ADVANTAGES IN COLLEGE AND BEYOND

The Glenbard College Core helps students jumpstart their college journey by earning early college credit in high school, saving time and money while building confidence, skills, and flexibility for future success.

- ✓ Starting college with 15+ credits may result in early registration and other upperclass perks.
- ✓ Pursue additional electives, minors, or even double majors without delaying graduation or even graduating from college early.
- ✓ Create space in your college schedule to study abroad, participate in internships, research, athletics and clubs.
