materials please contact the head librarian.

Parents and students should refer to Board Policy section 6:230 to find more information in regards to access to library materials.

Student Responsibilities

- The library is a shared open space between classes, teachers and students. During lunch/ study hall, we ask that students work at a reasonable volume and respect their peers and staff members.
- When using the library, students are expected to conduct themselves in a manner consistent with the guidelines described in the "School Discipline and Conduct".

- Designed quiet study areas and group work areas should be respected.

Signing In and Out

During the school day and after school, all students must sign-in at the library's check-in desk located near its main entrance. Any student leaving the library or Studio South during a class period must stop at the library's entrance desk to receive a hall pass or to show the hall pass written by a classroom teacher whose class is meeting in the library.

Student Attendance from Study Hall

- There are a limited number of study hall to library passes for each period. All students must attend study hall prior to being released to the library. Students should be prepared to show their school ID.
- The study hall student must remain in the library for the entire period.
- Study hall students who need to meet with a teacher in the library should request a pass from their teacher and use one of the study hall period passes to the library.
- Study hall students are not permitted to go to the lunch-room during their study hall period.

Lunch Students in the Library

- Food is not allowed near computers or tech equipment.
- Students who want to eat in the cafeteria for part of their lunch period can choose to use the library for the first half or the second half of their lunch period.
 - Library then Cafeteria- Sign-in at the entrance desk before lunch period begins. At half period chime, sign out and request a pass to lunch.
 - Cafeteria then Library- Stop in the library first and request a pass to come during the second half. Leave the lunchroom at the mid-period chime, show lunch supervisor pass. Turn in pass and sign-in at the library entrance desk.

Borrowing Books & Equipment

- Students should present their ID cards before checking out library materials or audio-visual equipment. Students may NOT checkout materials for other students. Some audio-visual equipment requires parent permission before checkout.
- Books that are 30 days overdue will be considered lost and the student will be charged for the full cost of the book plus a \$3 processing fee.
- Late A/V Equipment = \$5 per day

School Safety

School safety is everyone's responsibility. In order to ensure the safety of all students and staff, Glenbard South has implemented drills and procedures that are reviewed and updated on an annual basis.

Clear and Present Danger Reporting

When a student or other person is determined to pose a clear and present danger to themselves, or to others, it is the duty of law enforcement officials and school administrators to report to the Department of the State Police.

Emergency Drill and Evacuation Procedures

Glenbard South maintains a comprehensive crisis response manual that is updated annually. Within each room there is an emergency procedure checklist that provides detailed directions in the unlikely event of various emergencies. We expect all students to respond seriously to all real or practice drills related to emergencies.

School Resource Officer

Establishment of the School Resource Officer program permits the DuPage County Sheriff's Department to work directly with school officials towards prevention, orientation, and facilitate and foster positive relationships with high school students and employees. Further, it facilitates increased attention to youth programs, concerns, and unlawful activities on a proactive, rather than reactive basis. The goal is to promote a positive learning and educational environment for high school students and a solid, healthy community environment. The SRO Office is located within the Dean's Office.

Student Identification Cards

- Each student **MUST** carry a school issued identification card at all times and show it upon entering school every day.
- If the I.D. card is lost, please report to the Raider HUB so that a replacement card may be issued.
- Refusal to produce an I.D. card to a staff member when requested will be considered insubordination.
- Students arriving to the building late or returning to the building must use Entrance #4 and show their student I.D.
- It is highly recommended that students take a picture of their I.D. with their iPad/Cell Phone as an extra backup.

Time Out and Physical Restraint

Illinois School Code (23 IAC 1.285) defines Time Out and Physical Restraint (specifically the practice, facility, training and reporting required). Glenbard HS District 87 will follow all components in the school code and will focus on prevention and intervention in order to provide a safe and secure learning environment for all.

Visitors

- Students are not allowed to bring guests to school.
- Community members who are not associated with the school are not allowed to visit students or staff or to be in the halls except to go to the Main Office. All visitors will sign in and produce a valid license or state ID immediately upon entering the school building through Entrance #4. Violators will be reported to the police.
- All visitors will be escorted to their destination by a member of our staff or security team.

Student Help Lines

- **Bullying Hotline (630.534.4230)** is for students and others to anonymously report threats of school violence, bullying and/or general tips.
- **Safe2 Help (Call 844-472-3345 or Text 72332(SAFE2) to report)**. The State of Illinois is launching a school safety program called Safe2Help Illinois in an effort to raise awareness of the 21st century threats facing schoolchildren in Illinois. STUDENT BEHAVIOR AND CONDUCT

A primary concern of the school is to help the student to develop self-discipline. We expect our students to show high personal standards of courtesy, honesty, morality, and citizenship. While on school premises, riding in school buses or at school sponsored activities, wherever located, students are expected and required to behave in an orderly and appropriate manner with due regard and respect for the rights of others, the rules and regulations of District #87 and Glenbard South, and the directives of school personnel. Students are subject to appropriate disciplinary measures for unlawful or improper conduct.

If a student acts in an unacceptable manner, a Behavior Report may be sent to the parent or guardian of that student. This report includes a description of the behavior and what has been done in an attempt to correct the problem. A student receiving disciplinary action has the right to request a review of the disciplinary action. A student parent/ guardian may initiate a due process hearing by contacting the office of the Assistant Principal of Student Services.

At times this handbook states specific places at which students are subject to disciplinary rules. However, discipline may be imposed for any misconduct which is described in this handbook and which occurs on school grounds, at school-sponsored activities, in connection with student transportation or at any place where misconduct has a reasonable relationship to school.

