October 10, 2024

Dear Neighbor,

As you may know, last year Glenbard District 87 developed a new ten-year facility plan to address the needs of our four high schools. Part of this plan included a facility improvement referendum that passed in March of this year.

This summer, we began meeting with the architects to identify the space needs of Glenbard West and establish the scope of work. This includes a new wing of classrooms, as well as a collaborative commons space for students' use. At their meeting on September 23rd, our Board of Education received an update from the architects and construction team about the scope of work planned for each of the four Glenbard schools over the next several years.

We would like to invite you to our Elliott Library at 7 PM on Wednesday, October 16th for an update on our construction planning. Our brief presentation will include a summary of the scope of work, as well as information on the construction timeline. Representatives from our district office and Wold Architects will be in attendance. There will be time for questions and feedback as well.

We value our relationship with our neighbors and look forward to keeping you in the loop as we plan for construction in upcoming school years.

Sincerely,

Ben Peterselli
Principal

WHERE EXCELLENCE IS TRADITION

Ms. Stacy Scumaci, Assistant Principal for Operations • Ms. Sara Kush, Assistant Principal for Instruction
Mr. Peter Baker, Assistant Principal for Student Services • Mr. Joe Kain, Assistant Principal for Athletics
