Dear Neighbors,

I hope that you and your family enjoyed the holiday season. Construction on the new addition at Glenbard West is scheduled to begin in early April of this year. This phase of construction will include additional classrooms, a secondary performing arts space, and a collaborative commons—as well as safety and accessibility improvements to our entry ways. These changes will have a significant positive impact on the school experience of the next generation of Hilltoppers.

Last August, in preparation for this construction, we worked with the Village of Glen Ellyn and the Glen Ellyn Police Department to revise our traffic management plan. More recently, we have worked with the same local agencies to develop a temporary plan to address the need for contractor parking during the construction process.

Prior to finalizing our plan, I would like to invite you to join me for a Neighborhood Traffic and Parking Forum on Thursday, January 22nd in the Elliott Library at 7:00 PM. I will be joined by Commander Andy Downey of the Glen Ellyn Police Department, as well as representatives from Gilbane Construction. Your participation and feedback are very important to us.

Please know that I value the relationship that we have with our neighbors and am committed to proactive communication when it comes to these construction projects. I hope you'll be able to join us on the 22nd.

Sincerely,

Ben Peterselli  
Principal