Also, at times, in this handbook, specific penalties are specified for certain types of misconduct. These penalties will generally be followed, but in appropriate circumstances any violation of any of the rules described in this handbook may be considered gross disobedience or misconduct for which a student may be subject to disciplinary interventions or expelled.

Finally, repeated violations of the rules described in this handbook may be considered gross disobedience or misconduct for which a student may be suspended or expelled, even though any particular violation by itself might not warrant disciplinary interventions or expulsion.

Academic Dishonesty- Academic dishonesty includes but is not limited to cheating, plagiarizing, wrongfully giving or receiving help during an academic examination, submitting another person's work as one's own work, giving test questions or answers to a member of any class, or receiving test questions or answers from a member of any class. Cell phones are to be off at all times during tests and final exams; there may be instances of electronic devices usage that may be a violation to academic honesty policy. Utilizing social media/technology platforms (including but not limited to Facebook, Twitter, SnapChat, Instagram, texts and emails) to distribute or share homework, quiz or test answers, or other class materials without the expressed permission of the teacher and wrongfully obtaining test copies or scores is prohibited. Use of AI (i.e. ChatGPT, etc.) should only be under the direct supervision of your teacher. The infraction of this rule may result in disciplinary interventions from the Dean. (See Board Policy...7:215 & 7:215 RI)

Alcohol and Drugs

The possession of any apparatus or paraphernalia designed or intended for smoking, inhaling, or ingesting any substance may result in a discipline intervention and recommendation for expulsion. Consumption or possession of, being under the influence of, transferring any illegal or controlled substance including but not limited to, narcotics, alcohol, unlawful drugs, or “look alike” drugs may result in a discipline intervention and recommendation for expulsion.

Buying or selling alcohol or drugs will result in a discipline intervention and recommendation for expulsion. Students who furnish and / or sell alcoholic beverages, unlawful drugs, controlled or “look alike” substances to other students or persons before, during, or after school: before, during, or after school sponsored events - home or away, may receive discipline intervention and recommendation for expulsion.

In each instance, appropriate police authorities may be notified. Any violations will result in a discipline intervention and recommendation for expulsion. (See Board Policy...7:190)

Arson, Lighting Fires, Activating a False Fire Alarm, or Unauthorized Use of a Fire Extinguisher

In each instance, appropriate police authorities may be notified. Any violations will result in a discipline intervention and recommendation for expulsion. (See Board Policy...7:190)

Use of cell phones or other electronic devices that access Internet gateways are permitted and consistent with the district-wide "Bring Your Own Technology" policy. The purpose of this program is to extend and enrich the learning environment of Glenbard South. While the use of technology in the building is allowed and often encouraged, it should not be used to interfere with the educational process and / or disrupt orderly conduct within the building. Here are some of the ways in which electronic devices should be used to enhance learning at Glenbard South:

- To access authorized data or files that are relevant to the classroom and done under the guidance of a teacher.
- To work on an assignment for a class.
- To maintain discussion with a classmate about a topic in the course using an approved discussion tool.

Suspension and Expulsion

The Superintendent, Building Principal, Assistant Principal, or Dean of Students may suspend students guilty of gross disobedience or misconduct for a period not to exceed ten (10) school days for each incident of gross disobedience or misconduct. Upon the recommendation of the Superintendent, the Board of Education may expel students guilty of gross disobedience or misconduct.

The Board of Education may expel students guilty of gross disobedience or misconduct in accordance with the procedures set forth in Board Policy 7:190, governing student behavior. Whenever there is evidence that mental illness may be the cause for suspension or expulsion, the Department of Mental Health shall be invited to send a representative to consult with the Board at a meeting held to consider such suspension or expulsion.

Students may be suspended or expelled for gross disobedience or misconduct that occurs on school grounds, at school-sponsored activities, in connection with student transportation or at any place where the misconduct has a reasonable relationship to school. At times in this policy and / or school rules and handbook, specific penalties are specified for certain types of misconduct. These penalties will generally be followed, but in appropriate circumstances any violation of any of the rules described in this handbook may be considered gross disobedience or misconduct for which a student may be suspended or expelled. Repeated violations of the rules described in the handbook may be considered gross disobedience or misconduct for which a student may be suspended or expelled, even though any particular violation by itself might not warrant suspension or expulsion. Expulsion from school may range from one semester to two years for certain offenses.

Suspended students may not participate in any extracurricular activities, practices, etc. during the suspension. Suspended students may not be on school grounds nor attend school games/ activities at off campus locations and are subject to more severe penalties if this is violated. Students are expected to make up missed work at a time convenient for the teacher. Students must initiate the request to make up work upon their return to school.

Due Process Review

A student receiving disciplinary action has the right to request a review of the disciplinary action. A student's or parent/ guardian may initiate a due process hearing by contacting the office of the Assistant Principal of Student Services.

Attendance

It is the expectation of the administration and staff of Glenbard South High School that every student will be punctual and present each day. **This includes all periods of Physical Education. (Students must be in the locker room when the bell rings.)** Regular daily attendance by staff and students is important for student success. Students with irregular attendance patterns, whether excused or unexcused, may find it difficult to be successful in specific classes and may be subject to a loss of graduation credits. As a result, it is extremely important that the parents(s)/guardian(s) assure the student's academic growth and success by emphasizing the need for the student to be punctual and in attendance each day.

Students may not be in the building or on campus for any part of a school day for which they have been excused or called in as absent. Students who have been absent for a partial day and wish to return to school should report to the Attendance Office immediately upon entering the building.

Attendance Terms:

Excused Absence	Student misses entire class period with the approval of school administration
Tardy	Students arrive to class within the first 10 min. from the start time of class.

