Substituting in Glenbard Township High School District 87

Purpose: This manual was originally compiled by members of the full-time teaching staff and substitute teachers of Glenbard Township High School District 87 in order to serve as a guide to staff members and to assist Substitutes in carrying on the classroom programs. Moreover, the intended goal of this manual is to remove any existing barriers in substitute teaching to achieve a continuous day-to-day program for every student.

1. **Licensure:** Substitutes must hold an Illinois Teacher's License (PEL) or Substitute License (SUB) registered in DuPage County (Region 19), Illinois. Substitute Teachers are considered at will, part-time employees of District 87. **There will be a limit of 119 days a substitute teacher can substitute in any school year. It is important to note: Substitute Teachers must be responsible for keeping track of how many days they substitute and keeping up with ever changing Illinois School Code and TRS requirements as to how it may affect them.** Changes in the Illinois school code impact the role of part-time employees. Special circumstances must be approved by Josh Chambers, Assistant Superintendent of Human Resources.

The Teacher's Retirement System (TRS) in Illinois limits a substitute teacher who is a TRS Annuitant to substitute teach for **a period not to exceed 120 paid days or 600 paid hours** in a certified position in any school year, unless subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

Apply for an (PEL) professional educator license or (SUB) Substitute license at:
The DuPage County Regional Office of Education
421 North County Farm Road
Wheaton, IL 60187
(630) 407-5800

Information for retirement services is available by contacting TRS or IMRF Membership directly. (members@trsil.org or 877-927-5877) or (<https://www.imrf.org/> or 800-275-4673)

2. **Hiring Process:** When a substitute teacher position is available, the opening will be posted online at www.glenbard87.org. Substitutes are required to fill out an online application in order to be considered for employment. Applications are to be filled in completely with references as to character and teaching experience. Applicants will be screened and called for an interview before being hired. Employment is dependent on completing all HR hiring onboarding requirements.
3. **Involuntary removal from the Substitute List:** Glenbard Township High School District 87 employs substitutes as "employees at will". As an employee at will, any offer of employment that Glenbard Township High School District 87 extends, or any employment that occurs if one is hired, is for an indefinite period and may be terminated at any time by Glenbard Township High School District 87 or the individual, with or without cause, and without prior notice or warning. Accordingly, Substitutes may be removed from the substitute list at the discretion of Glenbard Township High School District 87.

Substitute Procedures

Substitutes are expected to be proactive in securing assignments. They are to be willing to substitute at all school buildings and substitute for all subjects.

1. Substitute Assignments:

- A. A request to substitute will be made by the automated Red Rover system. Requests to substitute may also be made by our HR Confidential Specialist for Substitutes and Summer School, Viraj Dhebar either by phone or email. Glenbard Township High School District 87 would appreciate it if substitutes make themselves available from 7:45 a.m. – 3:15 p.m.
- B. A Substitute may search for available assignments 24 hours a day, 7 days a week on the Internet at [Red Rover](#)
- C. Glenbard expects our substitutes to substitute at all our schools and substitute teach all subjects.
- D. If a substitute is asked to teach out of his/her certified field, it is because there is no one available who is certified in that field.
- E. Substitutes **must be flexible** as assignments can change quickly with regard to who they substitute for, times, periods, subjects, etc.. It is the responsibility of the substitute to be sure they get the information correctly. After accepting an assignment, please check the system to see if there are notes or sub plans provided.
- F. In order to eliminate unnecessary notifications by Red Rover, substitutes are requested to enter all of their non-workdays for the entire school year. This avoids any unnecessary communications and accidental accepting of assignments.
- G. Substitutes should **NOT** cancel an assignment they have secured unless it is an absolute emergency. This causes hardship for the building sub-coordinator and the school. Should an emergency arise, please email Viraj Dhebar, HR Confidential Specialist Substitute & Summer School at viraj_dhebar@glenbard.org.

2. Arrival at School:

- A. The first time you substitute in each school, please arrive earlier to meet with the Building Sub Coordinator, receive a parking permit, and a substitute teacher's folder. The folder will have everything you will need to substitute in that particular school. Always wear your Glenbard issued ID when on school property on working days.
- B. When the students arrive, introduce yourself to them.

3. Duties and Responsibilities:

- A. Substitutes are subject to the same rules as regular teachers or aides. They are expected to fulfill all duties of the regular teacher or aide as far as practicable, including their supervisory assignment.
- B. Each building has its own special fire and emergency disaster drill. The substitute folder will have procedures as well. Instructions for fire and disaster exits are posted in each classroom. Please become acquainted with them at the beginning of each assignment.
- C. A substitute teacher is responsible for discipline in the classroom. They may obtain the assistance of the Department Chair, Dean of Students, or other Administrator in maintaining this responsibility. No substitute is to administer any type of corporal punishment to a student. If a problem of discipline arises to the extent that the substitute cannot verbally control the student, the substitute teacher should request assistance from the Dean of Students or other Administrator.
- D. Substitute teachers are also responsible for student attendance every period. Attendance should be electronically entered in the Power School network.
- E. A nurse is on duty at each school to assist in situations they might best handle. We suggest that substitutes become acquainted with the location and procedures of the Health Office.
- F. Follow and carry out the teacher's plans, leaving detailed notes for the teacher.

4. General Information:

- A. Lunch is served daily in the faculty cafeteria.
- B. Coffee is available in the faculty lounge. Feel free to use these facilities before or after school and/or during any time off during the day.
- C. Obtain a parking sticker/permit from the school where you will substitute. The district issued **photo ID must be worn at all times** on district property.
- D. A Substitute Work Record form is attached for you to use as a personal work record. It is the substitute's responsibility to keep track of days worked not to exceed retirement system limits.

5. Leaving the Building:

- A. Write a summary for the regular teacher explaining what was accomplished for each period. Your comments are welcome both positive and negative. Be specific in your comments. Please remember to return the classroom or department books, materials, keys, etc., to the DC at the end of the teaching day or the end of the teaching assignment.

General Payroll Procedures and Salary Schedule

1. Substitution for Licensed and ESP:

- A. Substitutes are assigned to substitute for licensed teachers or aides. See page 8 for the substitute salary schedule.
- Glenbard would appreciate substitutes to sub for 7 class periods.
 - Substitutes may be called to work less than 7 class periods for an employee. In such cases, the sub will be paid according to the “per period” rate and the number of periods subbed.
- B. Long-Term Substitute Teacher: Long-term substitution is granted in cases where a substitute works for twenty (20) consecutive days for the same certified employee on the salary schedule. Long-term substitutes MUST be endorsed in the subject area they are covering. *Long-term substitution is not available for non-certified substitution.* Long term sub assignments may not exceed 90 days for any one licensed teacher under contract with the district.
- C. School Nurse: A licensed RN is required to be a substitute for the school nurse.
- D. To remain active on the sub list you must sub at least **20 times** during the school year.