Truant	Student arrives 10 min or after start time to class and is not excused.
--------	---

Excused Absences

According to the Illinois School Code, the only legal reasons why a student may be absent from school are as follows:

- Illness
- Death in the immediate family
- Observation of a religious holiday
- Family emergency, civic event
- Circumstances that cause reasonable concern to the parent(s)/guardian(s) for the safety or health of the student.
- College visit (3 per school year)
- Other situations beyond the control of the student as approved by the principal.

Mental/Behavioral Health Absences

Students may be absent from school for up to 5 days each school year for Mental Health reasons and will be coded as MH in PowerSchool. A Mental Health Absence allows the student to be absent from school without providing a doctor’s note. If a student has been absent for Mental Health reasons for 2 days, they may be referred to the appropriate Student Service Team Member for follow up. <https://www.ilga.gov/legislation/102/SB/PDF/10200SB1577lv.pdf>

Reporting Absences

In the event of an absence, the student’s parent/guardian must call the 24-hour Attendance Office phone number (630)469-6500. Calls must be received by 10:30 am. on or before the day of the absence. However, school officials have the prerogative to determine whether a student is excused or truant. For unreported absences, the Attendance Office will make a reasonable effort to telephone the parent(s) / guardian(s). An excused absence from school allows the student to receive full credit for missed work. It is the student’s responsibility to contact their teachers for make-up dates/ deadlines for all assignments and tests missed during excused absences.

When a parent(s)/guardian(s) is required to be out of town for family or business matters, the Attendance Office must be notified prior to leaving town. Notification must be in writing stating who they authorize to report absences or take phone calls in their place regarding attendance. If no one is designated to accept calls regarding absences and the parent(s)/guardian(s) cannot be contacted within 24 hours, the absence will be considered unexcused. Failure to comply with these requirements may result in no credit for the days missed. Students that miss school due to medical appointments may be asked to show proof of the appointment.

Attendance Intervention

Attending school is a requirement for all students. The entire staff at Glenbard South has a responsibility to hold students accountable in this area. For this reason, we maintain the following intervention strategies related to attendance:(See Board Policy...6:310-R7)

Our student data management systems, PowerSchool will provide daily attendance information for teachers, parents, and administrators to view electronically.

Attendance staff will screen truancies daily and call home for any student who is three or more periods truant within any given day. Whenever a student is truant from a class, the Dean’s office will contact the student the following day to confirm the truancy. Truancies will be documented in PowerSchool and a letter to the students’ parent(s)/guardian(s) will be generated. Each truancy (unexcused absence) there will be a contact with the student, an attempt to call the students’ parent, a letter sent to the parent and a consequence or intervention with the student.

Excessive excused- See “Excessive Absences”

Any student who has chronic attendance issues may be referred to the DuPage County truancy agency. Glenbard South does not honor or recognize “Ditch Days.”

Partial Day Attendance

(Arriving Late / Leaving Early)

A student who arrives late to school must report to the Attendance Office. If a student is arriving late, the parent(s)/guardian(s) must phone the Attendance Office by 10:30 a.m. on the day of the late arrival. If a student needs to leave school early, the parent or guardian must call at least one hour in advance so a pass can be issued and taken to the students class. If you are unable to give one hour notice it is the responsibility of the parent to contact their student and have them report to the attendance office to obtain their pass. A student returning to school from medical appointments must bring documentation from the medical office confirming the appointment to the Attendance Office.

Prearranged Absences

The administration and staff discourages parent(s)/guardian(s) from taking students on vacation when school is in session. Absences during final exam periods are to be avoided at all costs. If circumstances necessitate absence from school for non-emergency family situations, college visitations, and any ALL DAY absences of more than 5 consecutive school days known ahead of time, a “Notification of Pre-Arranged Absence” form must be completed.

A pre-arranged absence request must be presented in writing to the Assistant Principal for Instruction at least five (5) school days prior to the absence. At this time, the student will be given a “Notification of Pre-Arranged Absence” form. The student is responsible for completing this form and communicating a “make-up” plan with each of their teachers. The teacher's signature on the pre-arranged absence form indicates only that the teacher has been notified of the absence. Teachers will note the dates of the pre-arranged absences in their grade book but will not lower their academic expectations for a student taking a pre-arranged absence. Failure to comply with the “make-up” plan may result in NO CREDIT for the days missed.

The completed form must then be returned to the Assistant Principal of Instruction Office at least two (2) days prior to the absence.

Excessive Absences

Any student who is absent for more than nine (9) days excused or unexcused in one semester will be considered as having excessive absences. The school may contact a student as well as parent(s)/guardian(s) if accumulated absences become excessive. Participation in school-sponsored activities DOES NOT count against a student’s attendance.

9 Absences	Conference with student, parent(s) / guardian(s), dean and counselor. Attendance plan signed by all parties.
12 Absences	Conference with student, parent(s)/guardian(s), dean and counselor. No absence will be excused without a Doctor’s Note.*
15 Absences	Conference with student, parent(s) / guardian(s), dean and counselor. Student may be withdrawn from a course with a failing grade.

*If a student is excessively absent, a Doctor’s Note (licensed MD) will be required in order to have the absence excused. The Doctor’s Note must be the original and legible on the physician’s stationary, signed by the doctor or nurse, and presented to the Attendance Office upon the student’s return to school. The note must state the date(s) that the student was “unable to attend school” and the date that the doctor saw the student. Students that are excessively absent during the first semester and are on Doctor’s Note status will be subject to Doctor’s Note Only intervention during the second semester.

Tardiness and Tardy Tracking

Students are to be in their assigned location prior to the beginning of the period or they are considered tardy. Students who are late to class will not be admitted into their classroom and will be sent to show their ID and receive a tardy pass. Students are not to be in the halls without a pass during class periods. Tardiness is unacceptable behavior and will be treated as such. Discipline interventions will be assigned for tardiness and a parent conference may be requested. Tardies will be tracked cumulatively. The tracking system will be reset mid semester and at the end of each semester, to give students a “fresh” start and a chance to remediate their behavior. Students need to serve their consequence “on or by” the date listed on the generated ticket from the tardy system.

Oversleeping, family errands, babysitting, missing the bus and car trouble are not considered acceptable reasons for being tardy. These tardies are truant even if the parents call to verify tardiness. Any student that is more than 10 minutes late to a class will be marked truant.

Consequences for tardy violations will result in the following:

# of Tardies	Consequence	Student/Parent Notification
1-3	Warning	Student Notification through Tardy Pass
4-10	Detention	Tardy Pass and Staff Contact
11-15	Extended Day Detention	Dean Contact - Parent Contact
16+	Attendance Plan	Dean Contact

Leaving School During the Day

Students are not permitted to leave the building without permission during the school day. Students must enter and exit the building using only Entrance #4. Off campus privileges or open lunch is ONLY available to seniors. Freshmen, Sophomores, and Juniors must remain on campus during the school day. Discipline interventions will be assigned for students that violate this rule. Seniors may be denied open lunch if they are in an “intervention.” (See Collaboration Hour p. 12 for off-campus privileges for juniors and seniors during Collaboration Time.)

Clubs / Activities / Athletics

District 87 Extra Curricular Code: Students involved in activities, clubs, and athletics must abide by the Extra Curricular Code. A copy of the Extra Curricular Code is included in the handbook. Students and their parents must provide signatures verifying that the student agrees to abide by the code. RULES ARE IN EFFECT 12 MONTHS.

Clubs and Activities

Participating in student activities is viewed by the Glenbard High Schools as an important and worthwhile endeavor, which enhances the educational process. Participation is considered an extension of the regular high school program. While the regular curricular program is a right afforded to each student, participation in the co-curricular program is a privilege and, as such, carries certain expectations beyond those found in the normal classroom situation. The important goals of the co-curricular program are to offer students direction in developing healthful living habits, discipline, teamwork, citizenship skills, and respect for structure, rules and responsibilities. In order to participate in the co-curricular program, students must be willing to fulfill expectations for appropriate behavior.

Clubs and Activities List and Sponsors

A list of our current clubs and activities along with sponsor contact information can be found on the school website found [here](#).

Athletics

The decision to participate on an athletic team at South indicates a desire and willingness to make a commitment necessary to continue a fine tradition that has been established by many outstanding student athletes at South. As you scroll through our digital “Hall of Fame” photo gallery outside Raider Gym, you will see the pictures of former state finalists and all-conference athletes. These young men and women have set the standards by which others continue to be measured. Believe in yourself. It is your turn to carry on the great tradition at Glenbard South High School.

Parents/Guardians: We encourage you to join our Booster Club and become involved by donating your time to help and/or attend as many activities as possible. You will be receiving separate Booster Club Newsletters that will provide further information.

This section of the student handbook has been prepared to provide student athletes and their parents with important information regarding the rules, policies, and procedures of the Glenbard South Athletic Program. Please read and review this information carefully. Your electronic signature, when registering your student for a sport in the Parent Portal of PowerSchool, gives assurance that you are willing to assist your student in their compliance with IHSA, District 87, school, departmental, and team rules. If we can ever be of help or service to you, please feel free to call the appropriate coach or the athletic office at (630)-469-6500.

Please check the athletic website at <https://schools.snap.app/glenbardsouth> for specific sport information, schedules, directions and important links to athletic websites. We look forward to meeting you. Thanks for your continued support of Glenbard South High School and all of our programs.

Philosophy

We believe and are committed to the idea that the athletic program is an integral part of the total school curriculum and plays a vital role in the development of young men and women. Participation in athletics is an educational experience beneficial to all because it promotes physical health, mental well-being, good sportsmanship and the values of competition and cooperation. On a school level, athletic competition adds to our school spirit and helps all students; spectators as well as participants develop pride in our school.

We encourage our teams to always compete to win but we realize that this will not always occur. Far more important than winning are the values we emphasize to our athletes. The results of a competition will soon be forgotten but the memories and valuable lessons will remain with our athletes forever.

It is our mission to encourage our student athletes to participate to the best of their ability and to accept any outcome with dignity. Under the guidance and encouragement of our coaches and parents, the ideal student athlete should develop the ability to draw courage from within and have the confidence to rise up and meet any adversity. If our athletes work hard and do what is required in attempting to overcome obstacles, they will be winners in every sense of the word.

Training Room

The purpose of the training room is to provide treatment for the prevention and/or rehabilitation of injuries. It is to be used only when necessary. After treatment is completed, student athletes are to leave the training room. Do not use material or equipment without permission of the certified trainer.

Athletic Office

The athletic office is located in the west balcony of the main gym in Room 70. One of our primary purposes is to assist our student athletes. Please feel free to come to the office whenever necessary. Student athletes should not be in the office without adult supervision. If an adult is not in the office, please wait in the hallway until someone is available.

Athletic Bus

Student athletes are dismissed from practice in time to board the athletic late bus that normally departs at 5:45 p.m. Bus times occasionally will be adjusted according to the schedule followed during the school day. To ride the late bus is a privilege. Mature behavior is expected at all times. If behavior becomes unacceptable or is a distraction to the driver, this privilege will be withdrawn. Students must have in their possession their current student I.D. card and must present the I.D. to the driver or school personnel upon request.

Equipment

A student athlete is responsible for each item of equipment issued. Since the equipment may be valued at hundreds of dollars, it should be secured at all times. Lost equipment must be paid for at replacement cost. Grades will be withheld, or in case of a senior, graduation will not be permitted if equipment previously issued is not returned or paid for. Participation in a subsequent sport will also be denied if equipment obligations are not met. A considerable amount of money is spent to provide the best equipment possible. It should be treated with care, cleaned as directed and worn only at contests. At the end of the season, all equipment must be turned in clean and in good condition by the specified date established by your coach.

Athletic Locker Room Guidelines

All student athletes will be assigned a locker in the team locker area. Use only the locker assigned to you and keep it locked at all times when you are not present. Only locks purchased at the bookstore are to be used to secure one's belongings. For security reasons, keep combinations confidential. Student athletes are expected to demonstrate appropriate behavior in the locker room. Horseplay, running, vulgar language etc. will not be tolerated. Towels and trash should be placed in the proper receptacles. Food and drinks should not be brought into the locker room. Students will only be permitted to enter the locker room under the direct supervision of a school official. Locker rooms will remain locked.

Parent / Coach Communication

At times, both parenting and coaching are extremely difficult endeavors. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefits to our student athletes. This begins with clear communication from your student's coach.

Communication You Should Expect From Your Student's Coach

1. Philosophy of the coach.
2. Expectations the coach has for your student as well as all the players on the team.
3. Location and times of all practices and contests.
4. Team requirement, i.e. fees, special equipment, off-season conditioning
5. Procedure should your student be injured during participation
6. Discipline that results in the denial of your student's participation.

Communication Coaches Expect From Parent(s)/Guardian(s)

1. Concerns expressed directly to the coach
2. Notification of any schedule conflicts well in advance
3. Specific concern in regard to a coach's philosophy and/ or expectations

As your student becomes involved in the programs at Glenbard South, they will experience some of the most rewarding moments of their lives. It is important to understand that there also may be times when things do not go the way you or your student wishes. At these times discussion with the coach is encouraged.

Appropriate Concerns to Discuss with Coaches:

1. The treatment of your student mentally and physically.
2. Ways to help your student improve.
3. Concerns about your student's behavior.

It may be difficult to accept that your student is not playing as much as you might want. However, coaches are professionals. They make judgements and decisions based on what they believe to be best for all the student athletes involved. As you have seen from the list above, certain things can be and should be discussed with your student's coach. Other things, such as those listed below, must be left to the discretion of the coach.

Issues Not Appropriate to Discuss With Coaches:

1. Playing time
2. Team strategy
3. Play calling
4. Other student athletes

These are situations that may require a conference between the coach and the parent(s). These are to be encouraged. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue of concern.

What can a parent do if they have a concern to discuss with a coach?

1. Call and set up an appointment. Glenbard South High School phone number is (630) 469-6500.
2. If the coach cannot be reached, call the athletic director, et. 4255.
3. Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent(s)/guardian(s) and the coach. Meetings of this nature do not promote resolution.

What can a parent do if the meeting with the coach did not provide a satisfactory resolution?

1. Call and set up an appointment with the athletic director to discuss the situation.
2. At this meeting the appropriate next step can be determined.

Athletics Staff

Athletics Staff and coach contact information can be found on the school website or by clicking [here](#).

AWARDS

Student athletes may earn an award by meeting criteria established by District 87 and/or head coaches. The type of award received is dependent on their year in school, level of competition and previous awards that they have received. The following is a list of awards that may be earned:

1. Freshmen numerals
2. Minor letter
3. Varsity letter
4. Certificates
5. Pin
6. Bar

An athlete must finish the season in good standing both academically and socially in order to receive an award.

DISCLAIMER

Students with Disabilities

Students with disabilities who do not qualify for an individualized education program (IEP) pursuant to the federal *Individuals with Disabilities Education Improvement Act* (IDEA) and implementing provisions of the *Illinois School Code* may qualify for services under Section 504 of the federal *Rehabilitation Act of 1973*. A student may qualify for a Section 504 Plan if the student: (i) has a physical or mental impairment that substantially limits one or more major life activities, (ii) has a record of a physical or mental impairment, or (iii) is regarded as having a physical or mental impairment. Section 504 contains a broader definition of a disability than the IDEA, so a student who does not qualify for an IEP might still be able to receive accommodations and related services under a Section 504 Plan. For more information regarding the identification, assessment and placement of students, please contact Assistant Principal for Student Services Marina Kosak, marina_kosak@glenbard.org (630) 469-6500.

Children with disabilities who turn 22 years old during the school year are eligible for such services through the end of the school year.

New School Code language [105 ILCS 5/14-6.01]:

Beginning with the 2019-2020 school year, a school board shall post on its Internet website, if any, and incorporate into its student handbook or newsletter notice that students with disabilities who do not qualify for an individualized education program, as required by the federal Individuals with Disabilities Education Act and implementing provisions of this Code, may qualify for services under Section 504 of the federal Rehabilitation Act of 1973 if the child (i) has a physical or mental impairment that substantially limits one or more major life activities, (ii) has a record of a physical or mental impairment, or (iii) is regarded as having a physical or mental impairment. Please contact Marina Kosak, Assistant Principal for Student Services at marina_kosak@glenbard.org.

ATTENDANCE PHILOSOPHY

Our attendance policy is based upon the following assumptions:

1. In accordance with the requirements of the School Code of Illinois and in recognition of the responsibilities imposed upon parents, it is the policy of District 87 that students shall attend school on a regular basis. Student attendance in class is not optional; it is a requirement of every class. We believe that regular class attendance increases the student's probability for successful performance and fosters the development of self-discipline and responsibility. The Board of Education further believes that the school administration and staff have a duty to rigorously and consistently enforce school regulations dealing with class attendance.
2. While the major responsibility for attendance rests with the student, the school and the parents share responsibility. Students are expected to attend every meeting of every class and study hall; the school has an obligation to inform both students and parents of the student's progress and attendance in all classes; and parents/guardians are obligated to inform the school when their student is absent and to give the reason for the absence.

Excessive absences from school limit the ability of a student to achieve. For this reason, attending school on a regular basis is a requirement for all students. The entire staff at Glenbard District 87 has a responsibility to hold students accountable in this area. For this reason, we maintain the following intervention strategies related to attendance:

- Our student data management system, PowerSchool will provide daily attendance information for teachers, parents/guardians and administrators to view electronically.
- Attendance staff will screen trancies daily and call home for any student who is three or more periods truant within any given day.
- Whenever a student is truant from a class, the Dean's Office will contact the student the following day to confirm the truancy. Truancies will be documented in PowerSchool and a letter to the student's parent/guardian will be generated on the next school day.
- **For every truancy (unexcused absence) there will be a contact with the student, an attempt to call the student's parent, a letter sent to the parent and a consequence or intervention with the student.**
- After five trancies and five interventions for an individual course, a student may be denied credit for the course. Those who are denied credit will be referred to their guidance counselor to explore credit options.
- Excessive excused absences interfere with student achievement. A student who has excessive absences will be required to provide medical documentation for each absence or meet with the school nurse on the same day in order to excuse absences. During any given semester, when a student reaches over nine absences from a class there will be an attendance conference with his or her Dean and parent contact will be made. Should the student reach twelve or more absences, a doctor's note will be required to excuse further absences. After fifteen absences, a student may lose credit for the individual class. Those who are denied credit will be referred to their guidance counselor to explore credit options.
- Any student who has chronic attendance issues may be referred to the DuPage County Truancy agency, Truancy Intervention Program.

DANCES and SOCIALS

The following regulations apply to dances and socials:

1. Dances and socials are usually open to Glenbard students only. A Glenbard student may bring one guest to a semi-formal or formal dance by obtaining a permission slip from the Deans' office prior to purchasing tickets.
2. Approved student guests attending dances must be at least in ninth grade and under 21 years of age.
3. There is to be no use of tobacco, alcohol, or drugs in the school building or at the event. Violations will result in disciplinary action.
4. After students have been admitted to the dance, students will not be re-admitted if they leave the premises. School rules and regulations are in effect at all dances. Violators will be reported to the administrator in charge and may be subject to disciplinary action.

ILLINOIS STATE SEAL OF BILITERACY PROGRAM

Glenbard Township High School District 87 will participate in the Illinois State Seal of Biliteracy program in the 2022-2023 school year. The program recognizes high school graduates who have attained a high level of proficiency in one or more languages in addition to English, by designating on a student's transcript and high school diploma his or her receipt of the State Seal of Biliteracy. By law, Illinois public universities must grant college credit for students who have earned the Seal of Biliteracy.

Students may demonstrate proficiency in a targeted foreign language on the Assessment of Performance toward Proficiency in Languages (AAPPL) or the Standards-Based Measurement of Proficiency (STAMP) test.

Please contact the Program Coordinator, Mike Fumagalli at michael_fumagalli@glenbard.org with any questions.

THE EDUCATIONAL RIGHTS OF ILLINOIS' CHILDREN & YOUTH IN HOMELESS SITUATIONS

Statewide Access to Education for Homeless Children and Youth

If you have any questions regarding the educational rights of homeless children and youth in Illinois, you can contact:

Glenbard Twp High School District 87 Homeless Liaison
Ms. Janet Cook, Assistant Superintendent for Student Services
(630) 469-9100 or contact the school Assistant Principal of Student Services

The Educational Rights of Homeless Children & Youth

Homeless children and youth face special problems in getting to school and staying in school. Many homeless families move during the school year, sometimes more than once. School records get lost. Physical examinations and immunizations required for school may be hard to get. Both Illinois and federal law – the Illinois Education for Homeless Children Act and the federal McKinney-Vento Homeless Assistance Act – require that school district liaisons provide assistance to homeless children and youth to solve these problems. These liaisons have an ongoing obligation to understand the barriers faced by homeless children and youth in enrolling, attending and succeeding in school and an obligation to address those barriers, whatever they may be.

Illinois school district liaisons are required to take action to help children and youth who are homeless. The educational rights and benefits for homeless children and youth are described below.

Who is Homeless?

The definition of “homeless” under Illinois (and federal) law is very broad. It includes a person who lacks a “fixed, regular and adequate nighttime” abode; a person whose primary nighttime residence is a shelter (including transitional housing or hotels) or a place not ordinarily used by human beings for sleeping (box, car, etc). **This definition is broad enough to include “the hidden homeless”, i.e., children and youth that are temporarily doubled-up in housing because they cannot afford a place to live.**

TECHNOLOGY

iPad Rentals

District 87 has completed the transition from textbooks to electronic devices. All students are now issued iPads for instruction and the majority of curriculum materials will be delivered electronically. The annual rental fee for the iPad includes insurance, technical support and use of loaner equipment. After the family has made 4 annual rental payments over the student's career at Glenbard and student's account is paid in full, the device will become the property of the student. Glenbard charges an annual fee for digital curriculum. Any curriculum materials not provided electronically will be provided at no additional cost. This includes textbooks, paperback novels, and workbooks. Items that will still need to be purchased include PE uniforms and locks, and any supplies required by the teacher for that specific course.

LATEX BAN

Many students have latex allergies and our schools will take every step to ensure that our students are safe and healthy. **This means that latex products like latex balloons and silly string will not be allowed on campus at any time.**

Illinois High School Association

(For 2024-2025 School Term)

This summary is for the purpose of assisting in the understanding of IHSA By-laws and Policies. In case of a conflict between this publication and the constitution and by-laws of the IHSA, the constitution and by-laws shall control.

Key Provisions Regarding IHSA Rules Eligibility Rules

When you become a member of an interscholastic team at your high school, you will find that both your school and the IHSA will have rules you must follow to be eligible for interscholastic participation. The IHSA's rules have been adopted by the high schools which are members of IHSA as part of the Association's constitution and by-laws. They must be followed as minimum standards for all interscholastic athletic competition in any member high school. Your high school may have additional requirements, but they may not be less stringent than these statewide minimums.

The principal/official representative of your school is responsible to see that only eligible students represent the school in interscholastic competition. Any question concerning your eligibility should be referred to your principal/official representative, who has a complete copy of all IHSA eligibility rules, including the Association's due process procedure. Only the IHSA Executive Director is authorized to make formal rulings on eligibility, so if your principal/official representative has questions or wishes assistance in answering your questions, the principal/official representative should contact the IHSA Office.

Information contained here highlights some of the most important features of the IHSA by-laws regarding interscholastic eligibility. It is designed to make you aware of major requirements you must meet to be eligible to compete in interscholastic competition. The information here is only a general description of major by-law provisions and does not contain the statement of the by-laws in their entirety. You can review the by-laws at www.ihsa.org.

You may lose eligibility for interscholastic competition if you are not in compliance with IHSA by-laws. Remember, if you have any questions regarding IHSA rules, please contact your principal/official representative.

1. Attendance

- A. You may represent only the school you attend. Participation on a cooperative team of which your school is a member is acceptable.
- B. You must be enrolled and attending classes in your high school no later than the beginning of the 11th school day of the semester.
- C. If you attend school for ten (10) or more days during any one semester, it will count as one of the eight (8) consecutive semesters of high school attendance during which you may possibly have eligibility.
- D. If you have a lapse in school connection for ten (10) or more consecutive school days during a semester, you are subject to ineligibility for the rest of the semester. The specific terms of your extended absence must be reviewed by the Executive Director to determine if it is "lapse in school connection" or not.

2. Scholastic Standing

- A. You must pass twenty-five (25) credit hours of high school work per week. Generally, twenty-five (25) credit hours is the equivalent of five (5) .5 credit courses (2.5 full credits).
- B. You must have passed and received credit toward graduation for twenty-five (25) credit hours of high school work for the entire previous semester to be eligible at all during the ensuing semester.

3. Residence

Your eligibility is dependent on the location of the residence where you live full time with your parents, parent who has been assigned custody by the court, or court appointed legal guardian.

You may be eligible if you are entering high school as a freshman and:

- A. You attend the public high school in the district in which you live full time with both of your parents, custodial parent or court appointed guardian; or
- B. In the case of a multiple school district, you attend the public high school in the attendance area where you live full time with your parents, custodial parent or court appointed guardian; or
- C. You have paid tuition to attend a public school for a minimum of 7th and 8th grades in a district other than the one where you live with your parents, custodial parent or court appointed guardian and you continue to pay tuition as a high school student in that same district; or
- D. You attend a private/parochial school located within the boundaries of the public school district where you live with your parents, custodial parent or court appointed guardian; or
- E. You attend a private/parochial high school and have attended a private/parochial school for 7th and 8th grades, or for any four (4) grades from kindergarten through eighth grades; or
- F. You attend the private/parochial high school which one or both of your parents attended; or
- G. You attend a private/parochial high school located within a thirty (30) mile radius of the residence where you live with your parents, custodial parent or court appointed guardian.

4. Transfer

A. In all transfer cases, both the principal of the school from which you transfer and the principal of the school into which you transfer must concur with the transfer in writing on a form provided by the IHSA Office. You cannot be eligible when you transfer until this form is fully executed and on file in the school office.

B. If you transfer after classes begin for the current school term, you will definitely be ineligible for thirty days from the date you start attending classes at the new high school. In addition, you will be ineligible for that entire school term in any sport in which you engaged in any team activity, including but not limited to tryouts, drills, physical practice sessions, team meetings, playing in a contest, etc. at the school from which you transferred. For example, if you were out for cross country at the school from which you transfer and transfer after the IHSA sport season has begun, you will be ineligible for cross country that entire school term at the new school.

C. If you transfer attendance from one high school to another high school, you will be ineligible unless:

1. Your transfer is in conjunction with a change in residence by both you and your parents, custodial parent or court appointed guardian from one public school district to a different public school district;

2. Your transfer is between high schools within a public school district and both you and your parents, custodial parent or court appointed guardian change residence to the district attendance area for the school to which you transfer;

3. Your parents are divorced or legally separated; you transfer to a new school in conjunction with a modification or other change in legal custody between your parents by action of a judge; and required court documents are on file at the school into which you transfer;

D. If you transfer in conjunction with a change in legal guardianship, a ruling on your eligibility must be obtained from the IHSA Office.

E. If you transfer attendance from one school to another while you are ineligible for any reason, the period of ineligibility imposed prior to your transfer or the period of ineligibility that would have been imposed had you stayed at the school, will be enforced at the school to which you transfer, even if you are otherwise in compliance with the by-laws.

F. Any questions about your eligibility in any of these instances must be resolved by a formal ruling from the IHSA Executive Director.

G. In all other transfer situations, a ruling by the IHSA Executive Director is necessary to determine your eligibility. This ruling must be obtained in writing by the principal/official representative of the school into which you transfer before you participate in

an interscholastic athletic contest. H. The IHSA Executive Director may grant limited eligibility if you transfer schools prior to the start of your junior year and are not otherwise in compliance with the transfer eligibility by-laws.

5. Age

You will become ineligible on the date you become twenty (20) years of age, unless your twentieth (20th) birthday occurs during a sport season. In that case, you will become ineligible regarding age at the beginning of the sport season during which your twentieth (20th) birthday occurs.

6. Physical Examination

You must have placed on file with your principal/official representative a certificate of physical fitness, signed by a licensed physician, physician's assistant, or nurse practitioner to practice or participate. Your physical examination is good for 395 days from the date of the exam. The physician's report must be on file with your high school principal/official representative.

7. Amateur Status and Name, Image, and Likeness (NIL)

A. If you win or place in actual competition, you may accept a medal or trophy for that accomplishment, without limit to its cost. Your school may provide IHSA state champions with championship rings/mementoes not to exceed \$300.

B. For participating in competition in an interscholastic sport, you may receive any type of award (except cash, check, or legal tender) that does not exceed \$150 in fair market value. There is no limitation on the value of your school letter.

C. The amateur rule does not prohibit you from being paid to referee, receiving pay for teaching lessons or coaching in a little kid's league, etc. It only applies to your own competition in an athletic contest.

D. If you violate the amateur rule, you become ineligible in the sport in which you violate. You must be reinstated by the Executive Director before you may compete again.

E. IHSA By-laws and Board Policies provide guidance and restrictions to when and how you might capitalize on your name, image, and likeness (NIL). Work closely with your principal/official representative on opportunities that come your way.

8. Recruiting of Athletes

A. The by-laws prohibit recruiting of high school students for athletics. If you are solicited to enroll in or transfer to a school to participate in athletics, you are being illegally recruited and your eligibility is in jeopardy.

B. You will lose your eligibility if you enroll in or transfer to a school in response to recruiting efforts by any person or group of persons, connected with, or not connected with the school, related to athletic participation.

C. You will lose your eligibility if you receive special benefits or privileges as a prospective student-athlete which are not uniformly made available to all students who attend your school.

D. You may not receive an "athletic scholarship" or any other special benefit from your school because you participate in athletics.

E. It is a violation for any student-athlete to receive or be offered remuneration or any special inducement which is not made available to all applicants who apply to or enroll in the school.

F. It is also a violation to induce or attempt to induce or encourage any prospective student to attend any member school for the purpose of participating in athletics, even when special remuneration or inducement is not given. Please remember that you may not be offered or receive any benefit, service, privilege, or opportunity which is not also provided or made available to all prospective students at that school.

Note: If you are interested in finding out more information about a school, contact the principal/official representative or an administrator at the school, not a member of the coaching staff.

9. School Team Sports Seasons

A. Each sport conducted by IHSA member schools has a starting and ending date. Your school may not organize a team, begin practice or participate in contests in a given sport until the authorized starting date. Your school may not continue to practice or participate in contests after the authorized ending date. This means that:

1. During the school year, you may not participate on a non-school team coached by any member of your school's coaching staff unless it meets specific criteria established by the by-laws.

2. No school coach may require you to participate in an out-of-season sport program as a requirement for being a member of a school team.

B. Violation of the sport season by-laws will result in penalty to you and/or to your school's coaching personnel.

10. Playing in Non-School Competition

A. During the time you are participating on a school team in a sport at your high school, you may neither play on a non-school team nor compete in non-school competition as an individual in that same sport or in any skill of that sport.

B. If you participate in non-school competition during a sport season and subsequently wish to join the school team in the same sport, you will not be eligible.

C. If you wish to participate in a competition sanctioned by the National Governing Body of a sport, a junior affiliate of the National Governing Body of a sport or an official Illinois affiliate for the sport, your principal/official representative must request approval through the Schools Center prior to any such participation.

D. You may try out for a non-school team while you are on your school's team in that same sport, but you may not practice, receive instruction, participate in workouts, or participate in competition with a nonschool team in that same sport until you cease being a member of your school's team. You cease being a member of your school's team when the team(s) of which you are a member terminates for the school term.

E. You will become ineligible if you participate on, practice with, or compete against any junior college, college, or university team during your high school career.

11. All-Star Participation

A. After you have completed your high school eligibility in any IHSA sport, you may participate in three (3) all-star contests.

B. You may lose your eligibility for interscholastic sports if you play in all-star competition under any other conditions.

12. Misbehavior During Contests

A. If you violate the ethics of competition or the principles of good sportsmanship, you may be barred from interscholastic athletic contests, either as a participant or spectator or both.

B. If you are ejected from a contest for unsportsmanlike conduct, you will be ineligible for your team's next contest. You are also subject to other penalties.

REQUEST FOR ACCOMMODATION FORM

It is the policy of the IHSA to provide accommodations for students with disabilities pursuant to the IHSA Policy for Accommodations. Disabilities include mental, physical or visual impairment which substantially limits a major life activity. A student, his/her parent/guardian, or member school may request an accommodation by submitting this form to the IHSA.

To submit a request – go to this online link: <http://www.ihsa.org/documents/forms/current/Request%20for%20Accommodation%20Form>.
